THE FORD SUV FAMILY

EcoSport

Kuga

Edge

Go anywhere. Do anything.

A weekend break. Your drive to work. The nimble shortcut. The scenic route... wherever you go, Ford EcoSport delivers fun and confidence with every drive.

All the rugged functionality of an SUV. All the dynamic spirit of a compact city car. Discover a combination of smart design, impressive engineering, intelligent technology and a host of exciting ways for you to personalise your EcoSport.

Spacious, eye-catching and athletic: it's the perfect SUV for the city arena, plus so much more.

Ford EcoSport Titanium shown in optional Silk metallic body colour and 18" Flash Grey alloy wheels.

Ford EcoSport Titanium shown in optional Ruby Red special metallic body colour and 18" Flash Grey alloy wheels.

Get more in.

EcoSport delivers all the space you need to support an active lifestyle. Tumble-fold split rear seats give you the room and flexibility to increase your load space. While clever little storage compartments allow you to stow smaller items neatly.

Get out more.

The place to be.

EcoSport's sophisticated interior surrounds you with eye-catching design, beautifully crafted materials and sumptuous comfort features. While an array of advanced technologies are at your command, such as Electronic Automatic Temperature Control (EATC), Blind Spot Information System (option), automatic headlights, plus SYNC 3 Navigation and voice control, taking care of all the little details so you can concentrate on enjoying the drive.

- Control music, navigation, phone calls and text messaging using only your voice
- Automatic headlights are designed to detect failing levels of natural light and activate your headlights for you

Heated steering wheel

Easily activated at a push of a button, EcoSport's optional heated steering wheel provides an additional layer of comfort between you and the cold outside.

Ford EcoSport ST-Line interior with Miko Dinamica partial leather in Ebony seat facing, with Salerno leather in Ebony seat bolster.

Meet your phone's new best friend.

Ford SYNC 3

Car journeys need not be a disruption to your connectivity. New **Ford SYNC 3** integrates seamlessly with your smartphone, letting you control everything from phone calls and text messaging to music and satellite navigation – all via the 8" touchscreen or through remarkably simple voice commands.

Sync 3 Features:

- Manage your phone, music, apps, and navigation with simple voice commands
- Hear your text messages read aloud for you
- Receive clear turn-by-turn directions to any destination
- View local traffic reports or customise settings between full, split-screen or 3D map views
- Emergency Assistance[†] helps occupants place an emergency call to provide emergency services with the vehicle location in their respective language

Touchscreen

The SYNC 3 touchscreen supports multi-touch 'swipe' and 'pinch-to-zoom' gestures, and lets you arrange application icons and background displays just as you would on your tablet or smartphone. You can also switch between daytime and night modes, and tailor presets for multiple users.

AppLink, Apple CarPlay and Android Auto

Control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you navigate your smartphone HMI through the SYNC 3 home screen, just as if it were your handset.

Please note:

Full SYNC 3 smartphone integration only available with iPhone 5/Android 5.0 (Lollipop) or higher. Some SYNC 3 functions require a data connection, so mobile data charges will apply. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information. [†]Ford Emergency Assistance is an innovative SYNC feature that uses a Bluetooth[®]-paired and connected mobile phone to help vehicle occupants initiate a call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

"Call John"

"Listen to message"

"Find town centre"

"I need fuel"

"I need to park"

"I'm hungry"

| SYNC

It sounds live with B&O PLAY.

B&O PLAY

Whatever your taste in music, from classic tracks to modern anthems, it deserves to sound the way the artists intended. Ford's exciting new optional 675 watt, 10-speaker audio system from B&O PLAY delivers exactly that. Exclusively designed and fine-tuned for EcoSport by specialist B&O PLAY acoustic engineers, it elevates the experience of every journey. And the distinctive speaker designs perfectly complement EcoSport's stylish interior.

- Model specific sound calibration
- 10-speaker premium sound system
- Dual voice subwoofer
- Surround sound
- 675 W power output
- Unique B&O PLAY design

Rooted in the rich 90-year heritage of Bang & Olufsen, the audio products of B&O PLAY deliver a superior quality of sound precision, through iconic designs at the forefront of contemporary style.

- Tweeter
- Midrange
- Woofer
- Dual voice subwoofer

Add extra style.

Contrasting coloured roof⁺

Choose from a diverse collection of body colours with contrasting roof, rear spoiler and door mirror combinations, plus optional alloy wheels – all intended to further enhance the beautiful exterior and help make your new Ford EcoSport as unique as you.

⁺Standard on ST-Line and optional on Titanium; available with standard and selected optional body colours only.

