# PERFECT FOR LIFE'S EVERYDAY.

Making more of life. That's what Zafira Tourer's all about.

It's got a smart infotainment system with snazzy touchscreen controls. And with OnStar\* as standard, you've even got your very own onboard personal assistant and a 4G Wi-Fi Hotspot\*.

It all makes Zafira Tourer not just fun, but useful too.

Everything's made with you in mind, from its versatile seats and flexible storage to its super-efficient engines and responsive handling - ready for all the family on board, the dog in the back and a bike on its handy built-in cycle rack.

Sounds the perfect way to do more of the stuff that matters.

This brochure covers the Zafira Tourer SC, SE and Elite models only. Please note that some of the models we show include options and accessories available at extra cost, and that not all of the features we describe are available on every model. So for all current Zafira Tourer or equipment details visit: [www.opel.ie](http://www.opel.ie)

\*Terms and conditions apply, see pages 18-21.

# A REAL CROWD PLEASER.

1

Every Zafira Tourer comes packed with thoughtful ideas and smart technology to make life better.

Standard (though far from standard) on every Zafira Tourer, a state-of-the-art Radio 4.0 or Navi 4.0 IntelliLink infotainment system and OnStar are ready to keep everyone entertained, informed and in touch on the go. On the safety side, bright ideas like the LED adaptive forward lighting and driver assistance systems like the front camera system help you keep everyone safer on the road.

And when it comes to seating, Zafira Tourer has it sorted with its benchmark Flex7® technology. This endlessly flexible seating system means it's simple to find the ideal set-up whoever's on board or whatever you're up to.

So, with entertainment, connectivity, safety and comfort all sorted, as well as the airy brightness of a roomy interior, you can be sure everyone's happy.

2

1. **Stay connected.** Get maps, apps and music on the go when you connect to our clever Radio 4.0 IntelliLink infotainment system. It's compatible with Apple CarPlay™ and Android Auto™, so you can project app functions from your smartphone to the IntelliLink's colour touchscreen display. Meanwhile, at the tap of a button, OnStar puts you in touch with a trained human advisor, giving you access to a host of innovations, as well as a very handy Wi-Fi hotspot (read more about Radio 4.0 IntelliLink and OnStar on pages 17 to 21).
2. **Get comfortable.** From seven seats to one, pick the seating set up that suits you with our innovative Flex7® seating system. Quick release and fold flat seats adjust in dozens of combinations to suit any situation in seconds (read more about flexible seating on page 9).
3. **Bright ideas.** Full LED Adaptive Forward Lighting (AFL) lighting is another clever technology that automatically adapts the car's headlights to show you exactly where you're going, whatever the conditions (find out more about LED AFL on page 13).

3

# STEP INSIDE, MAKE YOURSELF AT HOME.

There's plenty to love inside the Zafira Tourer. Its panoramic sunroof and windscreen<sup>1</sup> give it a bright and airy feel, with plenty of relaxing space and creature comforts inside to make everyone feel at ease.

Front seats with AGR<sup>2</sup> certified ergonomics provide loads of adjustable settings to find your perfect seating position, including an adjustable front cushion, seat tilt and power lumbar adjustment.

Ready to hand on SE and Elite models, the FlexRail<sup>®</sup> centre console system gives you an armrest fit for royalty. In fact, it's more than just an armrest – it's a modular, multi-level storage system with adjustable storage to hold drinks and space to store your smartphone, loose change and tickets. There's even a hidden compartment large enough for a handbag, tablet or a slim laptop.

Once you're comfy and organised inside the Zafira Tourer you'll find it quiet, calm and accommodating as ever. You'll also notice higher quality materials, sophisticated colour choices and calm ambient lighting too, which all go together to make the Zafira Tourer look and feel a very nice place to be.

