

GTC

2018 Models Edition 2

FREE YOUR SPIRIT

GTC. The designer's dream made reality. With a choice of models, from effortlessly sporty to positively engaging. Brilliantly in tune with your driving emotions, GTC takes Opel's dynamic performance mindset to the limit, with striking details and an unashamedly full-on attitude.

GTC: never have three small letters promised so much excitement.

This brochure covers GTC SRi and Limited Edition models only. Some of the images illustrate options and accessories available at extra cost. And not all of the features described are available on all models. Due to the limitations of the printing process, the colours reproduced throughout this brochure may vary slightly from the actual paint colour. As a result, they should be used as a guide only. Your Opel dealer has a comprehensive display of our paint samples.

DRIVE YOUR EMOTIONS

Bold. Pure. Iconic. GTC puts passion high on the agenda. Its stunning, coupé-like profile and distinctive, blade-inspired lines speak volumes about Opel's design philosophy. With dramatic styling cues. And a poised, muscular stance, set off by signature lighting. In short: a clear declaration of sporting intent. And presence to die for.

➤ IMPROVE YOUR DRIVETIME

Keep in touch, entertained and ahead of the queues with the latest premium GTC in-car communication systems featuring satellite navigation, Digital radio facility, aux-in socket, USB connection and Bluetooth® connectivity as standard.

1. Navi 650 satellite navigation system. Standard on both models the Navi 650 features the very latest in sat with seven-inch colour screen. It gives you fast access to map data and points of interest to keep you informed and on the move. Highlights also include a CD/MP3 CD player, DAB radio, AM/FM stereo radio with 36 station presets, USB connection and aux-in socket, six speakers, seven-band graphic equaliser, Digital Sound Processor, 4 x 20W output – and excellent sound quality. The DAB radio also means digital quality sound, a broader range of stations, easier to find by name and improved track display info on some stations.

Navi 950 IntelliLink. Upgrade to this navigation system and you'll also be able to make calls and stream audio from your smartphone, tablet or other portable device using Bluetooth®. It even features voice commands for navigation and phone calls. So you stay connected for every minute of your journey. Optional at extra cost.

➤ SAFEGUARD YOUR INTERESTS

GTC combines advanced electronic options with proven safety features like the Opel Eye Driving Assistance Pack – featuring the innovative front camera system – or front, side and curtain airbags and reinforced passenger safety cell with pre-defined deformation zones.

Traffic Sign Recognition (TSR). Utilising the front camera function, this clever system makes sure you're constantly made aware of speed limits, even when temporary signs are put up. TSR continually monitors road signs, and gives you a warning if you unintentionally stray over the limit. It can even read and display motorway electronic signs related to speed limits like rain or snow warnings.

Lane Departure Warning (LDW). LDW uses the front camera system to recognise lane marking lines, and emits an audible warning if your vehicle leaves its lane unintentionally (i.e. without you signalling), preventing potential accidents and reminding you of inattention or tiredness. The LDW system can be deactivated via a facia switch.

Forward Collision Alert (FCA). Available as part of the Driving Assistance Pack, FCA constantly shows the distance to the leading vehicle in the instrument panel, helping you to maintain a safe distance. In addition, FCA – active when the car is moving faster than 20mph – gives visual and audible warnings if you approach a slower-moving vehicle too fast.

➤ FULFIL YOUR POTENTIAL

Visually, GTC takes your breath away. Performance-wise, it carries your strongest emotions in its wake. Poised, engaging and precise, the GTC chassis establishes the agile, spirited feel that characterises the car as a whole. Better still, the suspension has been carefully tuned to suit the specific demands of most road surfaces, using specialist input from renowned chassis experts.

GTC drivers can choose from two powerful yet efficient turbocharged petrol engines and an equally impressive turbocharged diesel each matched to a slick, six-speed transmission.

For complete engine, fuel economy and emission data plus availability of each engine by model, please refer to the GTC Price and Specification Guide available to download from www.opel.ie

Start/Stop technology. With power comes responsibility. So GTC also features Opel's cutting edge Start/Stop fuel saving and emissions reduction technology. The innovative system switches the engine off when you stop at the lights or in traffic, then restarts it automatically once the clutch is depressed. A wide range of in-built safety checks ensures total peace-of-mind in all circumstances. It's fitted to all GTC models.

Class-leading Sports suspension. Front-wheel drive cars with powerful engines place excessive demands on conventional McPherson strut front suspension systems. Under heavy acceleration – especially in tight bends – front traction is compromised, resulting in torque steer which can affect the car's stability. The compact HiPerStrut (High Performance Strut) system isolates the steering from the effects of engine torque, boosting steering precision and grip. It also improves handling and enhances ride quality. The compact Watt's Link rear suspension delivers the stability benefits of multi-link systems without their weight and space penalties.

