

# SPACE STAR

---

## DISCOVER MORE OF LIFE'S LITTLE JOYS

Start every day fresh in the carefree new Space Star. Its spirited styling inspires you to explore new horizons, while its lively response puts a smile on your face. You'll also enjoy the smooth, comfortable ride, exceptionally stable handling and eco-friendly performance. It's the perfect, well-mannered travel companion.

Note: Equipment may vary by market. Please consult your local Mitsubishi Motors dealer/distributor for details.

1.2-litre MIVEC Intense shown with optional equipment / Black Mica [X08]

## EXPRESS YOUR FREEDOM AND STYLE

Dynamically styled from handsome face to expressive sides and contoured tail, the Space Star blends refinement with athletic good looks to enhance the pleasure of confident motoring.

**1.2-litre MIVEC Intense shown with optional equipment / Cool Silver Metallic [A66]**

Note: Equipment may vary by market. Please consult your local Mitsubishi Motors dealer/distributor for details.

## EXCITE YOUR SENSES RESPONSIBLY

Driving the Space Star is always a joy because it delivers both spirited performance and high fuel efficiency. Whether commuting to work, shopping in the city or travelling through the countryside, you'll enjoy sporty handling that is exceptionally stable, quick acceleration in response to your command and agile manoeuvrability that makes parking and sharp turns a breeze.

### ENGINES

Power the Space Star with your choice of a highly responsive 1.0-litre or 1.2-litre 3-cylinder MIVEC\* engine. The 1.2-litre powerplant delivers an ample maximum output of 59 kW (80 PS) at 6,000 rpm and practical maximum torque of 106 N·m (10.8 kg·m) at 4,000 rpm.

\* Mitsubishi Innovative Valve timing Electronic Control system

### INVECS-III CVT

The INVECS-III\* CVT wide-ratio transmission maintains optimal rpm for high performance and fuel economy. You'll enjoy smooth acceleration and deceleration, as well as efficiently selected gear ratios in all driving conditions. An illuminated indicator provides easy reading at a glance and the shift knob is leather-wrapped for your pleasure.

\* Intelligent & Innovative Vehicle Electronic Control System III

1.2-litre MIVEC Intense shown with optional equipment / Red Metallic [P19]

#### AUTO STOP & GO [AS&G]

Auto Stop & Go (AS&G) reduces fuel consumption and CO<sub>2</sub> emissions by automatically shutting off the engine when the vehicle is stationary, such as when waiting at traffic lights. The engine restarts immediately when you remove your foot from the brake pedal.

#### SMOOTH AERODYNAMIC DESIGN

The streamlined Space Star smoothly slips through the wind with a class-leading drag coefficient (Cd) of 0.27\* that lowers wind noise and CO<sub>2</sub> emissions while raising fuel efficiency and high-speed stability. Aerodynamic features include an innovative double-tiered roof end, air dams and under-floor covers.

\* According to internal test results.

#### ECO DRIVE ASSIST

This handy meter indicates how fuel efficiently you are driving – the more green lights the better – to encourage operation that saves fuel and benefits the environment.

#### A MINIMUM TURNING RADIUS AMONG THE SMALLEST IN ITS CLASS

The tight turning radius contributes to excellent handling and makes driving easy for anyone, at any age.

# SAFETY

## ACTIVE AND PASSIVE SAFETY FEATURES

High tensile strength steel

980 MPa

590 MPa

440 MPa

### RUGGED LIGHTWEIGHT BODY

The body is extremely sturdy and lightweight, thanks to the generous use of high tensile strength steel plates that also contribute to a high level of collision safety.

### DRIVER AND PASSENGER AIRBAG SYSTEM

Front, side and curtain SRS airbags reduce collision impact from all directions, helping to curb injuries to the driver and passengers in the event of a collision.

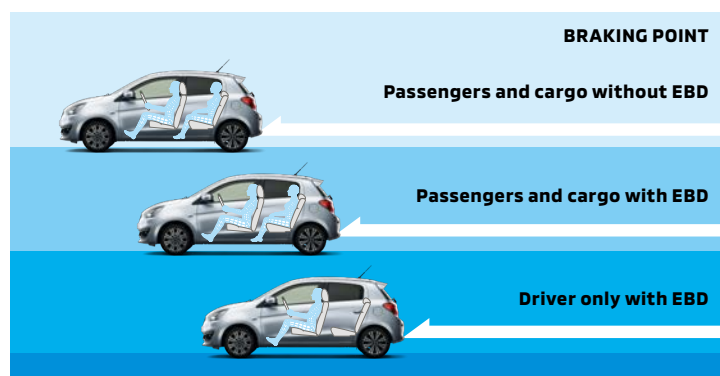

### PRETENSIONERS

Pretensioners automatically tighten the front seatbelts in the event of a collision to help restrain the driver and front passenger.

### ACTIVE STABILITY CONTROL [ASC]

If wheels lose their grip on slippery surfaces or while turning, ASC automatically adjusts engine output and applies braking force at the appropriate wheels to help maintain control and prevent skidding.

### ABS + EBD

ABS prevents the wheels from locking up during emergency braking so you can maintain greater steering control, even on slippery roads. Electronic Brake-force Distribution (EBD) distributes braking force to all four wheels to enhance braking performance.

With Hill Start Assist

Without Hill Start Assist

### HILL START ASSIST [HSA]

When starting on a steep slope, HSA helps prevent you from rolling backwards while you release the brake by maintaining the braking force for up to two seconds until the accelerator is applied.

### TYRE PRESSURE MONITORING SYSTEM [TPMS]

TPMS employs sensor-transmitters in the wheels to monitor tyre pressure and illuminates a warning lamp on the combination meter cluster if one or more tyres becomes significantly underinflated.