1. **Enjoy the view.** You'll love the extra light, space and views given by the panoramic windscreen and sunroof which stretches right over the front seats and into the back, creating a natural, airy ambience inside the car.
2. **Ergonomically certified AGR front seats.** Give your back the VIP treatment on long trips with extendable thigh support and adjustable lumbar area that support you in all the right places and help you relax.
3. **The king of armrests.** FlexRail<sup>®</sup> centre console storage and armrest. The centre console turns the space between the front seats into a flexible storage compartment – and the integrated armrest makes for a relaxing drive.

1

2

3

<sup>1</sup> Standard on Elite models only. <sup>2</sup> AGR seats are certified by the German organisation Aktion Gesunder Rücken (Campaign for Healthier Backs), a European centre of excellence for ergonomic design. AGR seats are standard for both front seats on Elite models and optional for the driver's seat on all other models, except for SC.

# ROOM TO LIVE.

Size matters, which is why we designed Zafira Tourer with the demands of family life firmly in mind, be it picking up the kids, a weekend adventure in the wilds, or transporting tricky loads.

Which is why you'll find our clever Flex7® seating technology on board the Zafira Tourer. It's the result of over two decades of perfecting flexible seating in our cars, making it easy to adapt the seating for all sorts of different situations.

Flex7® is essentially a very simple system. Each individual seat in the second and third rows can fold perfectly flat or tip up using quick release straps. This simple idea lets you achieve lots of different seating and space combinations, from five-seater to seven-seater and much more.

- 1. Third-row seating.** All models come with a third row of seats to make the Zafira Tourer a full-on people carrier for seven people. Both outside second-row seats slide forward and tilt up – so it's easy to get in and out of the back.
- 2. Turn three seats into two.** Lounge Seating is a great way of really spoiling second-row passengers – or keeping squabbling siblings apart! The centre seat of the second row flips down to make an armrest, then the two outside seats slide back and away from the doors, giving you even more elbow and legroom with the minimum of fuss.
- 3. Flat-folding seats.** Loads come in all shapes and sizes, and so does the luggage area in the Zafira Tourer. Each individual rear passenger seat folds totally flat so you can carry passengers and bulky loads at the same time.
- 4. Extra-large load space.** Switch from limousine-like comfort to all-purpose carrying ability in a matter of seconds – so you can transport that furniture, DIY kit or leisure equipment with ease.

Please note, for illustrative purposes only. When the second-row centre seat is occupied the passenger side third-row seat is only useable by a passenger up to a maximum height of 150cm.

# READY FOR LOADS OF FUN.

Looking for the perfect partner for sports, adventure and play? Well, look no further. Zafira Tourer carries it off in style.

Inside, the load-carrying potential is exceptional, with lots of storage features and space for all your kit. Outside, the optional FlexFix® carrier<sup>1</sup>, which is cleverly integrated into the rear bumper, makes light work of carrying a couple of bikes.

What's great about it is that you can both secure and carry your bikes with safety and ease – it simply slides out of the rear bumper when you need it and slides invisibly back in when you're back home – nice, neat and no fuss – ideal for those spur-of-the-moment cycling trips.

For bigger loads and longer adventures, you can hook up a trailer using the tow bar, which depending on the model you choose, is good for up to 1,650 kilos.

1. **Big boot.** Fold all the rear seats down and you've got a cavernous 1,860 litres of storage space. In its five-seat configuration, there's still 710 litres for luggage behind the second-row seats. And even in its seven-seat set up, you've still got up to 152 litres of space and 34 handy storage compartments.
2. **FlexFix® bike carrier.** Hidden in the bumper when not in use, this clever extra folds out into a sturdy rack for two full-sized bikes. Add the accessory bracket and you can carry two more bikes.
3. **Towing Pack.** At some point even the biggest boots fill up, which is when our optional tow bar comes in handy – a trailer stability programme also comes as part of the package which is good for towing up to 1,650 kilos.

