

The Power to Surprise

The 2019  
**SPORTAGE**

The background of the advertisement is a photograph of two Kia Sportage SUVs parked on a paved driveway in front of a modern house. A large red semi-transparent banner is overlaid on the top half of the image, containing the text. The scene is brightly lit, suggesting a sunny day, with long shadows cast across the driveway.

The Kia Sportage

# For journeys, not just destinations.

The Kia Sportage is all about offering you more than you'd expect. More breathtakingly distinct design. More cutting-edge technologies. More advanced features to enhance your comfort and safety. More reasons to get out and seize each day. It's about discovering a whole new way of seeing the world. Exploring. Venturing out. Going far and not so far. Finding new adventures, and new places. With so much innovation, style and comfort to enjoy, the Sportage is the perfect car for making every journey count.

3. Choose the K4 for the bold **19" alloy wheels** with silver machine finish which add even more standout style.

Exterior design

## Refinement redefined.

You'll make a statement in the eye-catching Kia Sportage – without saying a word. The distinctive exterior design features a commanding side profile, a muscular stance and a bold front and rear design. The sculpted front bonnet with the Kia signature grille gives the Sportage an unmistakably sporty appearance. And to round things off, touches like the sweeping rear lights add sleek style.

GT Line exterior design

## Unmistakably sporty.

The Kia Sportage GT Line oozes sportiness and style. Distinctive design and head-turning features make this ultra-athletic car hard to miss. But why would you want to? The eye-catching hot-stamped radiator grille design, dark chrome finishes, ice cube LED fog lamps and an exposed dual exhaust pipe are just some of the highlights. To round things off, 19" alloy wheels complete the package.

1. 19" alloy wheels with matt silver machine finish give the GT Line its signature sporty style.

The image shows the steering wheel, the dashboard with a central display screen, the center console with a gear shifter, and the front passenger seat. The interior is finished with dark grey or black materials, some with a fine texture. A large, semi-transparent red graphic element, shaped like a stylized arrow pointing right, is overlaid on the left side of the image, containing white text.

Interior design and quality

# You won't just see the difference. You'll feel it.

You'll want to be very hands-on in the Kia Sportage. Full of soft-touch materials, high-end finishes and the utmost attention to every detail, the interior of the Kia Sportage is just as comfortable as you'd imagine. From the stylish seats to the use of premium quality materials throughout the cabin, there's no shortage of features to make you feel right at home. The ergonomic cockpit is fully oriented towards the driver – with everything perfectly placed for you to use or view with ease. While the upper part of the dashboard offers a convenient eye-level display zone, the lower, easy-to-reach command zone puts everything you need within reach. It's a beautiful mix of innovation, comfort and world-class design.

1. The slick **Supervision Cluster** with a large 4.2" TFT-LCD screen delivers precision information about the details of your trip. (Excluding K2)
2. Sit back and enjoy the beautifully comfortable, perforated two tone leather seats in the K3 and K4. The K2 features a **black cloth interior** while the GT Line features a **black leather interior**. The driver's power seat offers added comfort with lumbar support, and both front seats feature height adjusters. (Excluding K2)
3. The sleek interior maximises both your comfort and style, thanks to a **high-quality** feel with premium, soft-touch materials, high-gloss inserts and satin chrome surroundings. (Excluding K2)

## Connectivity

# Connect, click and enjoy.

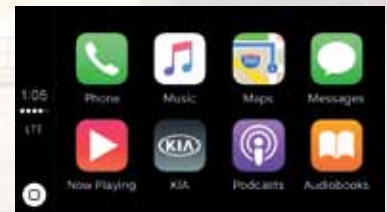

There's no need to worry about staying in the loop, because the Kia Sportage is full of ways to stay connected and entertained. Thanks to Bluetooth®, you'll never have to miss a call – or your favourite tunes. But the Sportage doesn't stop there. The Navigation System keeps you on the right track with a 7" LCD display, or 8" display in the GT Line. And clever connection points make sure your favourite devices are never out of reach. Shown here is the GT Line interior.

