## ***Innovation in your hands.***

360°

Ford C-MAX has practicality in its DNA, helping you get the most out of family life. The Ford C-MAX is a spacious five-seater, while the larger Ford Grand C-MAX has dual sliding rear doors and up to seven seats. The elevated seating position and generous glass area enable you to see more of the road ahead, giving everyone on board a great view of the outside world.

Vehicle shown is the Ford C-MAX Titanium in Frozen White metallic body colour. (Some options not available in RoI)

“I’m hungry”

## Ford SYNC 3 with Voice Control and 8" Touchscreen *Connects with your voice, responds to your touch.*

A new generation of Ford's remarkable SYNC technology enhances the C-MAX experience. **SYNC 3** gives you control of everything from music to satellite navigation, and will even manage phone calls, apps and text messaging – all through simple voice commands. The intuitive 8" colour touchscreen display lets you configure your home screen just how you want it, while AppLink, Apple CarPlay and Android Auto, allow you to bring your smartphone HMI into your car (option).

The new FordPass app lets you access a range of Ford services designed to help make journeys easier and more enjoyable. These include:

- **Live Traffic\*** – delivers up-to-the-minute traffic data for the best-calculated journey times possible
- **Find fuel** – lets you search for refuelling points, refine your search by brand or fuel grade, and compare pricing
- **Parking** – search for available parking spaces, check costs, opening hours and ratings
- **Destinations** – Search for points of interest around your current location or en route to your planned destination. FordPass will automatically send these locations to your SYNC 3 Navigation system when you connect through AppLink

\*Live Traffic access is complimentary for the first 2 years following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a licence fee is payable.

Hands-free tailgate  
*Lends a hand when yours are full.*

Opening or closing your C-MAX tailgate is easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the **hands-free tailgate** (option as part of a pack) will operate without you having to touch a thing. (Some options not available in RoI)

## The story of less fuel, more power.

With turbocharging, direct petrol injection and variable valve timing, our award-winning Ford EcoBoost engines deliver the same performance as larger engines, but with much better fuel economy and lower emissions.

The Ford C-MAX gives you a choice of two outstanding Ford EcoBoost engines:

- The 1.0-litre Ford EcoBoost – six times category winner at the International Engine of the Year awards

## Engineered for economy.

Winner at the International  
Engine of the Year Awards  
for six years running.

Powered by **FORD EcoBoost**

Active Park Assist helps you find a space.

And get in. And get out.

**Active Park Assist** can steer you into parallel or perpendicular parking spaces just 20% longer or wider than the car. Simply push a button and the sensors of this innovative system locate a suitable space as you drive past. Then it automatically steers you in, while you operate the accelerator, brake and gears (following on-screen instructions and audible signals). (Not available in RoI)

**Park-Out Assist** works like Active Park Assist in reverse, helping you manoeuvre out of a parallel space. The system steers while you keep control of the accelerator, brake and gears. When the system has cleared the space, it gives you a 'Take control of steering' message through the cluster. (Not available in RoI)

Enhanced Active Park Assist  
**Let C-MAX park itself.**

**Active Park Assist** will park your C-MAX for you. The system locates suitable parking spaces and can automatically steer you in. It can manoeuvre you out of spaces too. All you need to do is operate the accelerator, brake and gears (Not available in RoI).

## ***C-MAX 5-seats. Flexible space and seating.***

With an adjustable system that offers a variety of seating arrangements to accommodate up to five passengers, the Ford C-MAX provides both comfort and convenience. The rear seats fold and tumble forward or can be completely removed for extra luggage room. Useful safety features include front-to-rear curtain airbags on the first and second rows, power child locks (standard on all Grand C-MAX series, and Titanium only for C-MAX) and seat belt reminders on both front seats.

### **Fully removable seats**

The seats in the Ford C-MAX take adaptability to a new level. The rear seats fold and tumble forward or can be completely removed to create a spacious load area. Interior bike carriers are also available (accessory).

