PEUGEOT RECOMMENDS TOTAL

www.peugeot.ie

Welcome to the world of PEUGEOT, a world of innovative French manufacturing tradition. Our incredible journey started over 200 years ago with a steel foundry where we produced a diverse range of products, from coffee grinders to saws. Our pursuit for innovation lead to the production of our first motorised vehicle in 1889,

the Serpollet-Peugeot, a steam-powered three-wheeler. Today PEUGEOT channels all its energy into designing vehicles that deliver a sensory experience beyond driving. Indeed, you could say the new PEUGEOT 308 is over 200 years in the making.

STYLE ICON.

STAND OUT FROM THE CROWD.

At PEUGEOT, sharp design is in our DNA and the design of the new 308 is no exception. Displaying the very latest PEUGEOT design codes seen in the new 3008 and 5008 SUVs, the new 308 does not fail to make a statement. The iconic PEUGEOT lion is housed proudly on the redesigned front grille, surrounded by a new front bumper and bonnet.

SEE THE LIGHT.

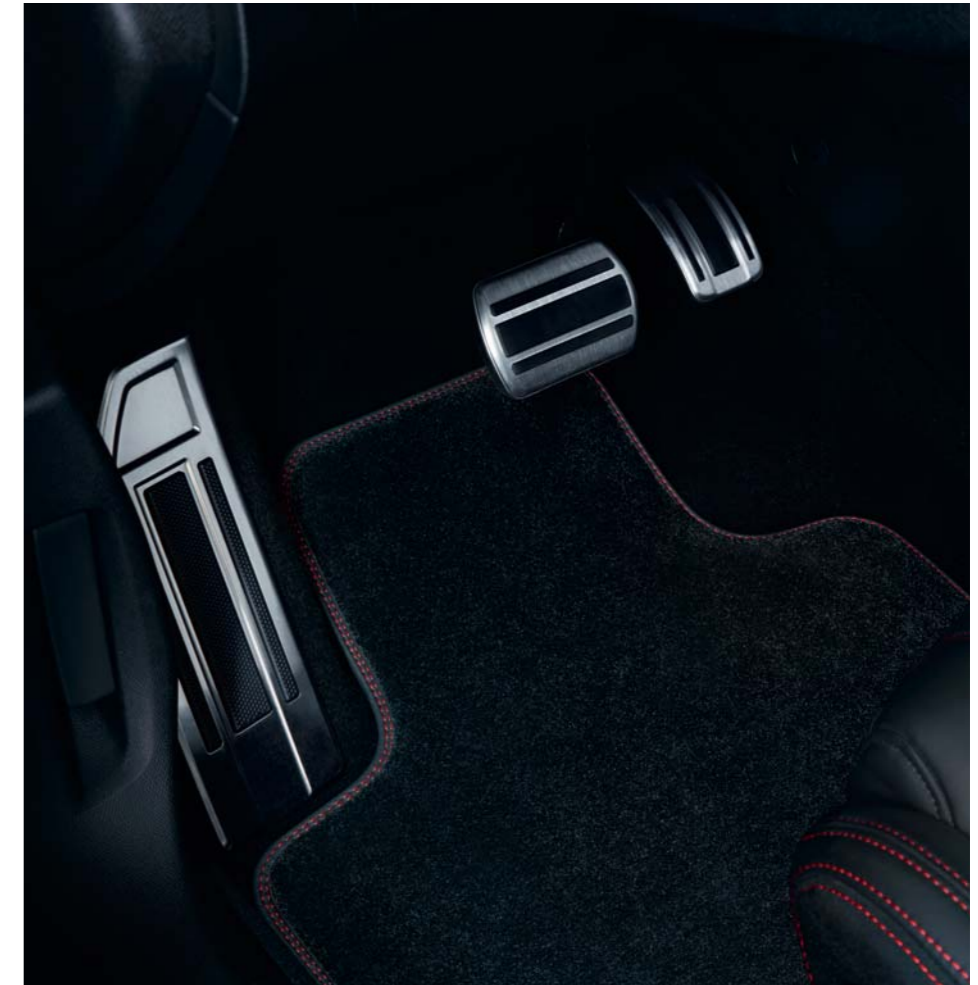

To complement the sharp body design, the new PEUGEOT 308 has a distinct lighting signature. Full-LED headlights*, sequential scrolling LED indicators* and LED front fog lamps* create an unmistakably feline look, whether it's day or night, setting the new 308 apart from the crowd.

* Optional or standard, according to the trim chosen. Please refer to the model specification sheet for full details

PEUGEOT I-COCKPIT®.

