# All-New Renault MEGANE

Every effort has been made to ensure that this publication is accurate and up to date at the time of going to print. This document has been created based on pilot products and prototypes. As part of our ongoing product improvement policy, Renault reserves the right to modify the specifications, vehicles and accessories described and shown at any time. Any such modifications will be communicated to Renault dealers as quickly as possible. Depending on the country of sale, versions may differ and certain equipment may be unavailable (as standard features, options, or accessories). Please contact your nearest Renault dealer for the latest information. For printing reasons, the colours that appear in this document may differ slightly from the actual paint and upholstery colours. All rights reserved. The reproduction in any format and by any means of all or part of this publication without prior written recommends authorisation from Renault is prohibited.

# Shot of adrenalin

Elegant forms, classy lines, uncompromising choices, All-New Renault Mégane has a daring expressive design and assertive style. Inspired, strengthened by a unique lighting signature, All-New Renault Mégane invites you to get behind the wheel and rediscover real sensations. Adrenalin guaranteed.

## Strong emotions

All-New Renault Mégane is recognisable as soon as you look at it. Its daytime running lights with LED technology give it a sharp look. The rear lights, also LED and with 3D effect, highlight its unique personality, day and night. The 18" DAYTONA diamond-cut wheel rims impose their style. Sporty, striking, feisty.

## Unique driving pleasure

Dynamic environment, perfect driving position, aluminium sports pedals\*, the pleasure of driving All-New Renault Mégane is fully expressed. Boosted by 4CONTROL technology\*, the 4-wheel steering provides unique agility and responsiveness. The Renault Sport ground links do the rest. Curves, bends, hairpin bends... trajectories are precise and agility is impressive. Passion changes dimension.

\*Only on All-New Mégane GT

# The power of choice

Inside, the key words are quality and harmony. Generous cockpit, perfect finish, pleasure also involves the comfort of choice. You choose and All-New Mégane adapts: "Eco\*", "Comfort", "Neutral", "Sport", "Personal", the MULTI-SENSE system configures your vehicle to meet your current desires. It controls both technical configurations (engine response, gear changes\*\*\*, variation in steering wheel effort, engine sound, 4CONTROL\*\* responsiveness) and on-board environment (tone of interior lighting, information displayed, colour of instruments). Is your mood sporty? Calm? Relaxed? Move from one driving experience to another. MULTI-SENSE, it's a bit like having several Méganes in one!

\* Not available on All-New Mégane GT

\*\* Only available on All-New Mégane GT

\*\*\* On versions with EDC gearbox

# High-tech experience

With the Renault R-LINK 2 multimedia system at your fingertips, you can control multiple functions that make each of your journeys even more exciting.

The 8.7" portrait touchscreen is responsive, ergonomic and luminous, just as easy to use as your tablet. By touching it or using the fingertip controls, it is very easy for you to access your contacts, music content, pre-installed applications (e-mail, R-LINK Tweet, Renault Assistance, weather forecasts), or the apps that can be downloaded via the R-LINK Store.

You can also use R-LINK Voice intuitive voice recognition to safely call someone on your contacts list, dictate an address or display an application.

A true control centre, Renault R-LINK 2 also allows you to manage the MULTI-SENSE system, the driving assistance systems and the preferences for each passenger: you can create up to six different profiles. Another way to experience "Mégane passion"...

# Explore the pleasure of MULTI-SENSE

Exclusively fitted with the MULTI-SENSE system, All-New Renault Mégane adapts the behaviour of your vehicle to your mood. Five modes for five unique driving experiences.

In **Neutral Mode**, All-New Mégane adapts to a more relaxing atmosphere and allows you to enjoy the air conditioning at its full capacity. The 4CONTROL system\*\* is active and the engine response is standard.

In **Eco Mode\***, you can make use of the energy-saving eco mode which reduces the steering wheel effort\*, the engine response, the EDC calibration and the air conditioning capacity.

