Applink, Apple CarPlay and Android Auto

Control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto allow you to navigate your smartphone HMI through the SYNC 3 home screen, just as if it were your handset.

> Ford SYNC 3

Connects with your voice, responds to your touch.

New **SYNC 3*** gives you control of everything from music and satellite navigation[®], to phone calls, apps and text messaging – all through simple voice commands. The intuitive 8" colour touchscreen now has pinch and swipe functionalities, and will let you configure your home screen just how you want it.

*SYNC 3 is standard on all series.

©SYNC 3 satellite navigation is optional for Titanium, ST-Line and Vignale.

Active Park Assist helps you find a space.

Active Park Assist can steer you into parallel or perpendicular parking spaces just 20% longer and 50% wider than the car. The sensors of this innovative system locate suitable spaces as you drive past. Then, with the simple push of a button, it will automatically steer you in while you operate the accelerator, brake and gears (following on-screen instructions and audible signals).

Park-Or-Park Park-Out Assist works like Active Park Assist in reverse, helping you When the system has cleared the space, it gives you a 'Take control

centre display screen.

205

> Active Park Assist Let Kuga park itself.

Active Park Assist will park your Kuga for you. The system locates suitable parking spaces and can automatically steer you in. It can manoeuvre you out of spaces too. All you need to do is operate the accelerator, brake and gears. (Option)

Experience a new expression of Ford with Kuga Vignale. Ford Vignale is a unique ownership experience. It appreciates the value of your time with services and benefits that help you make the most of this precious commodity. The vehicles themselves shine with craftsmanship and attention to detail. Check our Kuga Vignale brochure for more information.

VIGNALE

21

Ford Kuga Vignale, with optional Milano Grigio body colour and exclusive Vignale design optional 19" alloy wheels.

Choose the right Kuga for you

| With its elegant design, impressive integrated technologies, and superb range of engines, a Ford Kuga is the perfect choice.

Luxury

Premium materials and additional technologies deliver superior levels of sophistication and comfort.

With unique design features and exclusively sourced soft-touch leathers, Kuga Vignale places you within a world of contemporary luxury.

Sport

Distinctive exterior bodystyling and interior detailing, enhance the sports inspired character of the Kuga ST-Line.

FORD **KUGA** Remarkable Technologies

HID headlights with dynamic bending

Ford Kuga's HID bi-xenon headlights are more than twice as powerful as conventional headlights, but use only two-thirds of the energy. Also includes static cornering lights and headlight washers, plus progressive beam, Auto High Beam*, dynamic bending, and LED daytime running lights. (Option)

Electric Parking Brake (EPB)

For ease of operation, a simple switch located neatly on the centre console activates the Electric Parking Brake (EPB), allowing you space for extra storage between front seats. The EPB will automatically release as you pull away.

Retractable tow bar

Electrically released tow bar is there when you need it, but can be tucked away out of sight for uncompromised styling and easier access to load space. A detachable tow bar is also available, as well as a fixed tow bar (accessory). While towing, the standard Electronic Stability Control (ESC) ensures that trailer sway is counteracted.

Zetec 🔞 🕝 Titanium 7 Vignale V V ST-Line SL SL

Blind Spot Information System of with Cross **Traffic Alert**

Designed to alert you when another vehicle (a car, van or lorry) enters your blind spot – with a discreet warning light built into both door mirrors. Cross Traffic Alert scans left and right as you reverse from a perpendicular or angled parking space, providing visual and audible alert warnings when an approaching vehicle is detected.

†Designed to operate at speeds above 10 km/h. *Progressive and Auto High Beams only available when front camera is fitted.

Opening or closing Kuga's liftgate is easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the hands-free liftgate will operate without you having to touch a thing.

Sports style paddle shift levers mounted on the steering wheel allow for faster and more efficient up and down shifts while driving in manual select-shift

*In 4th gear. °Ford test figures. °°The declared Fuel/Energy Consumptions, CO₂ emissions and electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contains data for all new passenger car models is available at any point of sale free of charge or can be downloaded under www.simi.ie. For further information see www.seai.ie. **DPF** = diesel particulate filter. All engines include Auto-Start-Stop.

**Figures with 20" wheels.

Heated steering wheel

Easily activated at a push of a button or via your SYNC 3 system, Ford Kuga's heated steering wheel provides an additional layer of comfort between you and the cold outside.

Colours to match your mood

Kuga's ambient lighting casts a gentle glow on the centre console, door pockets, door release handles and front footwells. Offering seven different accent colours, ranging from warm red to cool blue, you can pick a tone for each day of the week.

