PEUGEOT RECOMMENDS TOTAL

www.peugeot.ie

Welcome to the world of PEUGEOT. Our incredible journey started over 200 years ago with a steel foundry producing a diverse range of products, from coffee grinders to saws. Our pursuit for innovation led to the production of our first motorised vehicle in 1889, the Serpollet-

Peugeot - a steam-powered three-wheeler. Today, PEUGEOT channels all its energy into designing vehicles that deliver a sensory experience beyond driving. Indeed, the all-new PEUGEOT 5008 7-seater SUV is over 200 years in the making.

ENTER A NEW DIMENSION.

A NEW WAY OF THINKING.

Enter a new dimension with the all-new PEUGEOT 5008 SUV, a new breed of SUV that combines sharp and assertive exterior style, cutting edge technology, high levels of comfort and safety equipment and outstanding flexibility, thanks to the fitment of seven individual seats.

MAKE YOUR PRESENCE KNOWN.

Stand out from the crowd with the all-new PEUGEOT 5008 SUV. With a purposeful stance and raised ride height, the new PEUGEOT 5008 SUV makes its intentions clear. Perfect proportions and impactful design touches are everywhere to be seen.

A GREAT START.

A true SUV, the striking new PEUGEOT 5008 SUV features a raised, horizontal bonnet and a vertical front face to give the car real presence on the road. A prominent grille and feline headlamps with LED daytime running light technology complement the design beautifully.

THE PERFECT FINISH.

The striking front face design touches extend right along the side profile, to the rear. Signature PEUGEOT design touches include our instantly recognisable 'Claw Effect' rear LED lights, housed in an upmarket, gloss black cluster connecting strip. Sheer perfection!

CONQUER THE OPEN ROAD.

HEIGHTENED SENSATIONS.

The spectacular new PEUGEOT i-Cockpit® on board the all new Peugeot 5008 SUV invites you to explore a 100% digital world. An 8" capacitive touch screen, configurable head-up digital instrument panel, which can be personalised, and the compact steering wheel with integrated controls are guaranteed to enhance your driving experience.

A SMOOTHER JOURNEY.

Versions equipped with an Efficient Automatic Transmission (EAT6) boast a stylish, ergonomically designed control. Carefully selected materials combine to give it an appearance most fitting of the new upmarket PEUGEOT i-Cockpit®. Offering as much substance as style, 'park' is engaged when the ignition is switched off, giving the driver one less thing to think about.

MIRROR SCREEN® FUNCTIONALITY.

Mirror Screen® functionality, standard from Active level two models, encompasses Apple CarPlay™ and Android Auto technology. With a compatible device you will be able to enjoy key features from your smartphone, mirrored onto the 8.0" capacitive touch screen. In addition to charging via USB, a smartphone charging plate** allows wireless inductive charging on the move.

* The MirrorScreen® function operates via Apple CarPlay™ (for compatible iOS phones) or via Android Auto (for compatible Android phones)

** Optional or standard, according to the trim chosen: induction charging for devices compatible with the Qi standard. Please refer to the model specification sheet for full details

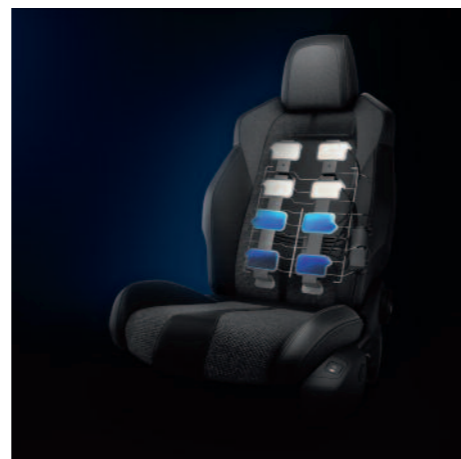

3D CONNECTED NAVIGATION.

Navigating has never been easier thanks to the new 3D Connected Navigation* system available on the all-new PEUGEOT 5008 SUV. The navigation display can be viewed either on the touchscreen or head-up digital instrument panel. The system includes European mapping, 3D city mapping and voice recognition, to allow for the input of address details.

* 3D Connected Navigation is optional or standard, according to the trim chosen. Please refer to the model specification sheet for full details

DELIGHT YOUR SENSES.

Life on board the all-new PEUGEOT 5008 SUV brings a feast for the senses. The compact steering wheel is designed for greater driver feedback and delivers maximum control. The exquisite materials chosen and ergonomic controls are a sensory delight. The Driver Sport Pack* can be customised to two distinct moods, to reflect your daily drive preference: Boost or Relax. The i-Cockpit® Amplify* with multi-fragrance diffuser, together with 5-mode driver seat multipoint massage*, all combine to create a feeling of well-being and luxury. Step into a world of sensual delight.

