# EQUIPMENT SPECIFICATION

To make choosing straightforward and enjoyable, we've worked hard to ensure that the information in this brochure is accurate at the time it was created in December 2018. It's important to remember that Citroën can introduce changes to the equipment and accessories featured, although these wouldn't alter the essential character and design of the models. Naturally the images and specifications are also dependent on trim level and any options included.

We know how important it is to present the right facts and figures, so our brochures are regularly updated, however it is important that you consult your dealer when ordering your vehicle to ensure you are advised of the latest specifications and equipment.

Standard equipment ●  
Optional factory fitted equipment ○

Option availability varies according to version/engine/trim level.  
Some options are only available as part of a pack. Please refer to the options page for further information.

<sup>1</sup> Figures shown are for comparison purposes only; you should only compare these fuel consumption and CO<sub>2</sub> figures with other cars tested using the same technical standard. The fuel consumption you achieve, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors: including the accessories fitted (post registration), variations in weather, driving styles and vehicle load. There is a new test WLTP (Worldwide Harmonised Light Vehicles Test Procedure) used to measure fuel consumption and CO<sub>2</sub> figures. The CO<sub>2</sub> figures shown are NEDCeq (New European Driving Cycle Equivalent), calculated using an EC correlation tool which converts WLTP figures to NEDC. These NEDCeq figures are based on the outgoing test cycle and will be used to calculate tax for the first registration. CO<sub>2</sub> and fuel economy figures may vary according to wheel fitment and optional extras fitted.

## CITROËN WARRANTY

5 year\* Unlimited Mileage Warranty applies to new Citroën passenger cars registered in Ireland from 1 October 2017. What's more, all new Citroën passenger cars also benefit from a Paintwork Warranty for three years, as well as an Anti-perforation Warranty for 12 years, giving you added peace of mind.

\* 5 year warranty composed of:

- Citroën Manufacturer's warranty for 3 years or 100,000km (whichever comes first).
  - Once the 3 year Citroën Manufacturer Warranty has expired the Local Extended Warranty is valid for a further 2 years.
  - 5 year Unlimited mileage warranty does not apply to vehicles registered as PSVs/Taxis.
- Should the mileage limitation of 100,000km on the Citroën Manufacturer Warranty be reached before 3 years, the Local Extended Warranty is then valid up to a total of 5 years unlimited mileage.

Therefore the total warranty that you are entitled to is 5 years unlimited
