

# ALL-NEW MAZDA CX-30

Product Guide

# Advanced Safety Technology

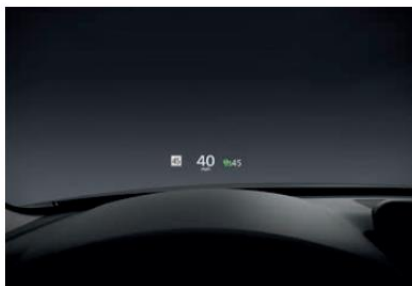

## MAZDA RADAR CRUISE CONTROL (MRCC)

MRCC is an adaptive cruise control system. To activate, the driver sets a maximum speed (just as with cruise control) and size of the gap to maintain. The radar watches for traffic ahead and once the system senses a vehicle in front, the car will slow down and speed up automatically maintaining the drivers preset distance.

## STOP & GO

Automatic models also have the additional feature of 'Stop & Go', meaning the vehicle will automatically accelerate and brake in start / stop traffic with minimal input from the driver.

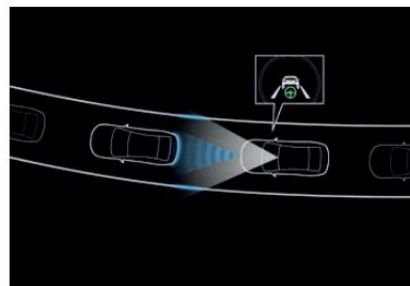

*Mazda Radar Cruise Control standard across the range.*

## WINDSCREEN PROJECTED COLOUR ACTIVE DRIVING DISPLAY

The colour Active Driving Display projects essential driver information including speed, turn-by-turn navigation and traffic signs onto the windscreen, closer to the drivers field of vision meaning you can safely focus on the road ahead.

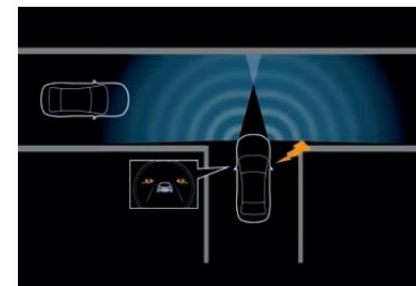

*Colour Active Driving Display standard across the range.*

## CRUISING AND TRAFFIC SUPPORT (CTS)

Reduces driver fatigue and supports a safer, more reassuring and more comfortable driving experience by reducing stress generally caused by traffic jams. CTS automatically operates the accelerator and brake pedals to maintain a proper trailing distance between all-new Mazda CX-30 and the vehicle ahead. In addition, it assists with steering operations to keep the car in its proper lane. Because the steering control is strictly limited to assisting the driver, it is the driver who steers the car. CTS will not turn the car on its own were the driver to remove his or her hands from the steering wheel.

*Cruising and Traffic Support is part of an option pack for SKYACTIV-X GT Sport grade.*

## FRONT CROSS TRAFFIC ALERT (FCTA)

Mazda's newly developed system detects other vehicles approaching from blind spots at the front right or left of the vehicle and alerts the driver of their presence. This helps prevent a common cause of accidents, when cars enter a T-junction with a partially obscured view.

## REAR CROSS TRAFFIC ALERT (RCTA)

Rear Cross Traffic Alert system monitors traffic approaching from blind spots when reversing. Both systems operate when the car is moving at speeds of approximately 10 km/h or less and is only designed to detect motor vehicles.

*RCTA is standard across the range. FCTA is part of an option pack for SKYACTIV-X GT Sport grade.*

# Mazda M Hybrid & Skyactiv-X

---

## **MAZDA M HYBRID**

Constantly striving to further improve fuel economy and lower emissions, Mazda has introduced an intelligent Mild Hybrid system called Mazda M Hybrid which uses kinetic energy from regenerative braking to help acceleration from launch and power electronics. The Mazda CX-30 features this new technology which comes as standard on both 2.0 Skyactiv-G and 2.0 Skyactiv-X petrol engines. The result is a car that delivers outstanding performance, low running costs and strong environmental credentials.

## **SKYACTIV-X**

Skyactiv-X is an engine that changes everything. This engine burns petrol more efficiently thanks to Spark Controlled Compression Ignition (SPCCI). It produces more power but emits fewer emissions and uses less fuel than a regular petrol engine for an even better drive without compromise.

# Specification Highlights

---

## **GS**

16" Alloy Wheels  
LED Headlights  
Electrical, Auto Foldable & Heated Mirrors  
8.8" TFT Colour Centre Display  
Multimedia Commander  
Power Window (Front & Rear)  
Leather Steering Wheel  
Manual Air Conditioning  
7 Inch TFT Meter Set (Digital Dashboard)  
Window Projector Head Up Display  
Automatic Lights & Wipers  
G-Vectoring Control Plus  
Smart City Brake Support (SCBS)  
Blind Spot Monitoring with Rear Cross Traffic Alert  
Traffic Sign Recognition (TSR)  
Lane Departure Warning & Lane Keep Assist  
Smart Brake Support - Front  
MRCC - Mazda Radar Cruise Control  
Rear Parking Sensor  
High Beam Control  
Alarm & Immobiliser  
AM/FM/DAB Radio with USB & 8 Speakers  
Bluetooth  
Apple CarPlay™ / Android Auto™  
Satellite Navigation

## **GS-L**

*In addition to GS grade, GS-L adds:*  
Outer Driver Mirror - Auto Dimming  
Smart Keyless Entry  
Power Liftgate  
Rear Digital Camera  
Inner Mirror - Auto Dimming  
Front Seat Heaters  
Dual Automatic Air Conditioning  
Front Parking Sensors  
CD player

## **GT**

*In addition to GS-L grade, GT adds:*  
18" Alloy Wheels  
Exterior Mirror and Head Up Display Memory  
Black Leather Seats  
Power Driver Seat (8 way & lumbar)  
Driving Position Memory – Driver Seat  
Heated Steering Wheel

## **GT SPORT**

*In addition to GT grade, GT Sport adds:*  
Adaptive LED Headlights  
Front and Rear LED Signature Lighting  
Rear Privacy Glass  
Front Grille & Sail Garnish Piano Black Colour  
Piano Black B-Pillar  
AT Paddle Shift (Automatic Models Only)  
Inner Mirror - Auto Dimming (Frameless)  
BOSE Sound System with 12 speakers
