PUT IT TO THE TEST

THE BENCHMARK

IN GERMAN ENGINEERING.

The Astra, Hatchback and Sports Tourer, each one a masterpiece of German engineering and iconic design.

Lightweight, spacious and compact, each and every Astra brings together real world innovation with premium design features.

Powered by a range of ultra-efficient engines, on the road, the Astra is a seriously addictive drive too.

The Astra from Opel, the benchmark in the compact class.

A red Astra car is shown from the side, parked on a paved surface. In the background, a port with several cranes and shipping containers is visible under a cloudy sky. A diagonal yellow line runs across the image, separating the car from the text area.

FORM FOLLOWS DESIRE.

Outstanding cars call for stand out design. The Astra's flowing lines and sculpted body, along with the rising curve of its floating roof all come together to give it serious presence, whichever way you look at it.

MADE- TO- MEASURE.

Space and comfort was a top priority when we designed the Astra's interior. You'll notice higher quality materials, sophisticated colour choices and calm ambient lighting that make the Astra a very nice place to be indeed.

ENGINEERED TO EXCITE.

The Astra is powered by a series of lightweight petrol, diesel and turbo engines that are efficient in every way. They deliver smooth, ample power in combination with Astra's lightweight body for an agile and responsive drive.

This is especially true of the ECOTEC engines. All turbo-charged, strong and powerful, they deliver exceptional fuel economy and emissions levels for maximum efficiency with an equally impressive dynamic driving experience.

- Cutting-edge engineering delivers agility and performance
- Lightweight design ensures improved economy
- A range of new generation engines give you unrivalled efficiency
- Experience an agile and responsive drive

1.

2.

1. **Cheers for gears.** Five or six gears, automatic or manual, with Start/Stop engine systems or without – all Astra transmissions are smooth and precise. There's even the choice of an Easytronic transmission for faster and smoother gear changes*.
2. **Switch to sporty.** You can change Astra's steering feel and throttle response to sporty at the touch of a button – it's a standard feature on Astra SRi.
3. **Clean yet mean.** Astra ECOTEC engines are uncompromisingly powerful yet super efficient.

*Only available on S models.

3.

For complete engine, fuel economy and emission data plus availability of each engine by model, please refer to the Astra Price and Specification Guide available to download from www.opel.ie

INNOVATIVE BY DESIGN.

Where the Astra leads, others are bound to follow.

Everywhere you look you'll find premium class innovations that are designed to make driving easier, safer and more fun than ever. It's future thinking we're proud to lead.

1. **IntelliLux LED Matrix headlights***. This super smart LED headlight system automatically adjusts your high beam to dip around other vehicles for a wider, perfectly lit view ahead for safer night driving.
2. **Opel Eye Driving Assistance Pack One****. This front camera safety system gives you intelligent assistance like lane departure warning, traffic sign recognition, following distance indication and forward collision alert with automatic city emergency braking.
3. **IntelliLink infotainment system**. Standard on Astra SC and above, you can stay updated and entertained on every journey with seamless Bluetooth® integration for Apple and Android devices†.
4. **Luxurious seating**. Relax in stress-relieving comfort with optional in-seat ventilation and massage function to keep you alert and refreshed on the road.
5. **Advanced park assist***. Parking is quicker and easier with advanced park assist, which not only finds you a good parking space, but also steers you precisely into the slot – all hands free.

*Standard on Ultimate, optional at extra cost on SRi and Elite models.
 **Standard on SRi and Ultimate, optional at extra cost on all other models except S.
 †Compatibility and certain functions might be a bit different depending on the type of smartphone and operating system you're using.

PUT OTHER LIGHTS **IN THE SHADE.**

The Astra comes with premium class features and innovative ideas like IntelliLux LED Matrix headlights that automatically avoid dazzling other drivers. It means you'll never have to switch between high and low beam again and also gives you more time to react to potential hazards, making for safer driving.

HIGH BEAM GOES **DAZZLE-FREE.** SO YOU HAVE **MORE TIME TO REACT.**

The LED Matrix headlights automatically adjust the shape of your high beam headlights to avoid dazzling other drivers. With this technology on board you'll never have to switch between high and low beam again. It also gives you more time to react to potential hazards, making for safer driving.

Before. With standard halogen headlights, you have to switch between low and high beam to avoid dazzling drivers in oncoming cars.

After. With IntelliLux LED Matrix headlights, your high beam automatically dips around other vehicles so you enjoy a wider, perfectly lit field of view.