UNCOMPROMISING QUALITY.

ACCOUSTIC EXCELLENCE.

The optional Hi-Fi speaker system*, developed by Focal®, specialists in acoustics for over 35 years, is designed to provide the most immersive sound in the confines of a car. Complete with ten loudspeakers with a combined 515 watt amplification, the system delivers optimum sound quality.

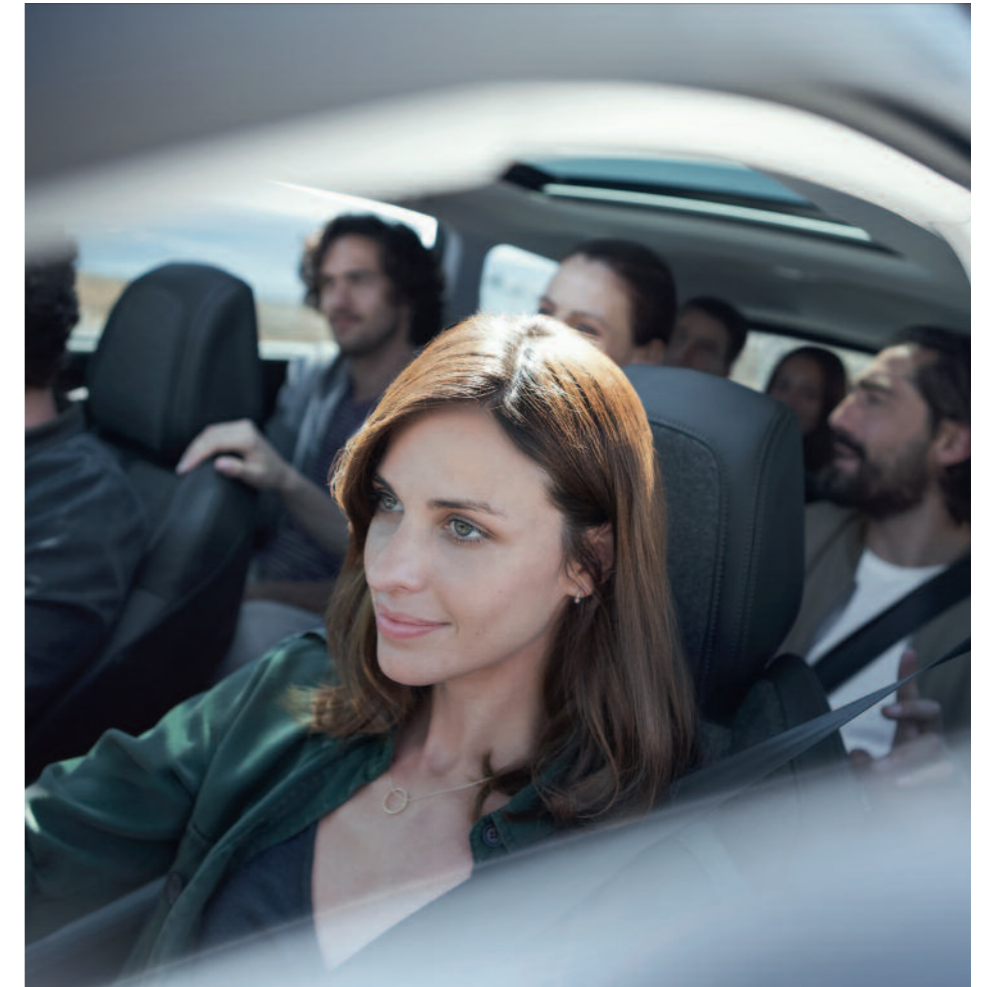

STYLE AND SUBSTANCE.

Stylish details abound in the new PEUGEOT 5008 SUV, complemented by numerous practical touches. With over 30 litres of interior storage, including a large front centre console and two second row underfloor storage compartments, you won't be left wanting for storage space. Featuring strengthened lids, the underfloor storage compartments are compatible with Isofix child base support legs. Three sets of Isofix mounting points across all three seats in row two, sun blinds* and seat back tray tables* all make for practical family motoring.

ENJOY THE WORLD OUTSIDE.

The panoramic glass roof* bathes the cabin in natural light. With tilt and slide function, the large glass roof opens up to 16 inches (27.5cm). Complete with mood lighting, illuminating the glass panel at night, this special roof comes with an electric sunblind.

OUTSTANDING MODULARITY.

The new 5008 SUV boasts outstanding modularity, with 7 individual seats on board. Second row occupants enjoy longitudinal adjustment, to maximise legroom and even recline their individual seat back for optimum comfort. Third row occupants enjoy generous levels of leg and headroom. If not required, the third row seats can be removed and stored separately.