1

2

3

# SMART LIGHTS.

- **Urban light.** At speeds under 55km/h, a wider spread of light shows more of the roadside to help show up pedestrians or other potential hazards

- **Country light.** At speeds above 55km/h, a longer, broader, dazzle-free, low-beam light helps highlight roadside hazards

- **Tourist mode (when activated).** When travelling on the continent, oncoming traffic will never be dazzled as the AFL headlights automatically angle themselves slightly downwards

Opel takes safety seriously. Which is why we developed the intelligent LED light technology that's now a proud standard for the Zafira Tourer. Optional at extra cost as part of the Premium Forward Lighting Pack, full LED Adaptive Forward Lighting (AFL) gives you greater visibility and safety at night by adapting the LED lighting patterns automatically to steering angle and speed, and according to your driving situation. Overall, the LED AFL system lights the road 30% brighter than halogen bulbs.

As well as the LED AFL system<sup>1</sup>, Zafira Tourer gets LED daytime running lights, a high beam assist system, the latest generation Electronic Stability Programme (ESP-plus) and a braking system with active safety functions, including cornering brake control, straight line stability control, rollover mitigation and an emergency brake assist system.

- **High beam.** Powerful down-the-road illumination on top of the LED low beam. Full-on lighting for maximum visibility
- **High beam assist.** Automatically dips your headlights when the AFL system detects other vehicles approaching (not illustrated)

- **Static cornering light.** At speeds up to 40km/h, when you indicate and turn the steering wheel past a certain angle, extra AFL LED cornering lights come on to show what's around the corner

- **Dynamic curve light.** Between 40 to 70km/h, and above a certain steering angle, extra AFL LED cornering lights give you a better view around high speed curves

- **Energy saving mode.** Switches off the cornering lights to save energy when Start/Stop mode is on

- **Parking light.** In reverse gear, this switches on the front cornering light on both sides of the car so it makes it easier for you to get in and out of parking spots

<sup>1</sup> Not available on SC models.

<sup>2</sup> Part of the Premium Forward Lighting pack that also includes LED headlights with dynamic beam levelling and LED tail lights.

# AN EYE ON SAFETY.

Choose your Zafira Tourer with the optional innovative front camera system<sup>1</sup> or driver assistance pack<sup>2</sup> to help you stay vigilant and keep your passengers safe on the road.

These radar-based safety systems continuously monitor other traffic, analyse your driving behaviour and automatically read upcoming road signs. Based upon this information, the system displays reminders and warnings on the instrument facia, helping to keep you safe and legal at all times.

These innovative systems have six main active functions while you are driving while the rear view camera option helps you reverse safely.

1. **Lane departure warning.** If you start moving out of your lane without signalling, the system sounds the alarm so you can get back on track. Side blind spot alert (not pictured), available as part of the driver assistance pack, also safeguards against potentially hazardous lane changes, so that if a car moves into your blind spot, it displays a warning icon in the side mirror.
- Following distance indicator.** Constantly indicates the number of seconds you are behind the vehicle in front, helping you maintain a safe distance (not pictured).
2. **Forward collision alert.** Also available as part of the driver assistance pack. If you approach other vehicles too quickly from behind, an audible alarm is triggered and warning icons are displayed. If you don't react to the warnings, it automatically primes the brakes and will even apply them in an emergency.

1

2

3

4

5

3. **Traffic sign assist.** Detects and displays speed limits and other traffic signs that you might otherwise miss, and can even recognise electronic and temporary signage and alert you.
4. **Adaptive cruise control.** Also available as part of the driver assistance pack, this system autonomously maintains the distance you set to the car in front, helping to prevent bumper-to-tail collisions. The system works closely with the forward collision alert to prevent you approaching other cars too fast.
5. **The rear view camera.** This system allows you to see behind the Zafira Tourer using the seven-inch IntelliLink display (which comes as standard), so you can reverse safely without straining to look over your shoulder.

<sup>1</sup> Features lane departure warning, following distance indicator and traffic sign recognition.

<sup>2</sup> Features side blind spot alert, forward collision alert with automatic city emergency braking, following distance indicator and adaptive cruise control.