In **Comfort Mode**, the steering effort is still low but the engine response is improved and the 4CONTROL system\*\* is active. You can use the air conditioning at its full capacity and the engine sound is enhanced.

In **Sport Mode**, you use all the features at their full capacity for a sportiest driving experience. The acceleration of the vehicle is quicker, the EDC gear-box shifts are faster and the 4CONTROL system generates a sensational sporting responsiveness for increased agility or stability depending on the speed. The steering gets heavier for more precise control.

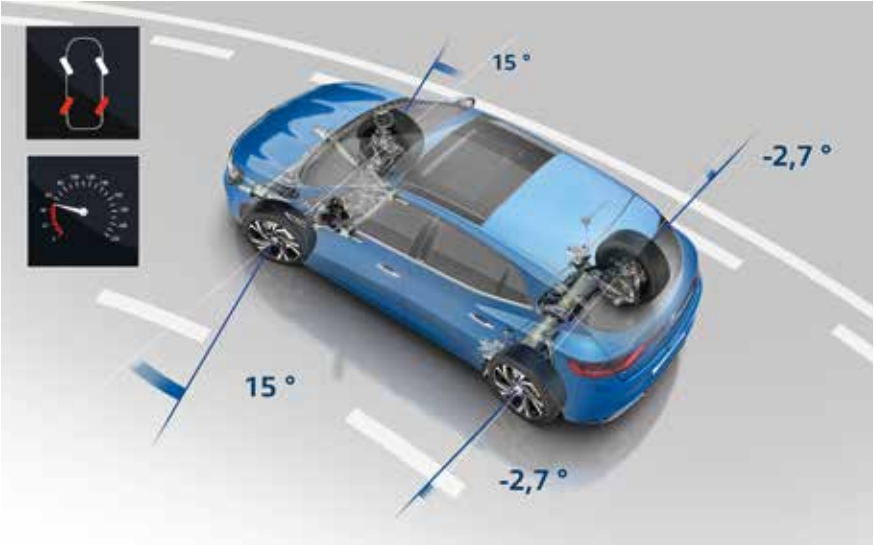

In **Perso Mode**, you are free to choose the level of each feature to configure your vehicle to meet your current desires.

Enjoy this immersive light experience, whether in blue, red, green, sepia or purple, with the customisable digital dashboard featuring the most relevant driving information.