# Grand C-MAX 7-seats. Gives you room to grow.

With dual sliding rear doors and a selection of innovative features, the Ford Grand C-MAX helps you get the most out of family life. As a highly-capable multi-activity vehicle, it's also the latest evolution of Ford kinetic Design. In short, it's the perfect blend of style and substance.

## Grand C-MAX 5+2 seats

Providing a choice of up to seven seats, the Grand C-MAX is both versatile and spacious. All rear seats can fold flat for you to transport large loads.

## Fold flat system with walk-through seats

Second row seats also slide forward and back to optimise legroom, while the seat backs tilt for improved comfort. The centre seat in the second row folds away to create a walk-through to the third row, providing a spacious 2+2+2 layout. (Grand C-MAX)

## Sliding rear doors (Grand C-MAX)

Designed to open and close smoothly with one hand, the sliding doors make life much easier. Getting small children in and out requires less effort, while tight spaces and concrete pillars in car parks are no longer a problem.

## Choose the right C-MAX for you

With all C-MAX series available in both the C-MAX 5-seat and the Grand C-MAX 7-seat model options – there is a Ford C-MAX to suit you, whatever your lifestyle priorities.

Zetec

## C-MAX collection

With all C-MAX series available in both the C-MAX 5-seat and the Grand C-MAX 7-seat model options – there is a Ford C-MAX to suit you, whatever your lifestyle priorities.

## Zetec

### Exterior features

- 16" 5X2 spoke alloy wheels
- Front fog lights
- Body colour power/heated mirrors with integrated side indicators
- Body colour door handles
- Sliding rear doors (Grand C-MAX only)
- Upper front grille with chrome surround
- Anti-lock braking system (ABS)
- Traction Control
- Electronic Stability Control (ESC)
- Ford Easy Fuel capless refuelling system
- Rear Parking Sensors

### Interior features

- Electrically-operated front windows
- Rake- and reach-adjustable steering column
- Driver's manual height and fore/aft seat adjustment
- Front-to-rear curtain airbags on first and second rows
- ISOFIX (International Standards Organisation FIX) child safety seat attachments
- Hill Start Assist
- MyKey
- Air conditioning
- Leather-trimmed steering wheel and gearshift knob
- Driver's manual lumbar seat adjustment
- Radio/CD with 4.2" colour display, and Ford SYNC with Voice Control

## FORD C-MAX Remarkable Technologies

### Driver Alert

Designed to inform you if the system detects driving behaviour that indicates a drop in alertness levels. Initially, a warning icon is displayed in the instrument cluster, asking you to take a rest. If driving alertness further declines, the message is repeated and combined with a chime.

### Premium Sound System

Audio system with CD player, remote audio controls, ten premium Sony speakers, MP3 playback capability, and Ford SYNC 3 with Voice Control and 8" colour TFT touchscreen. (Not available in RoI)

### Integrated sunblinds

Neatly hidden within the rear doors when not in use, the integrated sunblinds can be easily raised to protect rear occupants from the sun's rays.

### Traffic Sign Recognition

Designed to automatically read standard format road-speed signs and display the last posted speed limit in the driver's instrument cluster. Also available with optional Satellite Navigation for enhanced traffic sign recognition.

### Pre-Collision Assist<sup>o</sup>

Active at all speeds, Pre-Collision Assist is designed to help you when it detects an imminent impact with a moving vehicle ahead. First it gives you a visual and audible warning, then, if you fail to react, applies the brakes. (Part of Adaptive Cruise Control)

<sup>o</sup>Uses sensors.

View our remarkable technologies in action at [www.gofurther.com](http://www.gofurther.com)

### Heated steering wheel

Keeps your hands warm and flexible on even the coldest of days.

## FORD C-MAX Remarkable Technologies

### Ford PowerShift

Ford PowerShift delivers the perfect combination between the convenience of an automatic and the performance normally associated with a manual. This 6-speed automatic transmission cleverly selects the next appropriate gear at precisely the right moment for lightning-fast gear changes, with no disruption to the flow of power.