A close-up portrait of a woman with long, dark, wavy hair and light-colored eyes, looking slightly off-camera with a gentle smile. She is wearing a blue wetsuit. The background is a blurred coastal scene with mountains and a body of water. Another person in a wetsuit is visible in the background, out of focus.

INFINITE POSSIBILITIES.

EASY LOADING.

Hands Full? The ingenious Smart Tailgate* opens and closes automatically, making it easy to load objects - surf board, shopping, pets - whatever you need. All it takes is a swift foot motion under the bumper centre to activate it. With a large boot opening and low sill, loading couldn't be easier.

* Optional, according to trim chosen. Please refer to the model specification sheet for full details

CREATE YOUR OWN SPACE.

With 7 independent seats, the new 5008 SUV offers outstanding modularity. With row 3 seats folded, you enjoy an impressive load space of 952 litres. The third row seats weigh just 11kg each and when removed from the vehicle, load space increases to 1060 litres. Fold the second row flat and it increases to a cavernous 2,150 litres. For extra long loads, fold the front passenger seat* to increase the load length to 3.2m.

* Standard, according to trim chosen. Please refer to the model specification sheet for full details

A COMMANDING VIEW.

With its raised ride height, the new 5008 SUV gives you a commanding view of the road ahead from the comfort of the new PEUGEOT i-Cockpit®. Offering saloon levels of comfort, the new PEUGEOT 5008 SUV will take any journey, no matter the distance, in its stride. If your journey should take you on more winding roads, the compact sports steering wheel increases the sense of agility, whilst exemplary road holding gives confidence when cornering.

HILL ASSIST DESCENT CONTROL.

Hill Descent Control is incorporated as part of the Advanced Grip Control® system*. When descending a slope with a gradient of more than 5% and with the vehicle speed below 30kmph, the system works to reduce the risk of slipping. During descent, speed and brake control is maintained, to allow the vehicle to creep down a steep slope in a completely controlled manner.

ADVANCED GRIP CONTROL®.

Advanced Grip Control®* is the perfect alternative to a traditional but heavy 4x4 system. With a simple twist of the mode selector on the centre console, grip adapts instantly to the most difficult conditions. Modes include Mud, Snow and Sand. Working in conjunction with the system are 18" mud and snow tyres to assist in areas of low traction.

ADVANCED DRIVER ASSISTANCE SYSTEMS.

Every new 5008 SUV enjoys three sets of Isofix mounting points, child locking (door and windows), tyre press sensors, Electronic Brake Force Distribution, Driver Attention Alert, Lane Departure Warning and 6 airbags, including full length curtain airbags along all 3 rows. Other trims feature Automatic Emergency Braking with Pedestrian Detection*, Active Blind Spot Detection*, Active Lane Keeping Assistance* and PEUGEOT Smartbeam Assistance.*

* Standard, according to the trim chosen. Please refer to the model specification sheet for full details

ADAPTIVE CRUISE CONTROL WITH STOP FUNCTION.

For a more relaxed drive, enjoy the benefits of the ACC Stop* system, this adaptive cruise control function, regulates the vehicles speed as well as maintaining a set distance to the car in front, requiring fewer driver inputs. The system automatically uses both the brakes and engine braking to regulate the distance behind the car in front, bringing the car to a complete stop if necessary.

* Optional on auto transmissions only, except 1.2 PureTech 130 auto. Please refer to model specification sheet for details

1,6 L BlueHDi 120 S&S

Gearbox	6-speed manual
Maximum torque	221 Nm from 1,750 rpm
0-100kph	11.4 seconds
Urban consumption L/100km	4.5
Extra-urban consumption L/100 km	3.9
Mixed consumption L/100 km	4.2
Carbon Dioxide Emissions CO ₂ (g/km)	108

BlueHDi DIESEL.

The new 5008 SUV's BlueHDi Euro 6* engines are the most technologically advanced diesel powertrains ever developed by PEUGEOT, combining high performance, ultra-efficiency and reduced emissions. With an exclusive combination of SCR (Selective Catalytic Reduction) and a DPF (Diesel Particulate Filter), BlueHDi engines reduce fuel consumption, while restricting emissions to between 106 and 124 g/km of CO₂, reducing the emissions of nitrogen oxides (NOx) by up to 90% and eliminating 99.9% of fine particles. Available in 100hp, 120hp, 150hp and 180hp outputs, depending on the trim level chosen, the engines are combined with manual or 6-speed automatic gearboxes.

* According to EU regulated emission standards

1.2 L PureTech 130 S&S

Gearbox	6-speed manual
Maximum torque	170 Nm from 1,750 rpm
0-100kph	10.9 seconds
Urban consumption L/100km	6.0
Extra-urban consumption L/100 km	4.5
Mixed consumption L/100 km	5.1
Carbon Dioxide Emissions CO ₂ (g/km)	117

PureTech PETROL.