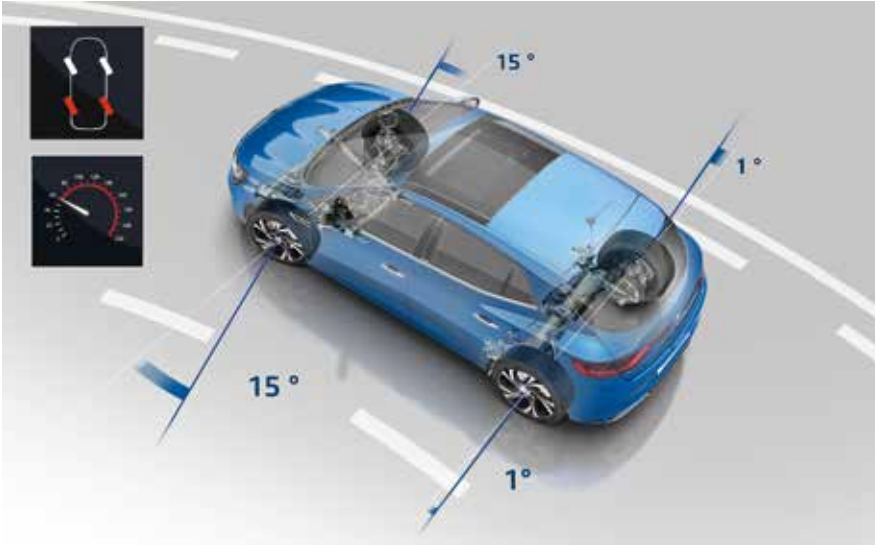

\* Not available on All-New Mégane GT  
\*\* Only available on All-New Mégane GT

# 4CONTROL, exemplary road-holding

With its 4-wheel steering chassis, All-New Renault Mégane GT is precise and easy to handle. Thanks to 4CONTROL, you can negotiate the most difficult bends with full peace of mind. Road-holding is optimised, grip is incredible. Combined with MULTI-SENSE, driving becomes a precision operation. All-New Renault Mégane and the road become one, you and Mégane become one.

At low speeds, the 4CONTROL system turns the rear wheels in the opposite direction to the front wheels.

Above 80 km/h\*, the rear wheels turn in the same direction as the front wheels.

\* In sport mode; above 59 km/h in the other MULTI-SENSE modes.

# Increased safety

Drive with peace of mind! All-New Renault Mégane is available with several driving assistance systems. Using intuitive and intelligent technologies, they support you on all your journeys, guaranteeing your day-to-day peace of mind.

**Traffic sign recognition**  
There are more and more road signs. It's not easy to catch every sign; let the camera handle it for you. If you exceed the authorised speed limit, a warning appears on the dashboard. All you have to do is adapt your driving.

**Hands free parking**  
Parallel parking with a flick of the wrist! Hands free parking helps you to identify the parking space configuration (parallel, diagonal or perpendicular), measures the available space and handles the manoeuvre. All you have to do is control the accelerator, brakes and gears. A genuine co-pilot by your side!

**Active emergency braking system:**  
This system alerts the driver if there is a risk of collision with the vehicle in front. If the driver reacts insufficiently or not at all, the brakes are activated to prevent or mitigate a collision.

**Lane departure warning:**  
This system detects the lane in front of the vehicle with a camera and warns the driver audibly if they drift into another lane .

**Blind spot warning**  
Expand your vision! New Renault Mégane is equipped with a system which detects the presence of any vehicle in the zone that your rearview mirrors do not allow you to see. Active between 30 km/h and 140 km/h, the system alerts you straight away with a warning light.

**Adaptive cruise control**  
Easily maintain the appropriate safe following distance between you and the vehicle in front. In order to adapt your speed, the adaptive cruise control is activated at between 50 km/h and 140 km/h. The system acts on the brakes when the distance is too short and on the accelerator when the road is clear again.

**Auto high/low beam:**  
High beam automatically switches to low beam when the front camera detects other vehicles around and automatically switches back to high beam when nothing is detected around.

**Safe distance warning:**  
This system warns the driver about potential collision with another vehicle in front, if the distance between the vehicles is not safe.

# Engines

Renault capitalises on know-how forged in competition to improve further the engines of All-New Renault Mégane. Whilst their levels of performance, fuel consumption and emissions are amongst the best on the market, their smoothness is unique.

## **TCe 205** **Strong sensations**

The most powerful engine offered, the TCe 205, with EDC 7-speed automatic gearbox with dual clutch transmission, provides sporty pick-ups and clean acceleration. It gives strong sensations and allows you to use Launch Control (significantly faster "standing start" function) and Multi Change-down (accelerated multi-downshift), two custom technologies developed by Renault Sport. TCe 205 GT: 6 l/100km and 134 g/km\* of CO<sub>2</sub>

## **dCi 110** **The highest level of efficiency**

The dCi 110 engine guarantees the lowest carbon footprint in the entire range. Its technological innovations, such as Stop & Start or the use of steel pistons, offer CO<sub>2</sub> emissions and fuel economy which are amongst the lowest in the segment: only 3.7 l/100km in NEDC\* cycle and 95g/km\* of CO<sub>2</sub>!