Opel puts intelligent technology to work where it counts:

- IntelliLux LED Matrix headlights* comprise 16 separate LED elements
- They react to other vehicles by cutting out single LEDs
- Your high beam is glare-free all the time
- The beam is wider and longer for maximum visibility
- Driving at night is safer and much more relaxed
- Outstanding reliability ensures maximum longevity

The IntelliLux LED Matrix system* includes more advanced lighting options:

- Cornering lights further enhance safety
- Country lights adjust automatically for better visibility on dark roads
- Town lights perfectly complement better lit conditions
- Motorway mode guarantees safe, glare-free travelling at high speeds

See IntelliLux in action at www.opel.ie/Astra

*Standard on Ultimate, optional at extra cost on SRI and Elite models.

INNOVATIVE TECHNOLOGIES

13

DELEGATE ON DEMAND.

The Opel eye safety camera supports your own road sense to help prevent collisions, keep track of speed limits and make life safer for you and your passengers.

It's an advanced driver assistance system that senses hazards in advance and only gives safety warnings when you need them, while keeping you in full control at the wheel of your Astra.

Standard with the Opel Eye Driving Assistance Pack on Astra SRi and Ultimate models, the safety camera system is more than a first in a car of this class – it's one of the most sophisticated driver assistance systems ever engineered in a car. Optional on SC and Elite models.

- 1. Forward Collision Alert.** Gives you an audible and visible signal if you approach slower vehicles too fast from behind. The system will also help avoid low-speed rear-end collisions by automatically braking if it senses a potential impact. The Reflective LED windscreen display provides an extra level of safety to give additional warning in the driver's field of view.
- 2. Lane departure warning with lane assist.** Warning signals protect against unintentional gradual drifting – and the steering wheel even nudges gently if you move out of your lane without signalling. The real genius? It won't sound an alarm when you don't need one. For example, if you need to swerve hard to avoid an obstacle.
- 3. Traffic sign recognition.** This advanced sign-detection system picks up and displays speed limits and other important traffic signs and even recognises temporary electronic signage.

Automatic cruise control*. By automatically accelerating or decelerating between set speeds this innovative system helps maintain a safe distance to the car ahead at all times.

For more on Opel Eye safety technology, go to www.opel.ie/Astra

*Optional at extra cost as part of the Driving Assistance Pack Two on SRi, Elite and Ultimate models only.

LIVE LARGER.

The sleek lines of the Sports Tourer belies its generous rear space. Made for easy loading, the luggage area has a nice flat floor (with storage space underneath) and a practical rectangular-shaped footprint, with all these features:

- Up to 1,630 litres of space with the rear seats folded down, and 540 litres if there's five on board
- 12-volt socket in the luggage area (ideal for those electrical accessories)
- FlexFold rear seats are a quick and easy way to release and fold the rear seats when you need that extra space*
- Optional Flex Organiser® rails support a range of tailored storage solutions
- Hands-free power tailgate system so you can open and close the tailgate with just a swipe of your foot**

How do you want to split it?

Get the space you want with two split-folding rear seat solutions†

1. Use the 60/40 fold when you need more space for large or awkward loads.
2. On Elite models use the 40/20/40 facility for greater flexibility†. The centre folding section creates a useful opening for longer loads while keeping two full-size rear seats.

*Standard on leather-trimmed Elite Sports Tourer models only.

**Optional on SRI and Elite Sports Tourer models and only available in conjunction with optional keyless entry and start.

†Flexible 40/20/40 split-folding rear seats are standard on leather-trimmed Elite models only.

All other models feature a conventional 60/40 split-folding rear seat arrangement.

INTELLILINK.

BECAUSE NOTHING BEATS GOOD CONNECTIONS.

Wherever you go, now there's no excuse not to call home. Every Astra features Bluetooth® connectivity for hands-free phoning and audio streaming so you'll stay entertained while on the move too.

Radio 300 BT radio, standard on S models:

- FM and AM radio
- Bluetooth® phone and music streaming,
- USB connection for smartphone/MP3 music connectivity
- Steering wheel controls for phone and music
- Graphic information display

1.

Our IntelliLink infotainment systems feature colour touchscreen technology for all Android or Apple iOS smartphones and tablets*. Once it's connected to your device, IntelliLink lets you project your smartphone to the large colour touchscreen display 1. Digital radio comes as standard too, and on SRi, Elite and Ultimate models you find sat nav with voice control.

2. Radio 4.0 IntelliLink, standard on SC models and adds:

- DAB radio
- Smartphone connectivity for your phone, messaging, music, maps and apps
- 7-inch colour touchscreen
- Apple CarPlay™ and Android Auto™ smartphone app projection
- Siri/Google Now voice command for phone, messaging, music, maps and calendar
- Bluetooth® phone, messaging and music streaming

2.