# A TOUCH MORE CONNECTED.

One thing we can guarantee is that you'll never be bored on board the Zafira Tourer. Because every Zafira Tourer comes kitted out with an IntelliLink infotainment system as standard, with Bluetooth® and USB connectivity for Android or Apple iOS device, as well as digital radio. Once connected to your device, the Radio 4.0 IntelliLink lets you project your smartphone<sup>1</sup> or tablet apps<sup>1</sup> and functions to the 7-inch colour touchscreen display – perfect for safely making hands free calls, checking information and streaming music while you drive.

And with OnStar<sup>2</sup> onboard you'll also have a powerful Wi-Fi Hotspot<sup>3</sup> at all times, so you can make full use of your digital devices, anytime and anywhere.

2

- 1. The Navi 4.0 IntelliLink.** If navigation is your priority, choose the Navi 4.0 IntelliLink, with a fully integrated European satellite navigation system that provides precise and convenient routing with enhanced traffic service. Along with its AM/FM radio it seamlessly supports portable Bluetooth® and USB compatible smartphones and tablets.
- 2. The Radio 4.0 IntelliLink** can project your smartphone apps to the 7-inch touchscreen display. This includes your phone's contacts, messaging, music (inc. Spotify), radio (inc. Tune-In), podcast, navigation apps (e.g. Apple Maps for iPhone or Google Maps for Android) among many more. All of these can be accessed via the touchscreen, or you can use Siri (iPhone) or Google Now (Android) voice command for phone, messaging, music, maps and calendar. Standard on SC models.

androidauto

<sup>1</sup> Compatibility and certain functionalities may differ depending on type of device and version of operating system.

<sup>2</sup> For details of OnStar, please see pages 18 to 21. Check [www.opel.ie/onstar](http://www.opel.ie/onstar) for terms and conditions, details of availability, coverage and charges.

<sup>3</sup> Wi-Fi Hotspot service requires account with nominated network operator and is subject to mobile network coverage and availability. Charges apply after the free trial period.

The subscription packages could be different from the services included in the free trial package. Check [www.opel.ie/onstar](http://www.opel.ie/onstar) for terms and conditions, details of availability, coverage and charges.

# YOUR 24/7 PERSONAL CONNECTIVITY AND SERVICE ASSISTANT.

OnStar<sup>1</sup> is a premium service that makes you feel connected, safe and cared for, virtually everywhere in Europe and 24/7, 365 days a year: enjoy top-of-the-range features such as the 24-Hour Emergency Call Service, a fast in-car Wi-Fi Hotspot<sup>2</sup> and your own Personal Assistant.

<sup>1</sup> OnStar services require activation and an account with OnStar Europe Ltd., a GM company. Charges apply after applicable trial period. All services subject to mobile network coverage and availability. The OnStar subscription packages could be different from the services included in the free trial package. Check [www.opel.ie/onstar](http://www.opel.ie/onstar) for details of availability, coverage and charges. Terms and conditions apply. Opel is not responsible for the provision of OnStar or Wi-Fi services. <sup>2</sup> Wi-Fi Hotspot services require an account with OnStar Europe Ltd. and nominated network operator. Wi-Fi trial has a time limit and capped data allowance. Charges apply thereafter. All services subject to mobile network coverage and availability. <sup>3</sup> OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. <sup>4</sup> OnStar will direct a professional breakdown recovery team to your location. If your car is within the Opel New Vehicle Roadside Assistance coverage period, OnStar will connect with the Opel Roadside Assistance service, who will send help free of charge, subject to the Opel Roadside Assistance terms and conditions. If your vehicle is outside the coverage of the Opel New Vehicle Roadside Assistance service, the provider of the breakdown recovery service may apply charges for the services provided.

## SOS SAFE

Better safe than sorry! OnStar's specially trained advisors are there for you anytime and anywhere.