### 7 Year Map Update

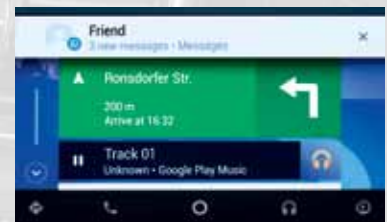

As part of our extensive quality promise, all new Kia vehicles factory-fitted with an LG navigation device are entitled to 6 free annual map updates at the service point. This unique programme ensures your navigation system is always up to date.

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your Sportage's display, so you can get directions, make a call and listen to music – all while staying focused on the road.

androidauto

Android Auto™ is designed to keep you perfectly connected to your phone – while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music, and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Versatility and spaciousness

## Plenty of space to enjoy – and share.

Because journeys are even more fun when they're shared, the Kia Sportage gives you loads of room to enjoy. The uniquely configured cabin makes things just as comfy for your passengers as for yourself. In fact, with such spacious dimensions and reclining rear seats, every seat will feel like the best one. To give you the flexibility to use your space however you choose, the Sportage's seats are also able to move and fold to create an almost flat floor. And, with the generous capacity of the 2-level trunk, you'll always have ample room to bring a crowd along for the ride.

1. For maximum versatility and flexibility, the convenient **folding rear seats** split 60:40.
2. The **spacious trunk** is versatile, flexible and roomy with all seats in place. With the rear seats folded down, it offers an astonishing 1,469 litres of load capacity.
3. The **2-level trunk floor** offers you even more flexibility with additional load capacity on the lower level.

## Driver assistance

# We've thought of everything so you don't have to.

The Kia Sportage is packed with innovations to make every journey effortless. From helping you stay within the speed limit or maintaining a safe distance, to improving visibility or hassle-free parking – the Sportage assists you all the way.

1. **Full LED headlamps** in the GT Line keep the road ahead crystal clear and nicely illuminated wherever you go. LED Daytime running lights and LED position lamps are standard across all trim lines and feature auto light control.
2. **Parking Distance Warning (PDW)** at the rear is standard across all trim lines, while the GT Line features front and rear PDW.
3. **Rear View Camera with Dynamic Parking Guidance** gives you a better perspective of your surroundings and makes parking or manoeuvring easier.

4. **High Beam Assist (HBA)** works with a camera in the windshield which detects the cars ahead and automatically switches to high or low beam to match the right driving conditions. (Not on K2)
5. **Intelligent Speed Limit Warning (ISLW)** gives you all the necessary information to help you stay within the limits. Using the camera on the windshield, it reads speed limits and overtaking restrictions, and displays the information clearly on the navigation screen and cluster. (Not on K2)

## Safety

# We've got you covered.

Structurally reinforced with ultra-high-tensile steel to offer even more protection, the advanced body shell is built to ensure your safety. At the same time, six airbags that activate in the event of a collision keep you and your passengers safe. When it comes to active safety, a host of hard-working systems keep you confidently in control on the road.

### 1. Forward Collision-Avoidance Assist (FCA)

The Forward Collision-Avoidance Assist is capable of detecting both the preceding vehicle and pedestrians crossing the road. Using sensors and a camera to monitor the proximity and velocity of vehicles, it warns the driver in the event of any potential collision risk. If there's no driver reaction, the car brakes automatically to avoid or mitigate an accident. (GT Line only).

### 2. Blind-Spot Collision Warning (BCW)

The Blind-Spot Collision Warning has radar sensors that monitors your blind spots and warns you of oncoming cars with a flashing light on the side-view mirror. (GT Line only).

### 3. Lane Keeping Assist (LKA)

The Sportage's intelligent system of cameras and sensors is at work in a wide range of features: Lane Keeping Assist (LKA) alerts you when you unintentionally drift out of your lane and even steers you back when required