### Lane-Keeping System\*

**Lane-Keeping Alert** is designed to help the driver keep the vehicle within its driven lane. Steering wheel feedback alerts you if an unintended lane departure is likely to happen. While **Lane-Keeping Aid** applies a steering torque back towards that lane, in the event of an unintended departure. (Not available in RoI)

\*Available at speeds over 65 km/h on highways and interurban roads with visible markings. **Lane-Keeping System** can be overridden by the driver or the turn indicator at any time.

### Blind Spot Information System<sup>o</sup>

As another vehicle – car, van or lorry – enters your blind spot, the system alerts you with a discreet warning light built into the driver's and passenger's door mirrors. (Not available in RoI)

### Ford Easy Fuel capless refuelling system

No dirty fuel caps to touch. Plus Ford Easy Fuel with its unique safeguard ensures nobody accidentally fills up with the wrong fuel.

### Adaptive Cruise Control<sup>o</sup>

Helps maintain a preset gap between your Ford C-MAX and the vehicle ahead. If the vehicle in front slows down, the system decelerates. When the gap widens, your vehicle returns to the desired speed. (Not available in RoI)

<sup>o</sup>Uses sensors.

View our remarkable technologies in action at [www.gofurther.com](http://www.gofurther.com)

### Ford MyKey

This innovative feature lets you tailor and limit car settings – like top speed, with a maximum speed setting of 140 km/h (87 mph), and audio volume – to suit individual users. MyKey also lets you prevent certain driver assist technologies from being deactivated.

## FORD C-MAX Remarkable Technologies

### Bi-Xenon headlights

This intelligent system detects different road conditions and selects the appropriate beam pattern for enhanced illumination. While distinctive **LED daytime running lights** provide greater safety while driving. (Not available on Rol)

### Auto High Beam\*

When oncoming traffic is detected, the headlights dip automatically, then revert to high beam when the vehicle has passed.

\*Auto High Beam only available in conjunction with Lane-Keeping Aid (part of the Lane-Keeping System).

### Ford KeyFree System

Lock or unlock the doors without ever holding the key. Just keep the key fob with you in your pocket or bag.

## FORD C-MAX Personalise (accessories)

### Load retention systems

Robust retention systems\* keep luggage safely in the load compartment. Guards fitted behind the first row of seats are only available as an option. Whereas guards fitted behind the second row of seats are available as an option and accessory for C-MAX, and as an accessory only for Grand C-MAX. The Grand C-MAX also offers the choice of a load retention net (accessory).

### Rear spoiler

Gives an aerodynamic finish to the roof line. Not available on Grand C-MAX (accessory).

### Tow bars

The retractable tow bar is constantly stored out of sight below the rear bumper and will be electrically-released when needed for towing, thereby retaining the car's sleek looks (accessory). Also available is a detachable tow bar (accessory) as well as fixed tow bar (accessory). While towing, the standard Electronic Stability Control (ESC) ensures that trailer sway is counteracted.

### Roof racks

Sturdy and lockable roof racks allow you to transport loads safely and easily. Base carriers are available for C-MAX (accessory), whereas crossbars (accessory) are available for Grand C-MAX models fitted with roof rails (accessory). They form the basis for various available roof attachments (accessory).

### Uebler+ rear bike carrier

High-quality tow bar-mounted bike carrier features a practical tilting mechanism for easy access to the load compartment. (Accessory)

### Load compartment protection

A durable load compartment tray with the C-MAX nameplate is available (accessory), as well as a reversible load compartment mat with carpet and C-MAX logo on one side, and a durable rubber surface on the reverse (accessory). Both are ideal for transporting wet or dirty items.