## **TCe 130** **Absolute performance and comfort**

Capable of 130 hp at 5,500 rpm and 205 Nm from 2,000 rpm, the TCe 130 engine offers you the same performance as a 2 litre atmospheric engine! Its direct injection and integrated turbocharger give it exceptional flexibility and responsiveness. Its capacity to operate at high speed without running out of energy gives you comfort and driving pleasure that are second-to-none. It is very quiet, and can be distinguished by its soft-edged sound. TCe 130: 5.4 l/100km and 119 g/km\* of CO<sub>2</sub>

## **EDC gearbox**

Full of technology, the EDC automatic gearbox with dual clutch transmission combines the comfort of an automatic gearbox with the responsiveness and fuel economy of a manual gearbox. With its 6 or 7 gears, depending on the engine chosen, it offers you flexibility, dynamism and reduced fuel consumption. What more could you ask?

\*Combined cycle consumption. Official consumption and emissions according to applicable regulations.

The ECO2 label is given to the combustion engine with the lowest carbon footprint for each Renault vehicle. This performance is achieved with technological innovations with an efficiency that allows us to achieve CO<sub>2</sub> emissions and fuel economy at the best possible levels.

# Standard features

## EXPRESSION

16" steel wheels with wheel trims

Charcoal cloth upholstery

### SAFETY & SECURITY

- ABS with EBD (Electronic Brake Distribution) and Emergency Brake Assist
- Airbag - front passenger deactivation facility
- Airbags - driver and front passenger two stage auto-adaptive
- Anti-drill door locks and ignition barrel
- Airbags : Front Lateral
- Airbags : curtains front and rear
- Cruise Control and Speed limiter
- Deadlocking & immobiliser
- Eco mode
- ESP (Electronic Stability Programme) with ASR (Anti-Skid Regulation) and UCL (understeer logic control)
- Hill start assist
- Headrests - Front - Two height adjustable headrests
- Headrests - Rear - Three height adjustable headrests
- ISOFIX points on outer rear seats
- LED DRL - Daytime running lights

- R.A.I.D. (Renault Anti Intruder Device) - Automatic locking of the doors & boot over 6mph
- Spare wheel
- Tyre Inflation Kit
- Tyre Pressure Monitor

### EXTERIOR

- 16" STEEL WHEELS with wheel trims
- Door handles - body coloured
- Door mirrors - Body coloured shell

### INTERIOR

- Black cloth upholstery
- Central rear armrest with cup holder
- Front centre armrest with storage
- Heated rear screen
- Seats - 3-seat rear bench
- Seats - rear 60:40 split folding
- Tinted windows

### COMFORT AND CONVENIENCE

- Bluetooth Connectivity
- Fingertip audio system remote control
- Electric front windows
- Exterior temperature indicator
- Halogen headlights
- Lights - boot, front footwell and rear door lighting
- Manual air conditioning
- Socket - Front - 12v socket
- Steering wheel - power assisted, height, rake and reach adjustable

### CONNECTIVITY & SOUND SYSTEM

- FM/AM tuner, Bluetooth® audio streaming and hands-free calls, USB and AUX sockets

# Standard features

## DYNAMIQUE NAV (additional equipment to Expression)

DAKOTA - 16" alloy wheels

Black part leather upholstery

### SAFETY & SECURITY

- Automatic headlights and windscreen wipers
- Electronic parking brake
- Front fog lights
- Rear Parking sensors
- Visio system (lane departure warning, traffic sign recognition, automatic high/low beam)

### EXTERIOR

- Door mirrors - Electrically adjustable, heated and folding

### INTERIOR

- Black synthetic leather and cloth upholstery
- Digital speedometer (7" TFT screen)

### COMFORT AND CONVENIENCE

- Automatic Dual Zone Climate control
- Electric front and rear windows
- Hands free keycard
- Leather steering wheel
- Multisense system - Ambient lighting and driving mode selector
- Sun visor with illuminating mirror

