

BUILT FOR WORK. BUILT FOR LIFE.

Be demanding, be rewarded. FULLBACK IS THE FIAT PROFESSIONAL PICK-UP. Agile, versatile and powerful, Fullback does not know the meaning of words such as "rest" or "too much." That is because it was designed to take on the toughest of tasks, with OVER 4 TONNES OF TOTAL LOADING CAPACITY, UP TO 3.1 TONNES OF TOWING CAPACITY AND 1 TONNE OF LOAD. Furthermore, with its distinctive style and SMALL TURNING CIRCLE (5.9M), Fullback is perfect in town as well.

FULLBACK attracts attention owing to its muscular, aggressive and at the same time soft and elegant lines. Its style reveals all the care and passion of Fiat Professional, resulting in a design conceived to be serviceable to your work.

FULLBACK IS AVAILABLE IN DOUBLE CAB VERSION (5 SEATS), and two trim levels: SX and LX. That is because professionalism is also seen in the possibility of choice that you are given.

Rugged, reliable and practical down to the finest detail, the Fullback is precisely what you expect from a work vehicle. FULLBACK offers you up to one tonne of loading capacity and a 1.52 M LONG CARGO BED. Its overall dimensions (5.2 M LONG, 1.8 M WIDE), also make Fullback the ideal pick-up for your everyday lifestyle. Even after work.

COMFORT

DISCOVER THE PLEASURE OF WORKING HARD.

At Fiat Professional, we know how much time you spend in your work vehicle. That is why we have made **FULLBACK** very comfortable and welcoming, to make sure you never get tired of using it, even after a long, exhausting day at work. Nothing is left to chance: **ERGONOMIC SEATS, SPACIOUS INTERIORS THAT ARE PERFECTLY AIR-CONDITIONED AND SOUNDPROOFED** and a driving position with optimal visibility. Everything is built in a way to maximise comfort.

STEERING WHEEL CONTROLS.

TOUCHSCREEN MULTIFUNCTIONAL RADIO WITH NAVIGATOR.

AUTOMATIC TRANSMISSION.

TECHNOLOGY

INNOVATION.
ANOTHER STRONG
POINT.

In recent years, technology has revolutionised the world of work.

FULLBACK has not been left behind. Featuring state of the art equipment so you can always stay connected to your work, your customers and your appointments, at any time of day or night, wherever you go, and on any terrain. If work never stops, why should you?

TOUCHSCREEN RADIO WITH NAVIGATOR

User-friendly, beautiful to look at, practical to use. It is the navigation and radio control system with a large touchscreen available on Fullback.

REARVIEW CAMERA

The ideal tool for parking with ultimate ease and safety, even in the tightest of places.

BLUETOOTH

Allowing you to answer incoming calls after seeing them on the touchscreen without ever taking your hands off the wheel or your eyes off the road.

CLIMATE CONTROL SYSTEM

Automatically adjusting to the optimal temperature, so you don't feel the heat of summer, or harshness of winter.

USB CONNECTIVITY

Enjoy listening to music stored on your personal device, and skip through tracks via either the touchscreen or steering wheel controls.

KEY-LESS

By just keeping the key in your pocket and simply pressing a button, you can lock and unlock the doors from the outside and start the engine from the inside.

POWER

YOU CAN ALWAYS COUNT ON IT.

AUTOMATIC TRANSMISSION

When the road gets tough, **FULLBACK** delivers its very best and starts to make the difference. Its strength lies in its rugged and flexible chassis and in its engines, which are more reliable, efficient and powerful than ever. Fullback is powered with **AN ALL-ALUMINIUM ENGINE**.

It is a 2.4 LITRE DIESEL engine and is available in the 150 HP or 180 HP versions, with a TOWING CAPACITY of up to 3.1 TONNES. Fullback is also fitted with both the 6-SPEED MANUAL TRANSMISSION and the 5-SPEED AUTOMATIC TRANSMISSION.

The ideal is what you want. Fullback also ensures you will get extremely low fuel consumption and CO₂ emissions. In fact, both versions deliver all the power, torque and efficiency demanded of a pick-up.

DIESEL 2.4 150 HP

Displacement: 2.442 cm³
Emissions standard: Euro 6
Power: 150 HP @ 3.500 rpm
Torque: 380 Nm @ 1.500/2.500 rpm
Injection: Common Rail direct
Traction: 2WD or 4WD
Consumption* l/100km (mpg):
6.9 (40.9)*, 7.5 (37.7)**
CO₂ emissions* (g/km): 180

DIESEL 2.4 180 HP 4WD

**AUTOMATIC TRANSMISSION 4WD

Displacement: 2.442 cm³
Emissions standard: Euro 6
Power: 180 HP @ 3.500 rpm
Torque: 430 Nm @ 2.500 rpm
Injection: Common Rail direct
Traction: 4WD
Consumption* I/100km (mpg):
6.9 (40.9)*, 7.5 (37.7)**
CO₂ emissions* (g/km): 180*/196**
*MANUAL TRANSMISSION 4WD

TRACTION

ALWAYS READY TO GO. **OFF-ROAD**

FULLBACK was built to become the pivot of your work on any terrain. That is also the merit of its **4X4 TRACTION**, now even more efficient and easy to control owing to the exclusive **4WD ELECTRONIC SELECTOR** that allows you to distribute the maximum torque to each wheel. Fullback's exceptional off-road capability ensures no rugged terrain can stop you from enjoying your favourite leisure activities, or achieving more from work. Try it out. It asks for nothing else.

