# Renault CAPTUR

## Urban adventure

Start celebrating, city people: the Renault Captur, the popular SUV, has had a makeover. With its range of colours\*, its redesigned grille with finely-chromed edging\*, and its black fixed glass panoramic roof\*, the Renault Captur is geared toward urban adventurers like never before. Its full-LED Pure Vision lights\* and its C-shaped daytime running lights show its assertive, determined character. The striking two-tone colours allow you to express your individuality.

\*Please refer to the Equipment and options page for specification availability by trim level.

## Rediscover the city

Tackle the urban landscape and experience the feeling of dominating the streets and avenues. Thanks to its raised ground clearance, skid plates built into the front and rear bumpers and the optional fixed glass roof, you can explore everyday urban life from all angles. Settle into a welcoming, colourful and innovative interior, where all your senses will be primed to capture the joys of city life.

## Strong design

With 17" Emotion or Explore alloy wheels available from the Iconic trim level, the Renault Captur is ready to take you on the urban excursions of your dreams. Your SUV will show its assertive character with sharp design and strong personality. Its front and rear LED lights shed a new light on your daily life. The Captur enhances your city experience.

## A smart interior

Renault Captur has everything you need to feel good. Place your hands on the leather steering wheel\*, enjoy the new comfort of the more supportive seats, rest your arm on the central armrest\* or take advantage of the LED courtesy lighting\*, featuring reading lights. All around you, the colours are understated and elegant, the chrome trim\* both discrete and attractive. 3D sound provides you with an exceptional listening experience. Let it take you away.

\*Please refer to the Equipment and options page for specification availability by trim level.

# Engines and gearboxes

### **TCe 90 engine**

The TCe 90 engine is ideal for city centre driving. Highly responsive at low revs and combined with a five-speed manual gearbox, it delivers the very best in fuel economy.

### **dCi 90 engine**

Adopt a dynamic and efficient approach to your driving. Available with an automatic EDC gearbox or a manual gearbox, the dCi 90 engine offers you the very best in fuel economy.

### **EDC automatic gearbox**

Maximise your driving pleasure. The automatic dual-clutch EDC gearbox offers you dynamic performance and fluidity at fuel economy levels that are close to those you enjoy with a manual gearbox.

## Making life easier for you

With its many, cleverly-designed storage spaces, Renault Captur makes your everyday life easier. Carefully integrated in the dashboard is a handy storage compartment, where you can keep your mobile phone or wallet!

The passenger compartment features a modular, 1/3-2/3 split-fold sliding rear bench seat with three places, meaning you can adjust the space whenever you like, depending on your needs. As for the boot,\* it comes with a multi-position floor that can be removed and reversed.\*\*

\*From 359 litres to 455 litres when the bench seat is in forward position. \*\* Depending on the version.

# Touch & explore

Renault Captur offers you three fully touch-sensitive multimedia systems: R&Go, Media Nav and R-LINK in addition to DAB radio being standard across the range.

**R&Go, the new application:** by simply connecting your smartphone to the car radio, you can access the R&Go functions. Six icons let you follow an itinerary (uses phone's data), control the driving mode, manage the radio, safely make and receive phone calls, etc.

**Media Nav:** Renault's on-board touch screen tablet Media Nav provides access to useful and practical features including: navigation, multimedia, radio, hands free telephone using Bluetooth® technology and Eco driving giving you advice to reduce your daily fuel consumption.

**With its 7" touchscreen, intuitive voice control and steering wheel-mounted controls,** Renault R-LINK lets you access innovative, practical features, including TomTom® navigation (36 months subscription to LIVE services from delivery), multimedia, a telephone system, vehicle data and a catalogue of applications that can be downloaded from the R-LINK Store. Also, access your smartphone's apps for navigation, music, calling and messaging with Android Auto™\*\*

\*For compatible devices, please refer to <https://www.renault.ie/services/multimedia.html>

\*\*Compatible with Android phones running Android 5.0 (Lollipop) or later. Requires a USB cable certified by the smartphone maker. Applications compatible with driving: List of applications available on Android Auto. Connecting a smartphone to access Android Auto™ should only be done when the vehicle is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

# The best of the city

Renault Captur has its eye on everything: it weighs up parking spaces before helping you park, warns you about potential hazards, helps you brake in an emergency and observes everything that goes on around you. Captur: stay in control of your adventures!

## Protection

Fitted with front and front side airbags, Renault Captur has very protective instincts. In the rear, the Isofix attachment system ensures that child seats can be safely installed.

## Hill Start Assist

When starting the vehicle on a slope, brake pressure is automatically maintained for two seconds, giving you time to move away.

## Hands Free Parking

Make parallel parking effortless! With its sensors, the system measures the available space before taking over the steering and completing the manoeuvre for you. Available on GT Line.

## Blind spot warning

The system detects the presence of any vehicle in the area that your rear-view mirrors do not allow you to see. Enabled between 19 and 87mph, the blind spot warning system immediately activates a warning light. Available on GT Line.

## Emergency Brake Assist

A sudden obstacle? Let your reflexes take over. When pressed abruptly, the brake pedal automatically boosts your braking in order to reduce your stopping distance.

## Front fog lights with cornering function

When taking corners, the fog light on the side nearest the bend lights up automatically to give you a wider field of vision. Available on GT Line.

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Renault Ireland reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Renault Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised.