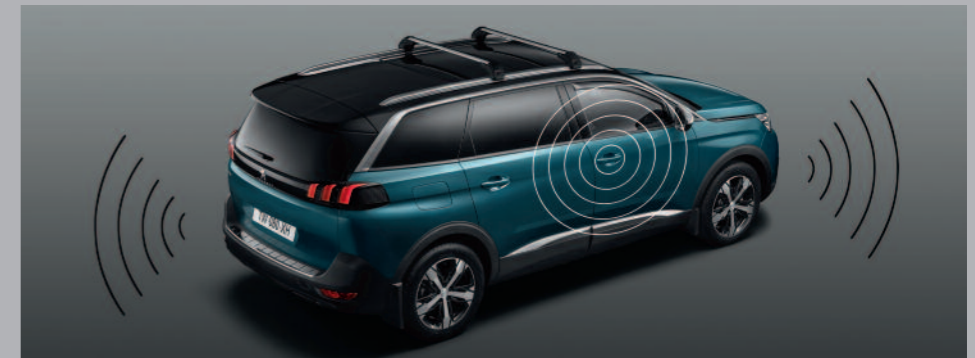

The all-new PEUGEOT 5008 SUV's PureTech petrol technology delivers unrivalled driving pleasure and high level performance, without compromising on reliability and robustness. The revolutionary 1.2-litre PureTech 130bhp S&S engine was voted International Engine of the Year 2015, 2016 & 2017 in its category* and displays emissions from 117 g/km of CO₂. It can be combined with a 6-speed manual or automatic gearbox.

* 1.0L - 1.4L Category

NETWORK AND SERVICES.

When you choose Peugeot, you can rest easy, safe in the knowledge that your vehicle has been designed and built to give you years of worry free motoring. Our primary aim is to bring you peace of mind motoring.

As a Peugeot owner, you can furthermore rely on the customer care services of your dealer. This will ensure that you're talking to a specialist who'll listen to you, understand your problems and respond efficiently - someone who also has the expertise to maintain your Peugeot correctly, using trained technicians, Peugeot diagnostic equipment and Peugeot original parts.

FOR YOUR PEACE OF MIND WARRANTY

All new Peugeot passenger vehicles registered in Ireland benefit from a 5 year 100,000km warranty, which consists

of a 3 year manufacturer warranty plus a 2 year warranty extension. Our cars also come with a 12 year anti-perforation and 3 year paint warranty (6 and 2 years on vans). For full terms and conditions, please contact your Peugeot Dealer.

PEUGEOT ASSISTANCE

All new Peugeot passenger vehicles registered in Ireland come with 3 years Peugeot Assistance and breakdown recovery. Peugeot Assistance covers all incidents involving vehicle-based faults and is available 24 hours a day, 365 days a year. Peugeot Assistance includes European cover, home and roadside assistance, vehicle recovery and a courtesy vehicle or accommodation if required (terms and conditions apply).

SERVICING YOUR PEUGEOT

Peugeot in Ireland has a network of Peugeot Service Centres. Our Aftersales teams are trained to provide you with the best care for your vehicle. Nobody knows your Peugeot like we do. Logon to Peugeot.ie to find your nearest Peugeot Service Centre and please refer to your maintenance book for details of the relevant service intervals.

PEUGEOT SERVICE CLUB

Join the Peugeot Service Club and get every fourth service absolutely free! Join up at your participating local Peugeot Dealer. For more details and full terms and conditions, see Peugeot.ie.

FINANCE - LET THE SPECIALISTS HELP

Your local Peugeot Dealer offers a range of flexible finance to make owning a new Peugeot easy. As specialists, they will provide choice, convenience and flexibility.

PEUGEOT ACCESSORIES

Peugeot Accessories are designed specifically for each model, meaning no compromises on fit or function. In addition they are tested to a rigorous standard for complete peace of mind.

PEUGEOT AND THE ENVIRONMENT

Our website has details of Peugeot's environmental and recycling policies.

ABOUT THIS BROCHURE

The information contained in this brochure is based on the data and images available at the time of printing. Some features shown

in this brochure may not be available in Ireland - please refer to model specification sheets for standard or optional equipment according to trim - and some photography may feature left hand drive models. As part of a policy of continuous specification improvement, Peugeot reserves the right to modify specification, options and colours at any time. For full details ask your Peugeot Dealer, or click on Peugeot.ie. Print and photographic processes used in this brochure may alter the depth and tone of the colour shown. This brochure is not a contractual document or offer of sale. The details in this brochure cannot be reproduced without the expression of authorisation of Peugeot.