2WD HIGH RANGE

Achieve quieter running and better fuel consumption during normal on-road

4WD HIGH RANGE

Selectable at speeds up to 62 Mph, distributes torque between front and rear axles via a centre differential (CD) with viscous coupling unit (VCU) - the latter permits safer on-road driving in slippery conditions.

4WD HIGH RANGE WITH CD LOCKED

Centre differential locked power is evenly distributed between front and rear wheels, improves traction and manoeuvrability on snow, sand or dirt roads.

4WD LOW RANGE WITH CD LOCKED

Lowered gear ratio provides greater torque for extreme off-road conditions: Climbing and descending steep inclines and powering through deep snow, mud and sand.

4WD ELECTRONIC SELECTOR

SAFETY IS A **GUARANTEE.**

FULLBACK is equipped with a wide range of safety devices designed to guarantee maximum protection and safety of the driver and passengers.

REINFORCED SUSPENSIONS AND BODYSHELL. **BI-XENON HEADLAMPS AND LED DAYTIME RUNNING LIGHTS** for maximum visibility. What's more, Fullback offers you the HILL **HOLDER** system for starting off easily even on an uphill road. That is because among all your work tools, safety cannot be lacking. Never.

In case of an accident, the 7 airbags with which Fullback is fitted contribute to absorbing the impact when opening. In addition to the front airbags, there are also the side and curtain airbags plus one at the driver's knees.

PRE-TENSIONERS

In the case of front impact, the pretensioners automatically tighten the seat belts around the driver and passengers to minimise any impact with the opening of the front airbags.

REINFORCED BODYSHELL

The bodyshell was built with many components in special lightweight steel and with high tensile strength while keeping the level of safety unaltered.

SUSPENSION

The front suspension with double A-arm and stabilizer bar ensure excellent stability both on and off the road. The rigid rear axle with elongated multi-layer leaf springs withstand the maximum stresses of the road surface and ensure stability and comfort, whether empty or with a full load.

SPEED LIMITER

The adjustable speed limiter helps you not to exceed the speed you have pre-set. If this happens, a visual signal associated with an auditory signal warns you and prompts you to reduce your speed.

The Trailer Stability Assist system guarantees perfect stability even when towing. If the vehicle skids, the TSA automatically modulates the engine's power and the braking force on each wheel to give stability back to the vehicle and its trailer.

LDW

When travelling at speeds of over 40 Mp/h the Lane Departure Warning system automatically warns you when the vehicle is dangerously veering from the lane with both visual and acoustic signals.

The ESC offers you exceptional grip and stability by independently managing the braking force on the wheels when taking a curve. It prevents the wheels from skidding, minimises the risk of the vehicle skidding and guarantees perfect traction in all conditions.

HILL HOLDER

Ideal for starting off uphill with ultimate ease, even with a full load. The Hill Holder automatically blocks the vehicle for several seconds without you having to press the brake pedal.

VERSATILITY

MAKES WAY FOR ALL YOUR NEEDS.

There is another field in which Fullback is unbeatable: versatility. Fullback has been expressly designed to offer you the most solutions. By adapting its cargo bed and cabin to your requirements, Fullback can play any role you and your work may need. Turn the page to see what it is capable of.

VEHICLE WARRANTY

With your new Fiat Professional commercial vehicle comes a 36-month warranty starting from the delivery date and without mileage limits. The warranty covers factory defects which will be repaired free of charge and using original or reconditioned parts. Operations under warranty are carried out by Dealerships and include:

- repair or replacement of the faulty part;
- · labour for replacement or repair operations;
- supply of consumables needed to carry out the repairs under Warranty.

During the period of Warranty you can benefit of the advantages of roadside assistance.

WARRANTY ON PAINT WORK

The vehicle is covered against factory defects regarding paint work for 36 months starting from the delivery date. The warranty includes the complete or partial repainting of the vehicle, in order to remove the fault determined according to the Manufacturer's standard conditions.

ANTI-PERFORATION WARRANTY

Structural elements of the body are covered against perforation due to corrosion, as long as this takes place from the inside outwards.

The warranty includes the repair and/or replacement of any original structural element of the body perforated by corrosion, and is valid for a period of 8 years starting from the delivery date.

We recommend that you check the specific coverage conditions in your warranty booklet.

A PRO LIKE YOU.

Recognizing a real pro is simple: just look at the equipment he has chosen for himself. Real pros work with pro tools only. That's why **FIAT PROFESSIONAL** is the best partner you could have, whatever your needs are. Its full **RANGE IS THE FIRST AND ONLY ONE BRANDED "PROFESSIONAL"** and it has been especially designed for specific purposes: yours.

FIORINO

The vehicle that invented the category. Unequalled in agility and capability. Cities love it.
And so do the pros.

TALENTO

Agile, capable and ingenious. It's got the unique talent of transforming problems into solutions and challenges into opportunities. Day by day.

DUCATO

It's the undisputed leader in the world of work: the ground it's based upon. Strong, versatile and indispensable to everyone.

FULLBACK

There's no terrain that can scare it. There's no challenge it can't win. At work. And after.

DOBLÒ

You couldn't ask for a better way to work. You couldn't ask for a better business card.
Simply unique. Just like your job.

THE NEW FIAT PROFESSIONAL RANGE. WORK NEVER STOPS.

BUILT TO WORK 24/7.