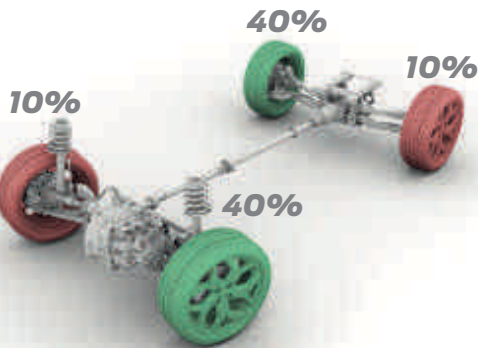

Ford EcoSport ST-Line shown with optional Shadow Black body colour and Tiger Eye contrasting roof (left); and optional Blue Lightning metallic body colour with Shadow Black contrasting roof (right). Both vehicles shown with optional 18" Shadow Black machined alloy wheels.

Follow your own path.

Intelligent All-Wheel Drive system (AWD)

Ford EcoSport's Intelligent All-Wheel Drive system continually monitors your driving environment, optimising traction whatever the surface, to direct power between wheels as required. A display on the cluster panel shows the amount of drive going to each wheel, helping you stay alert to any changes in the road conditions. Available from mid 2018.

Ford EcoSport ST-Line in Race Red solid body colour, with Shadow Black contrasting roof and optional 18" Shadow Black machined alloy wheels. The roof ski/snowboard carrier shown in main image is no longer available on EcoSport.

*See
more.*

HID xenon headlights

The Ford EcoSport HID xenon headlights are more than twice as powerful as conventional headlights, but use only two-thirds of the energy. (Option)

See and be seen from all angles

HID headlights give you increased visibility in poor conditions.

360°

Ford EcoSport Titanium with optional White Platinum special metallic body colour and 18" Flash Grey alloy wheels.

Take Command.

EcoSport delivers a more satisfying, self-assured drive. With its high driving position giving outstanding visibility, you see more of what's going on around you. Add to that 190 mm of ground clearance, and you can make easy work of potholes and puddles.

- High driving position
- High ground clearance
- Increased visibility

Ford EcoSport ST-Line including Ford SYNC 3 with satellite navigation and 8" touchscreen.

Styled for sport.

EcoSport ST-Line

ST-Line delivers all the dynamic practicality of the Ford EcoSport, with additionally eye-catching sports inspired style. Unique ST-Line bumpers and side skirts, Dark Tarnish alloy wheels, ST-Line exterior branding, plus contrasting roof, rear spoiler and door mirrors – all contribute to the car's unique blend of usability and head-turning good looks.

This distinctively stylish image echoes through the ST-Line interior – with its unique ST-Line leather-trimmed steering wheel, black gearshift insert and stainless steel sports pedals, all emphasising the sports inspired character of its design.

Vehicle shown is a Ford EcoSport ST-Line with contrasting roof in standard Shadow Black mica, plus optional Tiger Eye metallic body colour and 18" Shadow Black alloy wheels.

The story of less fuel, more power.

Ford EcoBoost. Sub 1-litre International Engine of the Year 2017.

The diamond-like coating on the piston rings reduces friction; the turbocharger, direct injection and variable valve timing boost efficiency. The result is remarkable performance from such an economical petrol engine. **Winner at the International Engine of the Year Awards** for six years running, the 1.0-litre Ford EcoBoost is available in 1125 PS and 140 PS versions.

Engineered for economy.

With the help of **Ford ECONetic Technology**, EcoSport's latest engines are remarkably fuel-efficient. The 1.0 Ford EcoBoost 125 PS petrol engine achieves an impressive 5.2 L/100 km*, with only 119g/km of CO₂ emissions*.

Powered by **FORD EcoBoost**

*NEDC test figures. See Fuel & Performance section for more information.

Winner at the International Engine of the Year Awards

FORD ECOSPORT Models

ST-Line

Standard exterior features additional to Titanium

- 17" 5-spoke Dark Tarnish alloy wheels
- Black-finish roof rails
- Black headlight bezels
- Large rear spoiler
- Contrasting coloured roof*
- Unique ST-Line bumpers and side skirts

Standard interior features additional to Titanium

- Front door scuff plates with ST-Line script
- Sports pedals with stainless steel inserts
- Leather-trimmed steering wheel with red stitching
- Leather-trimmed handbrake handle and gearshift gaiter with red stitching
- Front and rear velours floor mats with red stitching

Engines

Petrol

1.0 Ford EcoBoost (125 PS)

Diesel

1.5 Duratorq TDCi (100 PS)

- Black headlight bezels

- Leather-trimmed steering wheel with red stitching

*Standard roof is in Shadow Black (unless chosen body colour is Shadow Black, then Tiger Eye roof is standard). All other contrast roof variations are optional at no extra cost.