Inside the new 308, passengers are immersed in the world of the spectacular PEUGEOT i-Cockpit®, designed to optimise driving pleasure. Discover a more agile, intuitive type of driving thanks to the combination of the compact sports steering wheel, head-up display and capacitive touchscreen.*

UNCOMPROMISING QUALITY.

Stylish details abound in the new PEUGEOT 308. Every detail of the new 308 has been designed with quality and perfection in mind. No detail has been overlooked. The clean, refined interior and absolute air of quality, marry with the meticulous attention to detail and sumptuous materials used throughout.

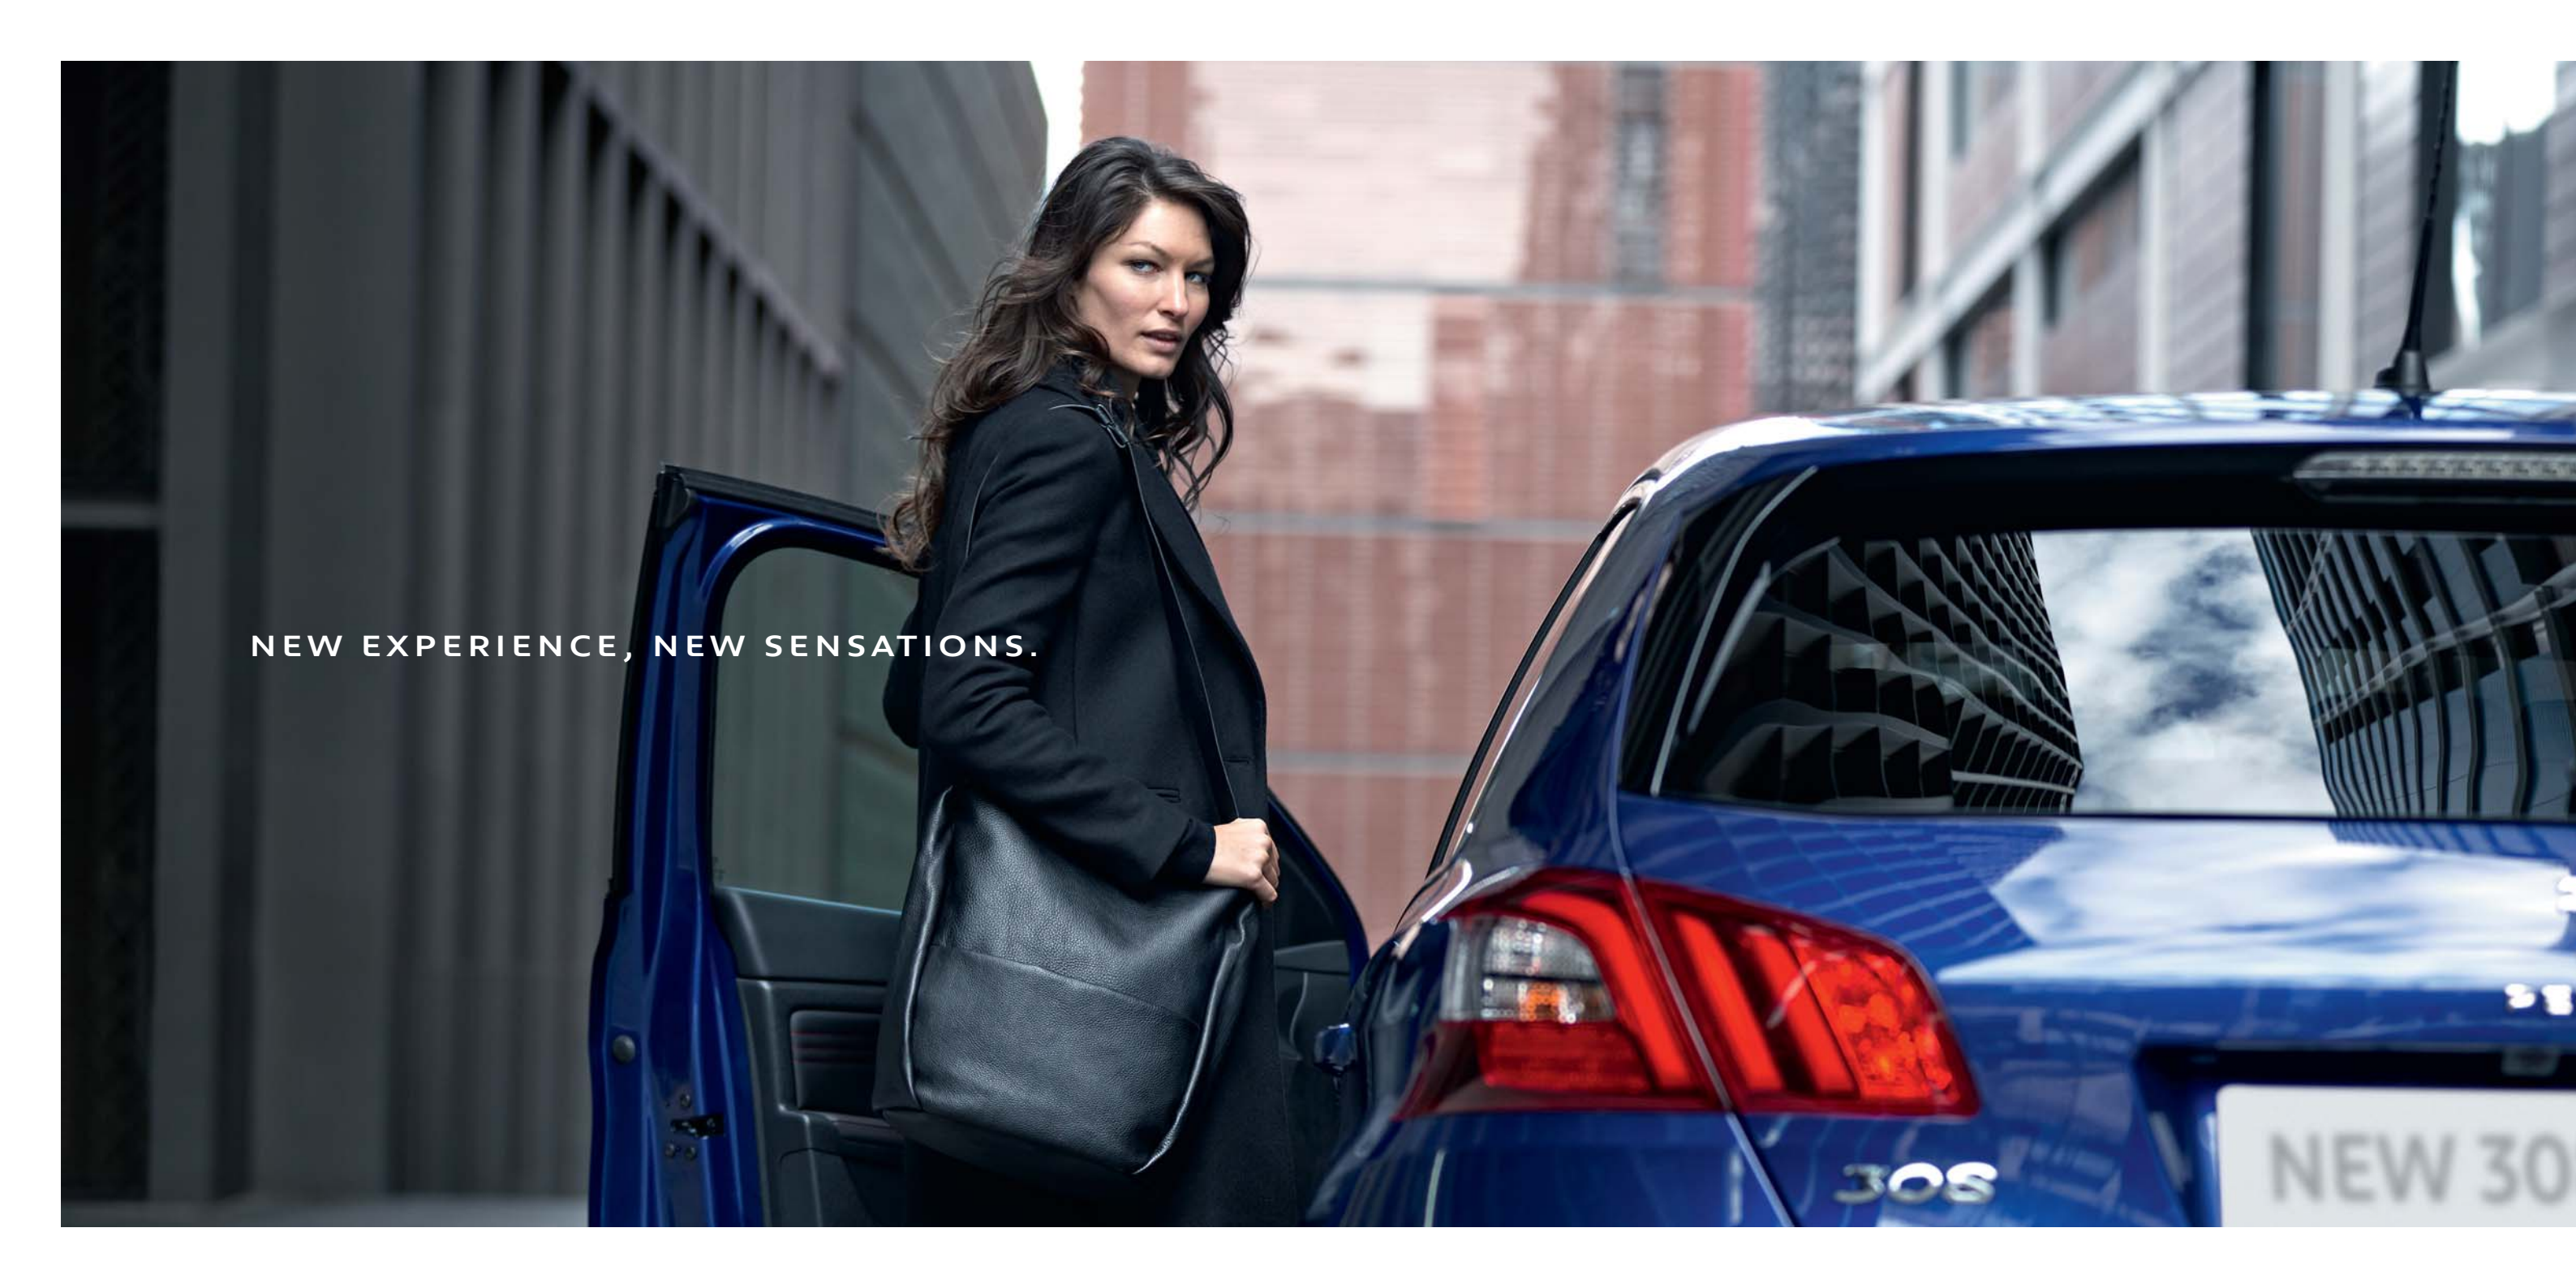

FEEL THE DIFFERENCE.

Journeys will never be the same again, as the new PEUGEOT 308 immerses you in a world of well-being and comfort. Feel the difference instantaneously, thanks to our specially designed Comfort or Sports seats* that can be adjusted to offer optimal comfort. Upgrade to leather trim** or enjoy enhanced comfort from our massage function*.

BATHE IN NATURAL LIGHT.

Thanks to a large panoramic glass roof*, passengers will enjoy the world outside. This large fixed panel glass roof bathes the cabin in natural light to deliver an airy, bright interior. An electric roller blind is included, to block the light, when needed.