- **Automatic Crash Response<sup>1,3</sup>**: in case of a crash, our advisors automatically connect to your car. If needed, they immediately brief the emergency services with passenger and key car information and send them your exact location.
- **24-Hour Emergency Call Service<sup>1</sup>**: you, a passenger or a passer-by are not feeling well? Push the red SOS Button and our advisors make sure to call for help right away.
- **Roadside Assistance<sup>1,4</sup>**: if you have a flat tyre or a warning light in the dashboard goes on, just contact our advisors and they will send **Roadside Assistance** to your location, if required. This is even more valuable in areas with weaker mobile phone coverage or if your smartphone has run out of battery.
- **Stolen Vehicle Assistance<sup>1</sup>**: in case your car gets stolen, OnStar blocks the ignition so the car can't be restarted again and provides the police with GPS data to help retrieve your car safely.

<sup>5</sup> Some elements of Smartphone App, Destination Download and Vehicle Diagnostics may not be available for all cars/trim levels. An embedded Opel navigation unit and map data are requirements for the Destination Download service. Check [www.opel.ie/onstar](http://www.opel.ie/onstar) for service limitations and charges. <sup>6</sup> An OnStar advisor can help you to book a hotel room using Booking.com, subject to the Booking.com user terms and privacy statement, which can be found on the Booking.com website, and the applicable terms and conditions for your hotel. OnStar assists you to make a booking and is not responsible for the services provided by Booking.com or the applicable hotel. E-mail address and credit card required. <sup>7</sup> Only available for car parks listed in Parkopedia.com. Availability applies only to the moment of contact with OnStar.

## CONNECTED

In a connected world, so much is possible – and Opel is making sure you are fully equipped.

- **Wi-Fi Hotspot<sup>1,2</sup>**: a fast and stable Internet connection enables you and your passengers to work, surf or just stream movies on up to 7 devices – thanks to the powerful OnStar roof antenna.
- **Remote Control<sup>1,5</sup>**: if you forgot to lock your car, you can use your smartphone to remotely lock or unlock it, even from afar, thanks to the **myOpel Smartphone App**.
- **Car Locator<sup>1,5</sup>**: forgot where you've parked? Pinpoint your car's location on the app. If you are close and still do not see it, just blink the headlamps or honk the horn to see where you've parked.

## CARED FOR

Who wouldn't want a personal assistant? At the touch of a button, you will be connected to an advisor who is at your service 24/7/365.

- **Hotel Booking<sup>1,6</sup>**: plans changed? Or too tired to keep driving? Let our advisors take care of your hotel booking en route, powered by Booking.com. Just press the blue Service Button.
- **Destination Download<sup>1,5</sup>**: no more address typing! Our advisors assist you in finding an alternative route, a restaurant or a petrol station. They will remotely download the address onto your in-built navigation system, too.
- **Vehicle Diagnostics<sup>1,5</sup>**: not sure what a sudden light in the dashboard means? Just ask the advisors to remotely check key systems in your car, in real time.
- **Parking Service<sup>1,7</sup>**: never search for a parking space again! Via Parkopedia.com, OnStar finds and leads you to the next vacant parking spot. This way, you already know availability and parking fees before you get there.

# HOW CAN I GET ONSTAR?

OnStar is standard in every new Opel Zafira Tourer.

## TO GET IT:

- 1** OnStar will send you an e-mail invitation so you can activate your account.
- 2** Complete your registration online and set up your preferences.
- 3** OnStar is ready to go!

After the 12-month free trial period<sup>1</sup>, you can decide to order a continuation of the OnStar services. This will be subject to a fee.

You can purchase Wi-Fi Hotspot data packages separately from the nominated network provider by following the instructions on [www.opel.ie/onstar/aftermytrial](http://www.opel.ie/onstar/aftermytrial). Charges apply after the free trial period.

To find out more, visit [www.opel.ie/onstar](http://www.opel.ie/onstar)

**Your privacy, your call.** You are in control of which information you want to share with us. Only in emergency cases, OnStar can override this. More information on [www.opel.ie/onstar](http://www.opel.ie/onstar)

# HOW MYOPEL SERVICES DO MORE FOR YOU.

myOpel is your one-stop shop to manage everything to do with your Opel – from your OnStar account to organising your vehicle's next service to rewards and exclusive offers. Everything is targeted to you and the Opel you drive.

