

The all-new Kia  
**picanto**

The Power to Surprise

## A compact with **supersized style.**

There's a lot to love about the all-new Picanto's sporty design. From dynamic lines to bold style accents like the new Kia signature grille and bumper, it's a chic model that's ideal for zipping around. Plus, with a choice of 7 exciting body colours to choose from, you can pick the car that's perfect for you.

## A compact that's **big on space.**

Think a compact can't be big on space? Think again. The all-new Picanto feels surprisingly spacious, with generous dimensions for head, shoulder and legroom – even in the rear. With Bluetooth as standard, and Smart Cruise Control and a Supervision Cluster in the EX range, the interior of the all-new Picanto is geared to keeping you smiling.

## A car you can count on.

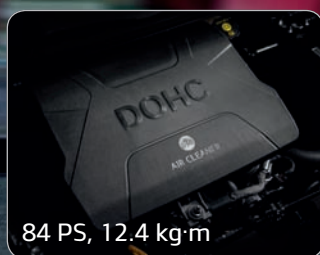

The all-new Picanto's engines are reliable, efficient and perfectly geared for all your journeys.

67 PS, 9.8 kg·m

### Kappa 1.0 MPI engine

With a centre-OCV CVVT valve-train, the smooth-running, 67 PS, 1.0-litre MPI engine combines efficiency, power and dynamic performance.

84 PS, 12.4 kg·m

### Kappa 1.2 MPI engine

The 84 PS, 1.2-litre, dual-CVVT MPI engine with piston-cooling jets and coated piston rings is feisty and capable, while remaining quiet and efficient. EX Auto only.

### Automatic transmission

The 4-speed automatic transmission offers quiet operation and shift points that are set to maximize smoothness - even in stop-and-go city traffic.

### Manual transmission

The 5-speed manual transmission features friction-reduction measures for lasting performance, and lets you select gears quickly.

## Advanced High-Strength Steel and hot-stamped steel (AHSS)

The all-new Picanto uses more than 44% Advanced High-Strength Steel (AHSS), as well as hot-stamped components in the core stress areas. This greatly improves average body tensile strength and rigidity – enhancing cabin protection and improving dynamic performance.

### Front/side/curtain/knee airbags

To help protect occupants and potentially reduce injuries in the event of a collision, the all-new Picanto offers driver and front passenger airbags, two front-side airbags, two side-curtain airbags and an optional driver's knee airbag.

## Uncompromising protection.

The all-new Picanto is serious about keeping you protected. With advanced active safety features and rigorous attention to detail, it's built to offer you full peace of mind.

### HAC (Hill-start Assist Control)

When at a standstill on an incline, HAC prevents you from rolling backwards. It gently applies the brakes from the moment you lift your foot from the brake pedal, giving you time to switch your foot smoothly to the accelerator.

### ESC (Electronic Stability Control)

ESC ensures optimal braking performance and directional control. It automatically delivers the right amount of braking force to each wheel, based on an evaluation of engine torque and driving conditions.