### CONNECTIVITY & SOUND SYSTEM

- 7" touchscreen, TomTom® LIVE services with Western European mapping, FM/AM/DAB tuner, Bluetooth® audio streaming and hands-free calls, USB and AUX sockets, voice control, vehicle applications
- Arkamys 3D Sound 4 X 35W DAB Radio with Bluetooth® and USB connection

# Standard features

## DYNAMIQUE S NAV (additional equipment to Dynamique Nav)

FLORIDA - 17" diamond cut alloy wheels

Black synthetic leather and cloth upholstery

### SAFETY & SECURITY

- Rear parking camera with front & rear parking sensors

### EXTERIOR

- FLORIDA - 17" diamond cut alloy wheels

### INTERIOR

- Windows - extra tinted rear and tailgate

### COMFORT AND CONVENIENCE

- 8.7" touchscreen, TomTom® LIVE services with Western European mapping, FM/AM/DAB tuner, Bluetooth® audio streaming and hands-free calls, USB and AUX sockets, voice control, vehicle applications

# Standard features

## GT LINE NAV (additional equipment to Dynamique Nav)

SEBRING - 17" alloys wheels

Black cloth upholstery

### EXTERIOR

- Door mirrors - dark chrome shell
- Front body coloured GT bumper
- No fog lights
- Rear body coloured GT bumper with silver diffuser
- SEBRING - 17" alloys wheels

### INTERIOR

- Chrome door sill plates - 'GT Line'
- Sport seats with integrated headrest
- Windows - extra tinted rear and tailgate

# Standard features

## GT NAV (additional equipment to GT Line Nav)

DAYTONA - 18" diamond cut alloy wheels

Black cloth upholstery

### SAFETY & SECURITY

- Rear parking camera with front & rear parking sensors

### EXTERIOR

- DAYTONA - 18" diamond cut alloy wheels
- Full LED headlights

### TECHNOLOGY

- 4CONTROL: 4 wheel-steering technology

### INTERIOR

- Chrome door sill plates - 'Renault Sport'
- Electrochrome rearview mirror

### COMFORT & CONVENIENCE

- 8.7" touchscreen, TomTom® LIVE services with Western European mapping, FM/AM/DAB tuner, Bluetooth® audio streaming and hands-free calls, USB and AUX sockets, voice control, vehicle applications