3. Navi 900 IntelliLink system, standard on SRi, Elite and Ultimate models, gives you a slightly larger touchscreen, and also includes sat nav, voice control and a sleek, shark-fin antenna:

- Integrated satellite navigation system
- 8-inch colour touchscreen
- Voice command for audio and integrated navigation
- Shark-fin antenna

3.

*Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the IntelliLink systems. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries.

YOUR 24/7 PERSONAL CONNECTIVITY AND SERVICE ASSISTANT.

OnStar¹ is a premium service that makes you feel connected, safe and cared for, virtually everywhere in Europe and 24/7, 365 days a year: enjoy top-of-the-range features such as the 24-Hour Emergency Call Service, your own Personal Assistant and a fast in-car Wi-Fi Hotspot². Welcome to the service upper class.

¹ OnStar services require activation and an account with OnStar Europe Ltd., a GM company. Charges apply after applicable trial period. All services subject to mobile network coverage and availability. The OnStar subscription packages could be different from the services included in the free trial package. Check www.opel.ie/onstar for details of availability, coverage and charges. Terms and conditions apply. Opel is not responsible for the provision of OnStar or Wi-Fi services. ² Wi-Fi Hotspot services require an account with OnStar Europe Ltd. and nominated network operator. Wi-Fi trial has a time limit and capped data allowance. Charges apply thereafter. All services subject to mobile network coverage and availability. ³ OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

SOS

SAFE

Better safe than sorry! OnStar's specially trained advisors are there for you anytime and anywhere.

- **Automatic Crash Response^{1,3}:** in case of a crash, our advisors automatically connect to your car. If needed, they immediately brief the emergency services with passenger and key car information and can send them your exact location.
- **24-Hour Emergency Call Service¹:** you, a passenger or a passer-by are not feeling well? Push the red SOS Button and our advisors make sure to call for help right away.
- **Roadside Assistance^{1,4}:** if you have a flat tyre or a warning light in the dashboard goes on, just contact our advisors and they will send Roadside Assistance to your location, if required. This is even more valuable in areas with weaker mobile phone coverage or if your smartphone has run out of battery.
- **Stolen Vehicle Assistance¹:** in case your car gets stolen, OnStar blocks the ignition so the car can't be restarted again and provides the police with GPS data to help retrieve your car safely.

⁴ OnStar will direct a professional breakdown recovery team to your location. If your car is within the Opel New Vehicle Roadside Assistance coverage period, OnStar will connect with the Opel Roadside Assistance service, who will send help free of charge, subject to the Opel Roadside Assistance terms and conditions. If your vehicle is outside the coverage of the Opel New Vehicle Roadside Assistance service, the provider of the breakdown recovery service may apply charges for the services provided. ⁵ Some elements of Smartphone App, Destination Download and Vehicle Diagnostics may not be available for all cars/trim levels. An embedded Opel navigation unit and map data are requirements for the Destination Download service. Check www.opel.ie/onstar for service limitations and charges. ⁶ An OnStar advisor can help you to book a hotel room using Booking.com, subject to the Booking.com user terms and privacy statement, which can be found on the Booking.com website, and the applicable terms and conditions for your hotel. OnStar assists you to make a booking and is not responsible for the services provided by Booking.com or the applicable hotel. E-mail address and credit card required. ⁷ Only available for car parks listed in Parkopedia.com. Availability applies only to the moment of contact with OnStar.

CONNECTED

In a connected world, so much is possible – and Opel is making sure you are fully equipped.

- **Wi-Fi Hotspot^{1,2}:** a fast and stable Internet connection enables you and your passengers to work, surf or just stream movies on up to seven devices – thanks to the powerful OnStar roof antenna.
- **Remote Control^{1,5}:** if you forgot to lock your car, you can use your smartphone to remotely lock or unlock it, even from afar, thanks to the **myOpel Smartphone App**.
- **Car Locator^{1,5}:** forgot where you've parked? Pinpoint your car's location on the app. If you are close and still do not see it, just blink the headlamps or honk the horn to see where you've parked.

CARED FOR

Who wouldn't want a personal assistant? At the touch of a button, you will be connected to an advisor who is at your service 24/7/365.

- **Hotel Booking^{1,6}:** plans changed? Or too tired to keep driving? Let our advisors take care of your hotel booking en route, powered by Booking.com. Just press the blue Service Button.
- **Destination Download^{1,5}:** no more address typing! Our advisors assist you in finding an alternative route, a restaurant or a petrol station. They will remotely download the address onto your in-built navigation system, too.
- **Vehicle Diagnostics^{1,5}:** not sure what a sudden light in the dashboard means? Just ask the advisors to remotely check key systems in your car, in real time.
- **Parking Service^{1,7}:** never search for a parking space again! Via Parkopedia.com, OnStar finds and leads you to the next vacant parking spot. This way, you already know availability and parking fees before you get there.