# FEATURE HIGHLIGHTS

## INTELLIGENCE

### ETACS (Electronic Time and Alarm Control System)

#### LANE CHANGE TURN SIGNAL SYSTEM

When changing lanes, you can lightly touch the turn signal lever to flash the turn signals three times. Flashing is also indicated on the instrument panel.

#### AUTO DOOR RELOCK SYSTEM

Within 30 seconds of pressing the unlock button from outside the Space Star, this system will automatically relock all the doors if none have been opened.

#### POWER WINDOW TIMER

Even after shutting off the engine, the power windows can be opened or closed for 30 seconds before opening the door.

#### AUTOMATIC WIPERS WITH RAIN SENSOR

The rain sensor activates the windshield wipers automatically when moisture is detected on the windshield.

(Available on Invite and Intense)

#### HEADLAMP AUTO OFF FUNCTION

After switching off the ignition and stepping out of the car, the headlamps automatically turn off to help conserve battery power.

#### AUTO REAR WIPE FUNCTION FOR REVERSE

When the rear wipers are set to the "INT" (intermittent) position, they automatically activate to improve rear visibility whenever you shift into reverse.

#### OPEN DOOR ALARM

An alarm sounds automatically if you start driving while a door remains partially or fully open.

#### INTERIOR LIGHT DELAY

After turning off the ignition, the interior light remains on for 15 seconds to allow scanning for possessions before exiting.

## DIMENSIONAL VIEWS

All measurements in millimetres

## EQUIPMENT HIGHLIGHTS

**TILT ADJUSTABLE STEERING COLUMN**

**GLOVE BOX AND TRAY**

**MANUAL AIR-CONDITIONING SYSTEM**

**CD PLAYER WITH AUX TERMINAL & UNIQUE TYPE CENTRE PANEL**

**LUGGAGE FLOOR BOX**

**FOLDABLE SPLIT BACK (60:40) BENCH SEAT**

**CONVENIENCE HOOK**

**CUP HOLDERS**

**FRONT DOOR POCKET WITH BOTTLE HOLDER**

Note: Equipment may vary by market. Please consult your local Mitsubishi Motors dealer/distributor for details.

## EXTERIOR COLOURS

**WINE RED PEARL (P57)**

**RED METALLIC (P19)**

**CERULEAN BLUE MICA (T69)**

**TITANIUM GREY METALLIC (U17)**

**COOL SILVER METALLIC (A66)**

**BLACK MICA (X08)**

**WHITE PEARL (W54)**

**WHITE SOLID (W19)**

■ WLTP and NEDC measured under the different methods. Therefore, there is a difference in the emission value on the specification chart. In accordance with the latest regulation, the figures of NEDC are retrieved through CO2MPAS from WLTP figures, which is different from the previous NEDC measurement method.

\*1:Continuously Variable Transmission.

\*2:Measured by MITSUBISHI MOTORS CORPORATION. Your actual mileage will vary depending on how you drive and maintain your vehicle.

\*3:Acceleration, fuel consumption and CO<sub>2</sub> values vary depending on equipment level.

Note: Hazardous driving may cause serious injury or vehicle damage. Please drive safely at all times.

# OUTSTANDING AFTER SALES FOR CAREFREE MOTORING

## PEACE OF MIND AS STANDARD

While our vehicles enjoy a strong reputation for reliability Mitsubishi Motors Ireland proves this by providing a confident 8 Year / 150,000km (whichever comes first) warranty as standard on all passenger vehicles.

If you sell your Mitsubishi vehicle before the warranty expires, you can even transfer it to the new owner making it even more attractive to buyers and helping you better maintain the car's value.

Warranty terms and conditions apply - see [mitsubishi-motors.ie](http://mitsubishi-motors.ie).

## MAP – MITSUBISHI ASSISTANCE PACKAGE

In order to demonstrate our commitment to your mobility and the faith we have in the reliability of our vehicles, you will receive a free MAP card valid for 5 years with your new Mitsubishi. With MAP your mobility is guaranteed in more than 30 countries throughout Europe, should you ever need assistance in the event of breakdown, accident, theft or vandalism.

Wherever you are, 24 hours a day, 7 days a week – just call the number on your card and the problem will be fixed on the spot. If it's more serious, your car will be taken to the nearest Mitsubishi dealer and you'll be offered services such as a hotel, continuation of journey, a replacement car and vehicle repatriation.

Around 2,500 Mitsubishi Motors Authorised Service Points in Europe are committed to helping you wherever you are.

## FREE ANNUAL VEHICLE HEALTH CHECK

Your Mitsubishi Motors Ireland warranty is strictly subject to the presentation of your vehicle to an authorised Mitsubishi Motors dealer in the Republic of Ireland at least once every year, or every 15,000 Kms / 20,000 Kms, whichever comes first. The dealer must be given the opportunity to complete the mandatory Mitsubishi Motors vehicle health check when your vehicle is presented. The free annual vehicle health check can be completed independently of a service or it can be performed in conjunction with a scheduled service. Free Vehicle Health Check terms and conditions apply.

## MITSUBISHI MOTORS GENUINE PARTS

Mitsubishi Motors Genuine Parts have been developed and tested to stringent quality standards. It is recommended to use Mitsubishi Motors Genuine Parts in order to maintain the safety and integrity of your vehicle and that of your passengers. Mitsubishi Motors Genuine Parts are available at all Mitsubishi Authorised Service Points. All Mitsubishi Motors Genuine Parts have a 2 year guarantee. Terms & conditions apply.