Maximum power - kw ISO	97	151	81	96	130
Maximum Power - hp DIN	130	205	110	110	130
Maximum power - rpm	5500	6000	4000	4000	4000
Maximum Torque - Nm ISO	205	280	260	250	320
Maximum Torque (rpm)	2000	2400	1750	1750	1750
Fuel Type	Petrol	Petrol	Diesel	Diesel	Diesel
Injection type	Direct injection	Multipoint	Common Rail Direct Injection	Common Rail Direct Injection	Common Rail Direct Injection
No. of Cylinders	4	4	4	4	4
No. of Valves	16	16	8	8	16
PERFORMANCE					
0- 62 mph - secs (0-100 km/h)	10.6	7.1	11.3	12.3	10
Maximum Speed mph (km/h)	122 (197)	143 (230)	116 (187)	116 (187)	123 (198)
Standing 1000m in seconds	31.6	27.8	32.9	33.6	31.5
FUEL CONSUMPTION AND EMISSIONS					
CO <sub>2</sub> (g/km) (16" & 17" / 18")	119 / 123	134	95 / 100	95 / 98	103 / 105
Urban cycle - l/100 km (16" & 17" / 18")	4.8 / 6.9	7.8	4.2 / 4.4	4.2 / 4.2	4.7 / 4.6
Extra-urban cycle - l/100 km (16" & 17" / 18")	4.5 / 4.6	4.9	3.4 / 3.6	3.5 / 3.6	3.6 / 3.7
Combined cycle - l/100 km (16" & 17" / 18")	5.3 / 5.5	6	3.7 / 3.9	3.7 / 3.8	4.0 / 4.0
GEARBOX					
Number of forward gears	6	7	6	6	6
Manual / Automatic	Manual	EDC (Auto)	Manual	EDC (Auto)	Manual
BRAKING					
Type of braking system			Discs		
ABS			Standard		
EBD			Standard		
Front Ø (mm) / width (mm)	280 / 24	320 / 28	280 / 24	280 / 24	296 / 26
Rear Ø (mm) / width (mm)	260 / 8	290 / 11	260 / 8	260 / 8	260 / 8
SUSPENSION					
Front			Pseudo Mac Pherson with lower triangle		
Rear			Semi-regide axle		
STEERING					
Power Assisted			Electric with variable assistance		
Turning Circle Between Kerbs (m)	11.2	10.4	11.2	11.2	11.2
WHEELS - TYRES					
Standard Wheel Size in inches	16 / 17 / 18	18	16 / 17 / 18	16 / 17 / 18	17 / 18
Reference wheels (16" alloy wheels)	J16		J16	J16	
Reference tyres (16" alloy wheels)	205/55 R16		205/55 R16	205/55 R16	
Reference wheels (17" alloy wheels)	J17		J17	J17	J17
Reference tyres (17" alloy wheels)	205/50 R17		205/50 R17	205/50 R17	205/50 R17
Reference wheels (18" alloy wheels)	J18	J18	J18	J18	J18
Reference tyres (18" alloy wheels)	225/40 R18	225/40 R18	225/40 R18	225/40 R18	225/40 R18
Spare wheel	Inflation kit	Inflation kit	Inflation kit	Inflation kit	Inflation kit
FUEL TANK CAPACITY					
Fuel tank capacity - Litres (Gallons)	47 (10.3)	50 (11)	47 (10.3)	47 (10.3)	47 (10.3)
WEIGHT (KG)					
Kerb Weight (16" & 17" / 18")	1340 / 1352	1463	1387 / 1398	1415 / 1426	1429 / 1448
Gross Vehicle Weight (16" & 17" / 18")	1801 / 1813	1924	1848 / 1859	1876 / 1887	1890 / 1909
Maximum Gross Train Weight (16" & 17" / 18")	3101 / 3113	3224	3148 / 3159	3176 / 3187	3490 / 3509
Payload (16" & 17" / 18")	640 / 660	730	640 / 685	690 / 695	695 / 720
TOWING CAPACITY					
Max (Driver only) Towing weight = braked	1300	1,300	1300	1300	1600
Max (Driver only) Towing weight = unbraked (16" & 17" / 18")	640 / 660	730	640 / 685	690 / 695	695 / 720
Maximum load weight on roof	80	80	80	80	80
SERVICING INTERVALS					
Service Intervals	18,000 miles or 1 year whichever is the sooner				

\* Official Fuel consumption figures are produced for comparison purpose and are measured according to the European Directive 80/1268/EEC. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption.

## RENAULT BANK

**Renault Finance**, the bank you can bank on. Choose the finance solution that best suits your needs.

At **Renault Finance**, we pride ourselves on being:

- **Flexible.** We have flexible payment plans. We can tailor the term, the deposit or the repayment to meet your needs.
- **Competitive.** We offer competitive rates and attractive financial packages you will not find anywhere else.
- **Simple.** We provide an easy application process, quick decision and minimum paperwork, all at your Local Dealer.
- **Creditable.** We are part of one of Europe's largest motor finance companies and offers financial services to millions of customers everyday.

Renault Finance is a trading name of RCI Banque Branch Ireland, a wholly owed subsidiary of the Renault Group. RCI Banque is regulated by the French banking authority and is supervised by the Central Bank of Ireland for conduct of business purposes.

## Renault Warranty

All-New Renault Mégane comes with a 5 year / 200,000km Renault manufacturer warranty. For further details please visit [www.renault.ie/services/renault-warranty](http://www.renault.ie/services/renault-warranty)
