A RADICAL FASTBACK.

The radically modern fastback that doesn't compromise on design, its style credentials are clear from a glance. Heralding a new era of sportiness and elegance, sleek, taut lines and a muscular style hint at a racy, innovative spirit. The svelte silhouette is further sharpened, thanks to frameless doors.

LATEST GENERATION PEUGEOT I-COCKPIT®.

Take the driver's seat in the new PEUGEOT 508 and enjoy a sensory delight, thanks to the latest generation PEUGEOT i-Cockpit®. The compact steering wheel, configurable head-up digital instrument panel* and 10" HD capacitive touch screen* ensure maximum driver control, whilst toggle switches allow easy access to vehicle settings.

TIMELESS MODERNITY.

Stylish details abound aboard the new PEUGEOT 508. Every detail of the ultra-modern new 508 has been designed with quality and perfection in mind. No detail has been overlooked. Attention to detail and sumptuous materials* throughout allow you to luxuriate in comfort and pleasure.

“THE UNIQUE AND SPECTACULAR
PROPORTIONS OF THE NEW PEUGEOT 508
ARE A FEAST FOR THE EYES.
UNCOMPROMISING ELEGANCE.”

BEYOND WORDS.

From the minute you step inside, the new PEUGEOT 508 creates a feeling of well-being and luxury. A sensual delight, features such as the frameless rear-view mirror* hint at an ultra-modern, refined environment.

BOLD ELEGANCE.

Immediately recognisable thanks to its distinctive chrome-chequered grille, framed by full LED head lights*, the new PEUGEOT 508 embodies the radically modern fastback that doesn't compromise on design. With the famous lion centred on its radiator grill and the 508 logo upon the nose of the bonnet, the new PEUGEOT 508 pays tribute to its acclaimed predecessors, the PEUGEOT 504 and 504 coupé.

SEE THE LIGHT.

To complement the sharp, sleek design, the new PEUGEOT 508 sports a distinctive lighting signature. Full LED head lights* (includes static cornering function*), with automatic high beam assist* and LED indicators*, lend themselves to safer driving, day or night.

UNFORGETTABLE.

Spanning the rear end is a glossy black horizontal strip and three-dimensional full LED rear lights*. These lights are illuminated throughout the night and day, with adaptive intensity. Differing in appearance depending on side or full rear view, they are instantly identifiable and a clear signature of the brand.

A man with dark hair and a slight beard, wearing a black leather bomber jacket over a black turtleneck, stands in profile looking to the right. He is in a dimly lit environment, possibly a garage or showroom, with a Peugeot 508 car partially visible in the background. The lighting is dramatic, highlighting the texture of the leather and the contours of his face.

“THE NEW PEUGEOT 508 EMBODIES
ALL OF THE KEY ATTRIBUTES
OF THE BRAND: SPORTINESS, ELEGANCE
AND INNOVATION.”

BERNARD HESSE
NEW 508 PROJECT BRAND MANAGER

RESOLUTELY MODERN.

Directly inspired by the PEUGEOT Instinct concept car, the back of the car reveals an original feature of the new PEUGEOT 508: a deftly hidden tailgate blends elegance with practicality, giving optimal access to the 487-litre boot. Large wheels* highlight the steely, muscular design.

THE PERFECT FINISH.

The new PEUGEOT 508 fastback is inspired by the world of the coupé, while preserving the benefits of a fastback. From the first sketches of its conception, our designers pursued perfection.

ENJOY THE WORLD OUTSIDE.

Make every journey an exploration. The new PEUGEOT 508 is available with a wide-opening panoramic sunroof* that allows all passengers to enjoy the sheer beauty of the world around us.

A REQUIREMENT OF EXCELLENCE.

The elegance of the frameless doors beautifully accompanies the purity of the aesthetic lines of the new PEUGEOT 508. Our design expertise brings you balance of proportions, precision and perfection.

Thanks to the radar located in the centre of the front bumper and the camera located at the top of the windshield, the Adaptive Cruise Control with Stop & Go function automatically adjusts the speed of the vehicle to that of the vehicle in front, to maintain a safe and constant distance. It is coupled with a Lane Position Maintenance System, which maintains the driver's chosen position of the car.

DEMAND EFFICIENCY.

With decades of proven expertise in engine production, the new 508 is powered by PEUGEOT's latest generation PureTech and BlueHDi engines*, offering the perfect balance between power and performance, without compromising on efficiency.