Paddle Shifters

Six-speed automatic transmission delivers a smooth, relaxing driving experience, especially in busy stop-start traffic. Change gear manually if you prefer, using the steering wheel-mounted paddle shifters (available with automatic transmission only).

Sunroof

An electrically-operated sunroof gives more beautiful views of surrounding scenery from the comfort of your EcoSport. A solar reflective coating helps keep the interior cool when closed, while an internal sunblind provides extra shade when you need it. (Option)

Blind Spot Information System

Blind Spot Information System will alert you via discreet warning lights built into the driver and passenger's door mirrors, when it detects another vehicle - car, van or lorry - entering your blind spot while driving. (Option)

Front and rear parking distance sensors

With Ford EcoSport you won't have to pass by those more challenging parking spaces. An audible warning helps you judge the distance between your car and obstacles at the back, for easier parking and manoeuvring. (Front sensors are optional)

Quickclear heated windscreen

A heated element built into the windscreen is designed to clear the glass of frost and condensation in seconds, even on the coldest mornings.

Detachable tow bar

For extra transport and stowage capability, the tow bar can tow up to 1,100 kg depending on engine. The tow bar can be detached if not in use. (Option and accessory)

Sit back and relax.

The look and feel of premium materials will enhance your appreciation of EcoSport's stunning interior. Sumptuous front seats provide outstanding comfort and support, while great care has been taken in designing and crafting trims for your Ford EcoSport, to further elevate the overall driving experience.

FORD ECOSPORT Accessories

Load compartment tray

Durable tray, designed to keep the load compartment clean and tidy, ideal for transporting wet or dirty items. (Accessory)

Detachable tow bar

For extra transport and stowage capacity, the tow bar can tow up to 1,100 kg depending on engine (check with your Ford Dealer for further details). The tow bar can be detached if not in use. (Option and accessory)

Uebler+ rear bike carrier

High-quality tow bar-mounted bike carrier with optional practical tilting mechanism (depending on bike carrier model), for easy access to the load compartment. (Accessory)

Thule®+ roof bike carrier

High-quality, easy-to-install roof bike carrier from Thule®. (Accessory)

Thule®+ roof box

Designed to carry a wide variety of loads and protect them from weather and theft. All offered models come with dual-opening for easy access. (Accessory, available in various sizes)

Crossbars, for roof rails

Sturdy crossbars (only to be used with roof rails) allow you to transport loads easily. (Accessory)

Mudflaps

Contoured mudflaps help to protect the bodywork of your Ford EcoSport from stone chips and road spray. Available as sets for front and rear. (Option and accessory)

All-weather floor mats

All-weather floor mats with the Ford EcoSport nameplate are tailor-made to fit perfectly and protect against dirt and damp. The driver's mat is securely fixed directly onto the vehicle's floor to help prevent it from slipping. (Accessory).

*In 4th gear. **Preliminary data to be confirmed. *Ford test figures. The declared Fuel/Energy Consumptions, CO₂ emissions and electric are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under www.simt.ie. For further information see www.seai.ie. DPF = diesel particulate filter. BP Ultimate can boost power and acceleration, lower exhaust emissions and improve fuel economy, compared with ordinary fuels. *Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc, fitted. The performance and economy of all models will be reduced when used for towing. Roof load weight limit is a maximum of 40 kg on all models.

Most powerful

1.0 Ford EcoBoost (140 PS)
CO₂ emissions 119 g/km

Lowest emissions

1.5 TDCi (100 PS)
CO₂ emissions 107 g/km

FORD ECOSPORT Dimensions

Height: 1,653 mm
Height (with roof rails): 1,713 mm

Width: 1,765 mm
Width (with mirrors): 2,057 mm

Power-foldable mirrors

Neatly folding door mirrors for when parking in narrow spaces.
Electrically-operated for added convenience.

Length: 4,096 mm

Tumble-fold split rear seats

Fold-down the 60:40 rear seats and you get 1,238 litres of space in the back. The seats can also tumble forward to make room for taller objects.

own

When you drive away in your new car, we're with you all the way. Ford has a large authorised service network to help you keep your car in the best condition.

And should your new Ford ever require accident repair, a Ford Accident Repair Centre is the best place to get your car back to its pre-accident condition and on the road as quickly as possible.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. ♦The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are instead covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