- Manage your Opel – take care of your Opel online and book a service.
- Access your OnStar services – get diagnostics reports, manage your subscription and more.
- Exclusive offers – stay up to date on special offers, latest news and current events.
- Dealer locator – find your nearest Opel Dealer.

If you already are an OnStar customer, you can access all the myOpel services. Otherwise, you can register for myOpel by following these easy steps:

- 1** When you order your car, your dealer will go through a simple pre-registration with you.
- 2** We will send you an e-mail invitation so you can activate your account.
- 3** Complete your registration online.
- 4** myOpel is ready to go!

To easily access myOpel from your smartphone, just download the app from the Google Play Store or from the Apple App store.

Illustrative example.

1 Free trial periods start with first registration or delivery from the Opel dealer, whatever comes first, independent of customer activation.

# ENJOY THE RIDE.

The Zafira Tourer doesn't look like a run-of-the-mill people carrier – and you'll be pleased to hear it doesn't drive like one either.

In fact, you'll find its ride is smooth, composed and incredibly responsive – thanks to the engineering genius of its Watt's link rear suspension system<sup>1</sup>, matched with a long wheelbase and wide track that gives it superb stability in all conditions.

Then there's the optional FlexRide Adaptive Stability Technology<sup>2</sup> which further enhances your experience by adjusting the ride settings to suit your own personal driving style. FlexRide lets you switch between a leisurely or a sporty ride, depending on the conditions (or your mood!).

With the agile response and handling of a mid-sized car, Zafira Tourer is equally capable whether about town or on the motorway. And, with a choice of two German-engineered diesel engines, fuel economy and emission control are excellent.

1

## 1. Super-smooth automatic option.

The Zafira Tourer's refined six-speed automatic transmission proves you can have dynamic performance with a relaxed driving style without excessive engine capacity. What's more, every automatic comes with hill start assist to make setting off a breeze.

2. **Switch your ride.** FlexRide technology lets you change the driving dynamics of the Zafira Tourer to suit your situation. At the touch of a button, you can switch between Sport, Standard and Tour. In combination with Watt's Link rear suspension, the Sport mode automatically adjusts the dampers and other settings to give you even more grip, while the Tour mode makes long journeys super smooth.

2

<sup>1</sup> Put simply, the Watt's link rear axle design gives the Zafira Tourer greater lateral control, improving the car's performance on turns, corners and uneven surfaces. <sup>2</sup> Optional on SE and Elite models only.

Cosmic Grey two-coat metallic paint is optional at extra cost.

# SC.

Perfectly equipped and a dream to drive, SC is the ideal start for just about every family, with premium features like OnStar, the Radio 4.0 IntelliLink system and cruise control as standard, as well as plenty of tempting options to tweak your SC.

## Standard features include:

### Infotainment

- OnStar personal assistant with Wi-Fi, emergency and crash response, destination download\*, smartphone vehicle diagnostics app, stolen vehicle alert and roadside assistance call-out\*\*

\*Destination Download is available on carlines with an embedded Opel navigation system.

\*\*Subject to your vehicle being within its Opel Roadside Assistance cover period.

Apple CarPlay and Apple are trademarks of Apple Inc. registered in the U.S. and other countries. Android is a trademark of Google Inc.

1

2

3

Mineral Black two-coat metallic paint is optional at extra cost.

# SE.

Ramping up the on board technology and comfort options, SE gives you more ways to enhance your drive. And naturally there's plenty of options to tailor your SE even further.

