

New Dacia Logan MCV

Network

To find your nearest Dacia dealer, please consult the dealer locator on our website at www.dacia.ie. Alternatively, you can call our Dacia Customer Services helpline on 1890 771 771.

Servicing

The service interval on all versions of Dacia Logan MCV is 1 year or 20,000 km, whichever limit is reached first. Your local Dacia dealer is fully equipped to service your Dacia Logan MCV.

Warranty

Your new Dacia is covered by a standard 3 year / 100,000 km* warranty package. Under the terms of this Warranty, your Dacia dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Dacia. Your new Dacia also comes with a 2 year paintwork warranty, as well as a 6 year anti-corrosion warranty.

Extended Warranty

At Dacia, we don't force you to pay a premium for a longer warranty if you don't want one, but we'll offer you the opportunity to purchase one if you do. By extending your warranty, you'll benefit from ongoing protection from mechanical and electrical failure after the standard manufacturer's warranty has expired. Extended warranties may be purchased at any time up to one year after the first date of registration. You can choose to extend your Warranty to the following levels:

- 5 years / 200,000 kms*

Roadside Assistance

We don't expect it to happen, but we'll ensure help is on hand if it does. In the event of a breakdown, help is just a phone call away with Dacia Assistance. This service is provided 24 hours a day, 365 days a year. We'll provide prompt roadside assistance in Ireland for the first 3 years / 100,000 km*, in line with the terms of the standard manufacturer's Warranty.

* From first date of registration. Expires on the first of the two limits reached.

The utmost has been done to ensure that the content of this publication is accurate and up-to-date when going to press. This document has been created on the basis of pilot lots and prototypes. As part of its ongoing product improvement policy, DACIA reserves the right to modify the specifications, vehicles and accessories described and shown at any time. Such modifications are communicated to DACIA dealers as quickly as possible. New Dacia Logan MCV

Introducing New Dacia Logan MCV

Once upon a time, vast interior space went hand-in-hand with vastly inflated prices. Then, along came New Dacia Logan MCV and times changed. Say hello to a new reality..

With best-in-class boot capacity and ample interior space for five adults, New Logan MCV offers plenty of versatility for the entire family. Every inch a "Maximum Capacity Vehicle", New Logan MCV makes responding to the real demands of life that little bit easier. Whether it's a new piece of furniture or your family and their luggage, New Logan MCV's extraordinary load capacity will get you there with room to spare. With a 573 litre boot which expands to 1,680 litres with the rear seats folded down, transporting large and awkward items is a doddle. New styling features are also bound to impress; including restyled front and rear bumpers, new front grille, and LED day time running lights

For long distance cruising, why not choose the dCi 90 diesel engine, with combined fuel consumption of 3.5 l/100km and CO₂ emissions of just 90 g/km?*

At Dacia, our simple range of cleverly designed cars uses only useful technology. New Dacia Logan MCV offers a groundbreaking combination of practicality and affordability. If you're after technology in your car, Signature trim is for you: the MediaNav fully-integrated touchscreen multimedia system, featuring Bluetooth[®] connectivity and satellite navigation, is standard; and rear parking sensors will give you that added peace of mind. With two simple trim levels, a range of useful options including an extended warranty up to 5 years / 200,000 km, it's easy to tailor a package to suit you.

Dacia Logan MCV. Maximum Capacity. Minimal cost.

Engines

At Dacia, we believe that having an affordable car shouldn't mean having to compromise on engine quality. Rigorous testing of Dacia engines is carried out at our state-of-the-art test centres, with each variant undergoing 20,000 hours of running on the test bench and 800,000 kilometres of test driving.

The Dacia Logan MCV offers you three types of engine.

The new SCe 75 engine offers you 73 hp from its 3-cylinder, 1,000cc engine achieving 5.4 l/100km combined and CO₂ emissions of 120g/km*.

For those seeking ultimate fuel efficiency, the dCi 90 diesel engine achieves 3.5 l/100km combined and only 90g/km CO₂*.