### ClimAir®+ wind deflectors

Allow fresh air to enter the vehicle while driving with the front and rear windows down, even during light rain or snow. (Accessory)

### All-weather floor mats

All-weather floor mats are tailor-made to fit your Ford perfectly and protect against dirt and damp. Securely fixed directly onto the vehicle's floor, the mat cannot slip and interfere with the pedals. (Accessory)

### Mudflaps

Contoured mudflaps help to keep your Ford clean by reducing road spray. Available as sets for front and rear. (Accessory)

<sup>00</sup> The test used to establish fuel consumption and CO<sub>2</sub> figures has changed to deliver results that are more representative of real driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption and CO<sub>2</sub> figures shown are derived from the new WLTP test. Please note that vehicle registration tax (VRT) is not based on these WLTP figures in 2019, these figures are for information purposes only. Understanding fuel data. The table above shows the fuel consumption (WLTP) and CO<sub>2</sub> emissions (WLTP) for each available engine when fitted on a standard specification C-MAX (with no options or accessories). Adding options or accessories to your chosen vehicle can impact WLTP fuel consumption and CO<sub>2</sub> emissions. Please speak to your Ford Dealer for more information. The fuel consumption you achieve in real life conditions and CO<sub>2</sub> produced will depend upon a number of factors including options and accessories fitted, variations in weather, driving styles and vehicle load. The declared Fuel/Energy Consumption, CO<sub>2</sub> Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behavior as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO<sub>2</sub> emissions and electric range. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel economy & CO<sub>2</sub> emissions which contains data for all new passenger car models is available at any point of sale free of charge. <sup>a</sup>Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. **Towing limits** quoted represent the maximum towing ability of the vehicle at its **Gross Vehicle Mass** to restart on a 12% gradient at sea level. The performance & economy of all models will be reduced when used for towing. **Nose weight limit** is a maximum of 75 kg on all models. **Gross Train Mass** includes trailer weight.

\*CO<sub>2</sub> figure with standard tyres fitted. 136 (g/km) when fitted with all season tyres.

## FORD C-MAX Comfort and convenience

Discover more great Ford C-MAX features.

### Ambient lighting

C-MAX's ambient lighting casts a gentle glow on the centre console, door pockets, door release handles and front footwells. Offering seven different accent colours, from warm red to cool blue and everything in between, you can pick a tone for each day of the week.

#### Interior Lighting

- Courtesy lights – Front and rear LED reading lights with on/off functionality (zetec without panorama roof has halogen light without reading lights)
- Courtesy lights – Ambient LED courtesy lighting with dimming function (only available with premium centre console)
- Courtesy lights – Footwell area, front and rear reading lights
- Glovebox illumination

#### Seating

- Front seats – Comfort-style
- Front seat – Driver's manual lumbar support adjustment
- Front seat – Driver's manual height and fore/aft adjustment
- Front seat – Passenger's manual lumbar support adjustment
- Front seat – Passenger's manual fore/aft adjustment
- Front seat – Passenger's manual height and fore/aft adjustment
- Front seats – Heated cushion and seatback, with 5 variable positions
- Front seats – Height-adjustable head restraints
- Rear seats – Three second row individual seats, with height-adjustable head restraints, 'Tip and tumble' with 40:20:40 split back and cushion (all seats are foldable and removable) (C-MAX only)
- Rear seats – Three second row individual seats, with height-adjustable head restraints, 'Tip and tumble' with 40:20:40 split back and cushion (all seats are foldable and removable) (outer seats also slide diagonally, backward and inward) (centre seat can be folded to an armrest) (C-MAX only)
- Rear seats – 40:20:40 split back with centre seat fold away (seat cushion and back), sliding, reclining and flat floor – with no tip and slide (easy entry) for 5-seater, with tip and slide (easy entry) for 7-seater, height-adjustable head restraints (centre seat folds away to create walk-through access to third row seats) (Grand C-MAX only)
- Rear seats – Two third row individual fold-flat seats, with height-adjustable head restraints (seats are foldable to a flat floor), also with 3-point (Grand C-MAX only)
- Rear seats – Third row outer armrests with lidded stowage compartments and cup holders (Grand C-MAX only)

All C-MAX Models

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. **+** The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are instead covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