## Infotainment features include:

- OnStar personal assistant with Wi-Fi, emergency and crash response, destination download\*, smartphone vehicle diagnostics app, stolen vehicle alert and roadside assistance call-out\*\*
- Navi 4.0 IntelliLink satellite navigation system (embedded for use with OnStar) 1
- 7-inch colour touchscreen
- DAB/FM/AM radio
- Smartphone connectivity for your phone and music streaming
- Steering wheel mounted audio controls for phone, music and cruise control
- Voice command for phone/'one shot' destination, messaging read out and auto reply
- Bluetooth® phone, messaging and music streaming
- USB and aux-in connection

- Front passenger's underseat storage facility
- Ambient light
- Electric parking brake
- Electronic climate control

## Exterior/styling features

- Front fog lights
- Chrome-effect lower window surround
- Silver-effect roof rails
- Automatic lighting control
- Rain-sensitive windscreen wipers
- Remote control security alarm system
- Dark-tinted rear windows

## Alloy wheel options at extra cost

- 18-inch 10-spoke alloy wheels 2
- 19-inch multi-spoke alloy wheels 3

For details of the complete SE model line-up, please see the Zafira Tourer Price and Specification guide available to download from [www.opel.ie](http://www.opel.ie)

\*Destination Download is available on carlines with an embedded Opel navigation system.

\*\*Subject to your vehicle being within its Opel Roadside Assistance cover period.

1

2

3

Lilop seat fabric in Light Neutral (illustrated above) is a no-cost option.

Rioja Red two-coat premium paint is optional at extra cost.

# ELITE.

Elite gives you the full Zafira Tourer experience with all the trimmings. For an MPV that begins at a premium level, this gives you full-on luxury that you'll never tire of.

## Standard features over SE include:

### Interior/styling features

- Leather seat trim (front and second row seats)
- Morrocana leather-effect side bolsters and third-row seats
- Ergonomic sports front seats with extendable seat cushions and seat tilt adjustment
- Driver four-way electrical lumbar adjustment
- Electrically heated front seats 2

### Exterior styling features

- Panoramic windscreen 1
- Panoramic sunroof (excludes roof rails) 1
- 18-inch alloy wheels
- 19-inch alloy wheels (optional at extra cost) 3

For details of the complete Elite model line-up, please see the Zafira Tourer Price and Specification guide available to download from [www.opel.ie](http://www.opel.ie)

# EXTRA MAKES LIFE BETTER.

With its spacious, flexible, all-you-can-store interior, there isn't much the Zafira Tourer can't handle.

But who doesn't need some little extras to tailor their car? Whether you're starting a family or planning a road trip, there's a genuine accessory made for the Zafira Tourer.

Here's a selection of our most popular accessories.

To explore the full range (including the FlexOrganiser® system), visit [www.opel.ie/accessories](http://www.opel.ie/accessories).

1. **Opel-branded roof box<sup>1</sup>.** Sturdy and streamlined, this stylish roof box is perfect for the type of gear that gets everyone up off the sofa and out into the fresh air.
2. **Privacy shades.** High-grade shades give your passengers rock-star privacy and help block sunlight to keep the car cool. Tailored to the exact size of the Zafira Tourer's rear windows, they'll stay securely in place with the windows up or down.
3. **FlexConnect folding table.** Stable, secure and foldable, the FlexConnect table has a handy cup holder and plenty of space for things like a book, tablet or a snack.
4. **Reversible hard cargo tray.** A sturdy tray to help keep your boot clean and tidy. One side is coated with a hard, anti-slip surface, the other with carpet for a softer look and feel. A raised edge helps contain liquids if there's any spillage.

1

5. **FlexOrganiser® divider.** An adjustable organiser that hinges on the optional FlexRails® system, mounted on each side of the boot. The FlexOrganiser® divider helps keep loads and objects in place while keeping them separate from other luggage.
6. **Dog guard.** This safe, robust and easy-to-install accessory makes sure your beloved pets and passengers travel safely together, and also helps keep the seats clean too.
7. **FlexDock®.** A safe and stylish way to secure your smartphone to the dash, this FlexDock® baseplate does away with cable clutter, holding your iPhone or Android device so you can see the screen, while charging the battery at the same time.

Due to the limitations of the printing process, the colours reproduced may vary slightly from the actual paint colour and trim material. As a result, they should be used as a guide only. Your Opel dealer has a comprehensive display of paint samples.