### Autonomous Emergency Braking

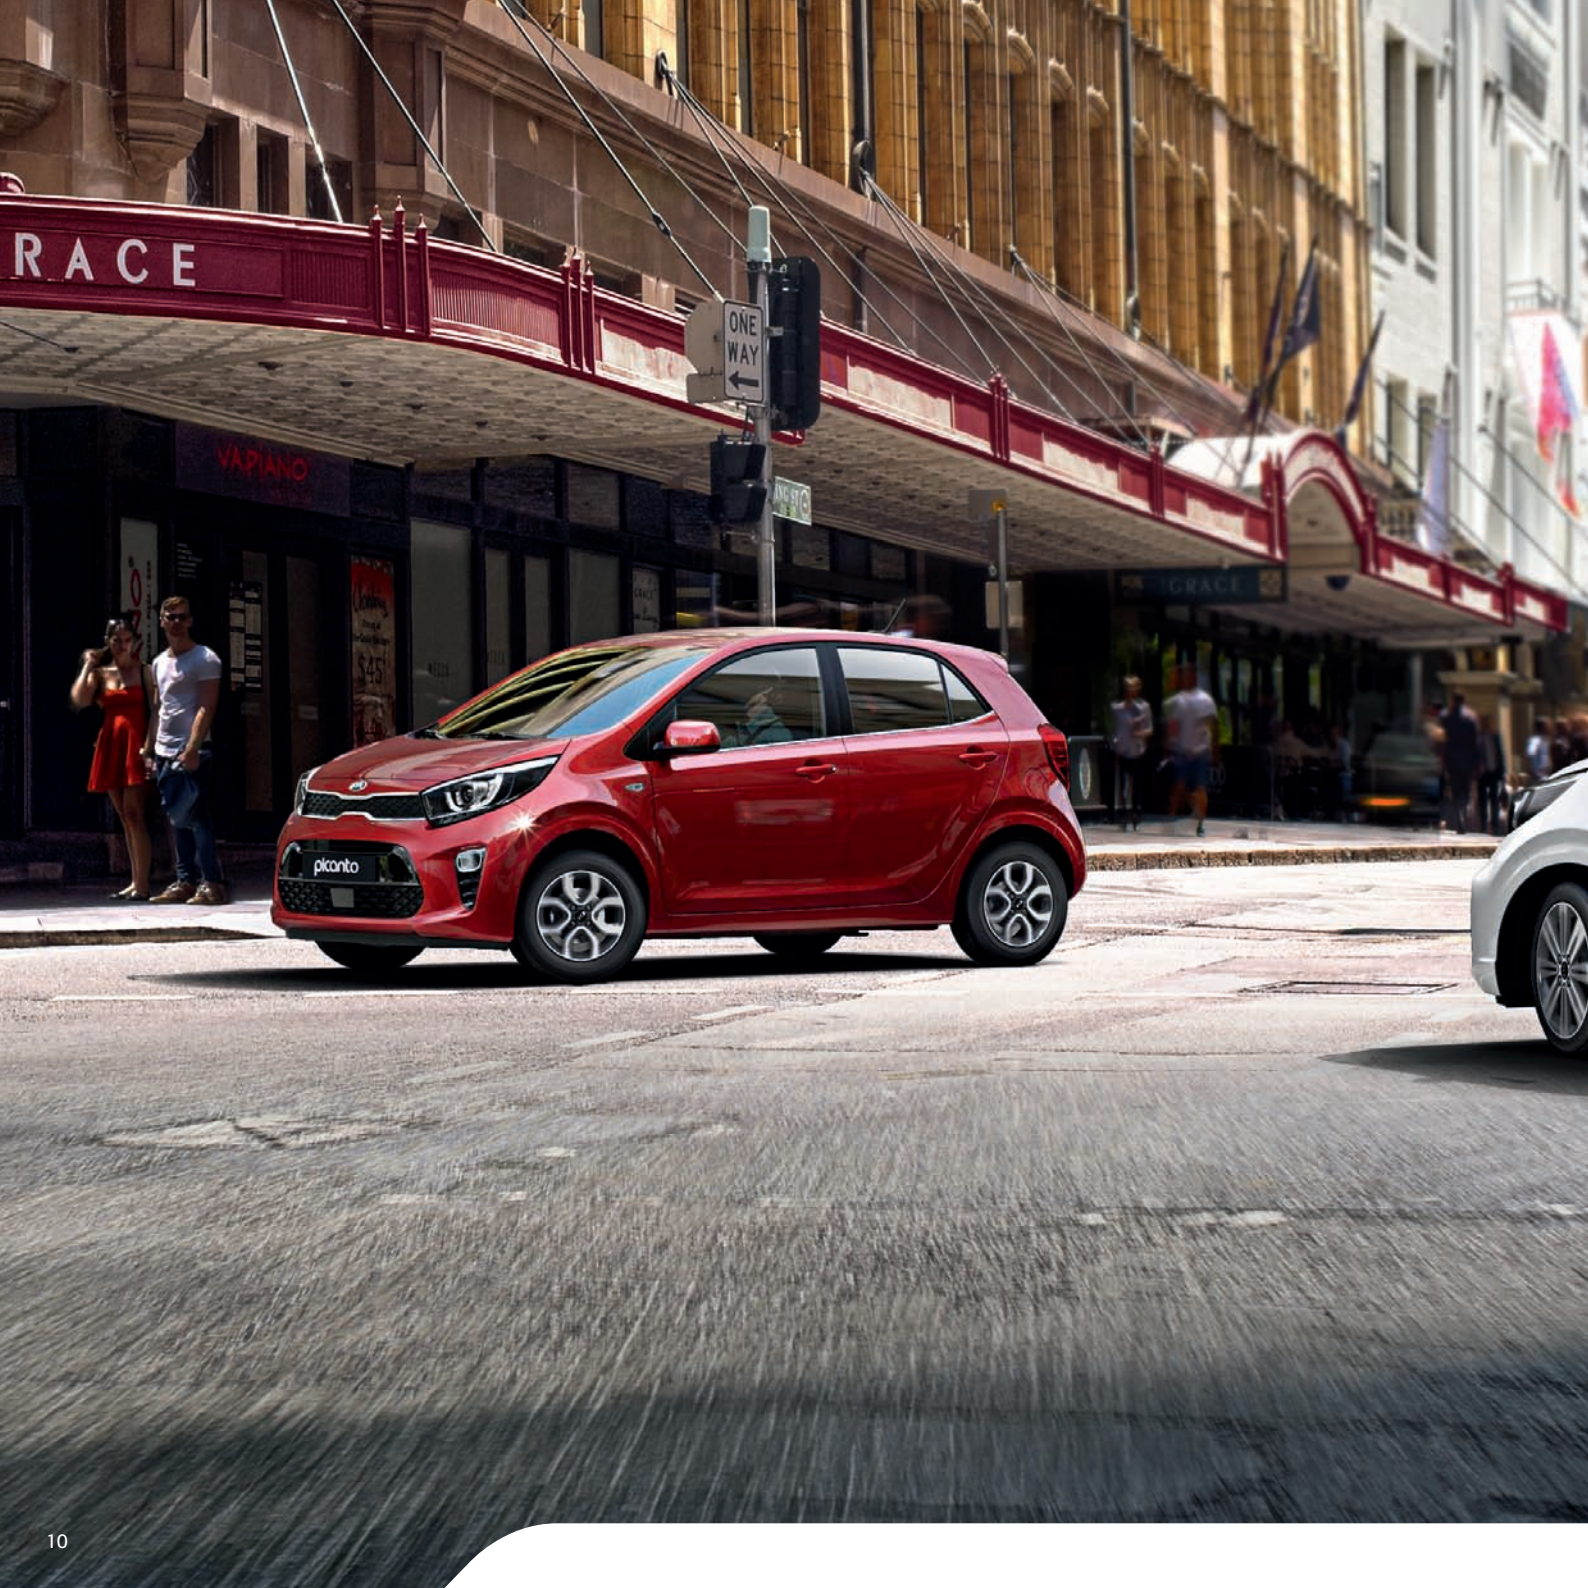

The Picanto EX ADAS model combines radar and camera data to detect the risk of a collision. If the distance between a car or pedestrian ahead is too small, the brakes are automatically applied.

### TPMS (Tyre Pressure Monitoring System)

Measuring sidewall stiffness and wheel radius, TPMS alerts you when a tyre needs pressure adjustment by displaying the information on the cluster screen.

## All the peace of mind you'll need.

### 7-year vehicle warranty

Every Kia benefits from a 7-year/150,000 km new car warranty. This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule.

### 5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

### Stay in touch with Kia

Visit [www.kia.com](http://www.kia.com) for all the latest news. Find out more about Kia and our exciting new car range. Get updates on achievements in alternative fuel development, like liquid gas, hybrid and fuel cell technology. Or discover what our Environment Research Centre is working on.

We're also involved in major sporting events: Kia is an official partner of both UEFA and FIFA. We sponsor the Australian Open and the tennis star Rafael Nadal.

### Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Please ask for details.

#### The Kia 7-year warranty

7-year/150,000 km new car warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar), subject to local terms and conditions.