HOW CAN I GET ONSTAR?

OnStar is standard on SRi, Elite and Ultimate and is available as an extra cost option on S and SC models.

TO GET IT:

1. Request OnStar when you order your new Opel Astra.
2. OnStar will send you an e-mail invitation so you can activate your account.
3. Complete your registration online and set up your preferences.
4. OnStar is ready to go!

After the 12-month free trial period¹, you can decide to order a continuation of the OnStar services. This will be subject to a fee.

You can purchase Wi-Fi Hotspot data packages separately from the nominated network provider by following the instructions on opel.ie/onstar/aftermytrial. Charges apply after the free trial period.

To find out more, visit www.opel.ie/onstar

Your privacy, your call. You are in control of which information you want to share with us. Only in emergency cases, OnStar can override this. More information on www.opel.ie/onstar

HOW MYOPEL SERVICES DO MORE FOR YOU.

myOpel is your one-stop shop to manage everything to do with your Opel – from your OnStar account to organising your vehicle's next service to rewards and exclusive offers. Everything is targeted to you and the Opel you drive.

- Manage your Opel – take care of your Opel online, book a service and track service history.
- Access your OnStar services – get diagnostics reports, manage your subscription and more.
- Exclusive offers – stay up to date on special offers, latest news and current events.
- Dealer locator – find your nearest Opel dealer.

If you already are an OnStar customer, you can access all the myOpel services. Otherwise, you can register for myOpel by following these easy steps:

1. When you order your car, your dealer will go through a simple pre-registration with you.
2. We will send you an e-mail invitation so you can activate your account.
3. Complete your registration online.
4. myOpel is ready to go!

To easily access myOpel from your smartphone, just download the app from the Google Play Store or from the Apple App store.

Illustrative example.

1 Free trial periods start with first registration or delivery from the Opel dealer, whatever comes first, independent of customer activation.

NOW YOU'VE SEEN IT.

TIME TO **FEEL IT.**

A car brochure can only ever be a prelude to the main event. So if you like what you've seen of the Astra so far, we think you need to drive it soon so you can experience it for yourself, live and on the road!

To arrange your test drive find your nearest Opel Ireland dealer at www.opel.ie

Opel Service.

Europe-wide Customer Service.

Throughout Europe, more than 6,000 Opel repair workshops are ready to provide professional and punctual service. As you'd expect, they'll repair your vehicle to the highest standards. More unusually, perhaps, they'll tell you exactly what's been done and why, and they will show any costs involved clearly and concisely.

New Vehicle Warranty.

Opel Automobile Ireland Limited (referred to as 'Opel') guarantees for motor vehicles of its manufacture, that each vehicle is free from defects according to the state of the art for a period of: The first 2 years carry an unlimited mileage warranty. The 3rd year of warranty has a mileage limitation of 100,000km for Passenger Cars & Car derived vans, for Combo, Vivaro and Movano the

limitation is 150,000km. The warranty is valid from delivery from the supplying Opel Distributor or from first registration, whichever occurs first (warranty start date).

Opel Roadside Assistance.

This free-of-charge mobility service is valid for all new Opel vehicles during the first year after the date on which they were first registered or delivered to the customer by the dealer, depending on which date comes first. No matter where you are, the Opel Assistance is there to help. In more than 40 European countries – round the clock. Offering services such as breakdown assistance, towing services, rental car, hotel accommodation or the organisation of onward transportation, e.g. via rail or air (please see programme conditions).

12-year Anti-Perforation Warranty.

Opel provides you with a reliable long-term warranty against perforation, provided you have your vehicle serviced and all necessary inspections performed according to the service booklet.

2-year Warranty for Opel Batteries.

With a 2-year warranty for service-installed Opel original batteries your starting problems are over – even in the coldest winter.

Parts and Accessories Service.

Opel parts and accessories are available at your local Opel Shop, where you'll find everything to make your vehicle more comfortable or to meet your individual needs, as well as expert advice.

Opel on the Internet.

Need instant information? At www.opel.ie you can access a wealth of information on all Opel cars, services, and accessories. Get online for Opel news and product updates.

Recycling.

Information about Design for Recycling, Take-Back points for End of Life Vehicles (ELVs) and the recycling of ELVs can be found on the Opel website www.opel.ie

In case of any questions, please ask your Opel dealer. More information can be found at www.opel.ie