# LOOKS YOU CAN FEEL.

Beautifully tailored seat upholstery and an array of beautiful exterior colours are a big part of the Zafira Tourer's premium look and feel.

Some of the stylish interior trims are also available with ergonomically designed front seats, made to promote healthier backs with individual controls so you can extend the seat cushion to support your thighs and adjust the lumbar area to the contours of your back.

Truly a great looking set of trims that will make you feel even better.

1. **SC.** Mando seat fabric with Atlantis bolster fabric in Jet Black. Dark Pewter stitching, décor mouldings in Blasted Silver with High Gloss Chrome inlays.
2. **SE.** Lilop seat fabric with Morrocana bolsters in Jet Black. Two-tone stitching in Shadow Grey and Rust, décor mouldings in Ruthenium Metallic with High Gloss Chrome inlays.
3. **SE no-cost option\*.** Lilop seat fabric with Morrocana bolsters in Light Neutral. Two-tone stitching in Shadow Grey and Ceramic White, décor mouldings in Ruthenium Metallic with High Gloss Chrome inlays. Includes ergonomic front seats.
4. **Elite.** Black leather seat inserts and inner bolsters with all other parts in black Morrocana. Star Silver stitching, décor mouldings in Ruthenium Metallic with High Gloss Chrome inlays. Includes ergonomic driver's sport-style seat (AGR-approved\*\*) and sports-style front passenger seat.

\*Standard with Darkmoon Blue models only. Available as a no-cost option with Mineral Black and Emerald Green models only

\*\*AGR (The Campaign for Healthier Backs) is an independent centre of excellence for ergonomics, based in Germany.

# Opel Service.

## **Europe-wide Customer Service.**

Throughout Europe, more than 6,000 Opel repair workshops are ready to provide professional and punctual service. As you'd expect, they'll repair your vehicle to the highest standards. More unusually, perhaps, they'll tell you exactly what's been done and why, and they will show any costs involved clearly and concisely.

## **New Vehicle Warranty.**

Opel Automobile Ireland Limited (referred to as 'Opel') guarantees for motor vehicles of its manufacture, that each vehicle is free from defects according to the state of the art for a period of: The first 2 years carry an unlimited mileage warranty. The 3rd year of warranty has a mileage limitation of 100,000km for Passenger Cars & Car derived vans, for Combo, Vivaro and Movano the

limitation is 150,000km. The warranty is valid from delivery from the supplying Opel Distributor or from first registration, whichever occurs first (warranty start date).

## **Opel Roadside Assistance.**

This free-of-charge mobility service is valid for all new Opel vehicles during the first year after the date on which they were first registered or delivered to the customer by the dealer, depending on which date comes first. No matter where you are, the Opel Assistance is there to help. In more than 40 European countries – round the clock. Offering services such as breakdown assistance, towing services, rental car, hotel accommodation or the organisation of onward transportation, e.g. via rail or air (please see programme conditions).

## **12-year Anti-Perforation Warranty.**

Opel provides you with a reliable long-term warranty against perforation, provided you have your vehicle serviced and all necessary inspections performed according to the service booklet.

## **2-year Warranty for Opel Batteries.**

With a 2-year warranty for service-installed Opel original batteries your starting problems are over – even in the coldest winter.

## **Parts and Accessories Service.**

Opel parts and accessories are available at your local Opel Shop, where you'll find everything to make your vehicle more comfortable or to meet your individual needs, as well as expert advice.

## **Opel on the Internet.**

Need instant information? At [www.opel.ie](http://www.opel.ie) you can access a wealth of information on all Opel cars, services, and accessories. Get online for Opel news and product updates.

## **Recycling.**

Information about Design for Recycling, Take-Back points for End of Life Vehicles (ELVs) and the recycling of ELVs can be found on the Opel website [www.opel.ie](http://www.opel.ie)

**In case of any questions, please ask your Opel dealer. More information can be found at [www.opel.ie](http://www.opel.ie)**