FlexRide chassis settings. With the mere touch of a button, this optional feature allows you to change the GTC's whole driving dynamics – from 'Sport' to 'Tour' and back again. Using Continuous Damping Control (CDC) technology, FlexRide automatically adjusts the dampers for excellent grip. In 'Tour' mode, it chooses the best settings for gentler straight-line driving. Switch to 'Sport' mode and it instantly sharpens the response of the speed-sensitive steering, accelerator and automatic transmission (if fitted). It also changes the colour of the ambient instrument lighting – from a cool white to a more dynamic red effect.

YOUR 24/7 PERSONAL CONNECTIVITY AND SERVICE ASSISTANT.

OnStar¹ is a premium service that makes you feel connected, safe and cared for, virtually everywhere in Europe and 24/7, 365 days a year: enjoy top-of-the-range features such as the 24-Hour Emergency Call Service, smartphone remote control of your car and your own Personal Assistant.

¹ OnStar services require activation and an account with OnStar Europe Ltd., a GM company. Charges apply after applicable trial period. All services subject to mobile network coverage and availability. The OnStar subscription packages could be different from the services included in the free trial package. Check www.opel.ie/onstar for details of availability, coverage and charges. Terms and conditions apply. Opel is not responsible for the provision of OnStar or Wi-Fi services. ² Wi-Fi Hotspot services require an account with OnStar Europe Ltd. and nominated network operator. Wi-Fi trial has a time limit and capped data allowance. Charges apply thereafter. All services subject to mobile network coverage and availability. ³ OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

CONNECTED

In a connected world, so much is possible – and Opel is making sure you are fully equipped.

- **Wi-Fi Hotspot^{1,2}**: a fast and stable Internet connection enables you and your passengers to work, surf or just stream movies on up to 7 devices – thanks to the powerful OnStar roof antenna.
- **Remote Control^{1,5}**: if you forgot to lock your car, you can use your smartphone to remotely lock or unlock it, even from afar, thanks to the myOpel Smartphone App.
- **Car Locator^{1,5}**: forgot where you've parked? Pinpoint your car's location on the app. If you are close and still do not see it, just blink the headlights or honk the horn to see where you've parked.

CARED FOR

Who wouldn't want a personal assistant? At the touch of a button, you will be connected to an advisor who is at your service 24/7/365.

- **Hotel Booking^{1,6}**: plans changed? Or too tired to keep driving? Let our advisors take care of your hotel booking en route, powered by Booking.com. Just press the blue Service Button.
- **Destination Download^{1,5}**: no more address typing! Our advisors assist you in finding an alternative route, a restaurant or a petrol station. They will remotely download the address onto your in-built navigation system, too.
- **Vehicle Diagnostics^{1,5}**: not sure what a sudden light in the dashboard means? Just ask the advisors to remotely check key systems in your car, in real time.
- **Parking Service^{1,7}**: never search for a parking space again! Via Parkopedia.com, OnStar finds and leads you to the next vacant parking spot. This way, you already know availability and parking fees before you get there.

SOS SAFE

Better safe than sorry! OnStar's specially trained advisors are there for you anytime and anywhere.

- **Automatic Crash Response^{1,3}**: in case of a crash, our advisors automatically connect to your car. If needed, they immediately brief the emergency services with passenger and key car information and can send them to your exact location.
- **24-Hour Emergency Call Service¹**: you, a passenger or a passer-by are not feeling well? Push the red SOS Button and our advisors make sure to send help right away.
- **Roadside Assistance^{1,4}**: if you have a flat tyre or a warning light in the dashboard goes on, just contact our advisors and they will send Roadside Assistance to your location, if required. This is even more valuable in areas with weaker mobile phone coverage or if your smartphone has run out of battery.
- **Stolen Vehicle Assistance¹**: in case your car gets stolen, OnStar blocks the ignition so the car can't be restarted again and provides the police with GPS data to help retrieve your car safely.

⁴ OnStar will direct a professional breakdown recovery team to your location. If your car is within the Opel New Vehicle Roadside Assistance coverage period, OnStar will connect with the Opel Roadside Assistance service, who will send help free of charge, subject to the Opel Roadside Assistance terms and conditions. If your vehicle is outside the coverage of the Opel New Vehicle Roadside Assistance service, the provider of the breakdown recovery service may apply charges for the services provided. ⁵ Some elements of Smartphone App, Destination Download and Vehicle Diagnostics may not be available for all cars/trim levels. An embedded Opel navigation unit and map data are requirements for the Destination Download service. Check www.opel.ie/onstar for service limitations and charges. ⁶ An OnStar advisor can help you to book a hotel room using Booking.com, subject to the Booking.com user terms and privacy statement, which can be found on the Booking.com website, and the applicable terms and conditions for your hotel. OnStar assists you to make a booking and is not responsible for the services provided by Booking.com or the applicable hotel. E-mail address and credit card required. ⁷ Only available for car parks listed in Parkopedia.com. Availability applies only to the moment of contact with OnStar.