A woman with long dark hair, wearing a black coat and a black leather bag, stands by the open rear door of a blue Volvo 305. The car is parked in an urban setting with brick buildings in the background. The text "NEW EXPERIENCE, NEW SENSATIONS." is overlaid on the image.

STAY CONNECTED.

With the Mirror Screen® function*, connectivity has never been easier. Using a compatible smartphone, key features are mirrored onto the touchscreen, including music and maps. Integrated 3D Navigation** offers voice recognition (radio, navigation and telephony features).

DELIGHT YOUR SENSES.

High fidelity acoustics, thanks to the sharp, natural sound of the Denon Hi-Fi speaker system*, and the amplified sound from the Driver Sport Pack** will delight the senses of even the most discerning driving enthusiast.

OUTSTANDING DYNAMICS.

DRIVING PLEASURE.

The new PEUGEOT 308 delivers exemplary behaviour on the road. Road-holding is adapted to each engine type, whether it is BlueHDi diesel or PureTech petrol, for optimal effectiveness and comfort. With the Driver Sport Pack*, certain settings are modified to deliver more intense driving sensations, including steering weighting, throttle response and gear changes.

* Optional, or standard, according to the trim chosen.
Please refer to the model specification sheet for full details

THE PURSUIT OF EFFICIENCY.

PureTech.

The new PEUGEOT 308's PureTech petrol engines are more efficient than ever, thanks to reduced weight and size. PureTech technology delivers driving pleasure and high-level performance, without compromising on consumption or emissions. Indeed, the PureTech petrol engine won an International Engine of the Year award* in 2015, 2016 & 2017.

BlueHDi.

The new PEUGEOT 308's BlueHDi diesel engine range combines high performance and reduced emissions. With an exclusive combination of SCR (Selective Catalytic Reduction) and an additive DPF (Diesel Particulate Filter), BlueHDi engines reduce fuel consumption while restricting emissions, reducing the emission of nitrogen oxides (NOx) by up to 90% and eliminating 99.9% of fine particles.

HAVE IT YOUR WAY.

The new 308 is available with a wide choice of accessories and optional equipment to suit your lifestyle, your needs. With so many choices, you can tailor your car to your exact preference – so you will stand out from the crowd. Talk to your local Peugeot Dealer about our Genuine Peugeot Accessories today.