Quickclear heated windscreen

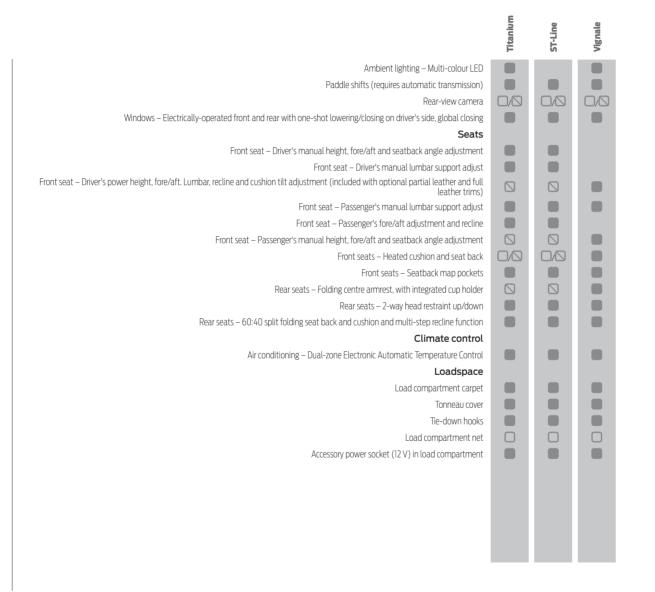

A heated element built into the windscreen is designed to clear the glass in seconds, even on frosty mornings.

19" 5x2-spoke alloy wheels (Fitted with 235/45 tyres)

A smaller wheel and larger tyre makes for a quieter, more comfortable drive. A larger wheel with a smaller (low profile) tyre offers a sportier performance.

Note All alloy wheels are also available as accessories through your local Ford Dealer at extra cost.

FORD **KUGA** Personalise

Rear bumper protection

The durable protection foil, designed for painted bumpers, protects against daily wear and tear without compromising the look of your Ford Kuga. (Accessory)

Load retention systems*

Robust retention systems keep items of luggage safely in the load compartment of your Ford Kuga. The guard behind the second row is available as an option only because the fixing brackets cannot be retrofitted (option). Installation of the first row guard (accessory, but not in combination with panorama roof) also requires these optional fixation brackets.

Tow bars

The retractable tow bar is constantly stored out of sight below the rear bumper and will be electrically-released when needed for towing, thereby retaining the car's sleek looks (option and accessory). Detachable and fixed tow bars are also available as accessories. While towing, the standard Electronic Stability Control (ESC) ensures that trailer sway is counteracted.

ClimAir®+ wind deflectors

Reduces wind turbulence and noise, allowing you a more enjoyable drive with the front and rear windows down, even during light rain. (Accessory)

Mudflaps

Contoured mudflaps help to protect the bodywork of your Ford Kuga from stone chips and road spray. Available as sets for front and rear. (Option and Accessory)

All-weather floor mats

All-weather floor mats with the Kuga nameplate are tailor-made to fit perfectly and protect against dirt and damp. Securely fixed directly onto the vehicle's floor, the mat cannot slip and interfere with the pedals. (Option and/or accessory)

Uebler* rear bike carrier

High-quality tow bar-mounted bike carrier from Uebler. Features practical tilting mechanism for easy access to the load compartment. (Accessory)

Load compartment tray

Durable tray, designed to keep the load compartment clean and tidy, ideal for transporting wet or dirty items. (Accessory)

Thule®+ roof attachments

An array of roof attachments such as roof boxes, bike, ski and snowboard carriers are available. (Accessory)

Crossbars

Sturdy crossbars (only to be used with roof rails) allow you to transport a range of loads safely and easily. (Accessory)

Roof rails

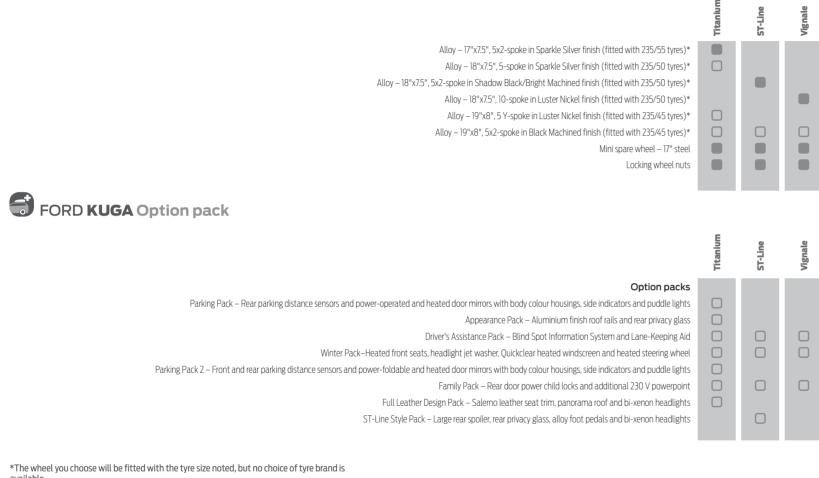

Stylish roof rails (option and accessory) enhance your Ford Kuga's appearance and versatility in combination with crossbars. (Accessory)
