Although every effort has been made to ensure that the information contained in this brochure is accurate and up to date, Renault Ireland reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications, equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Renault Dealer before ordering any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised.

Continue the Renault Clio experience at [www.renault.ie](http://www.renault.ie)
You’ll fall under the irresistible charm of our New Renault Clio. Its sensuous curves make it stand out from the crowd. Its new grille mesmerises with a front end panel that is more striking than ever and a new lighting signature. Redesign the Clio the way you want; its design lends itself to all customisations, contrasting door mirrors, matching roof decals and colour touches. With the Clio, each day is more intense than the last.
Refined upholstery, full grain leather steering wheel† and quality finishes set the atmosphere in the new passenger compartment. You can customise its air vents and gear gaiter surround,^ dashboard, door panels and seat piping (on Dynamique S Nav). So many combinations to make the New Renault Clio completely yours.

A strong personality

Intriguing and seductive, the New Renault Clio shows its modern and distinctive style. Its new lighting signature, integrated in the Pure Vision LED headlights*, is instantly recognisable. From the side, its 17” black diamond-cut alloy wheels (standard on Dynamique S Nav) underline its dynamic silhouette.

Attention to detail

Refined upholstery, full grain leather steering wheel† and quality finishes set the atmosphere in the new passenger compartment. You can customise its air vents and gear gaiter surround,^ dashboard, door panels and seat piping (on Dynamique S Nav). So many combinations to make the New Renault Clio completely yours.

† Standard on Dynamique S Nav and optional on Dynamique Nav
^ Only with manual gearboxes only
* Standard on Dynamique S Nav and optional on Dynamique Nav
The New Clio isn’t just seductive. With its forward-thinking technology and on-board comfort, New Clio transforms your travels into sensory experiences. Discover connectivity that is as innovative as it is intuitive with the R-Link system* and enjoy an immersive musical experience with the BOSE® Premium sound system*. Take advantage of driving aids such as the reverse parking camera* or the Hands free parking* for peace of mind and a choice of efficient engines to suit your needs.

Performance and control

Based on the combination of innovative technologies, some of which are the direct result of racing, the New Clio ENERGY engines are a tour de force: they optimise driving pleasure while managing the consumption levels thanks to Stop and Start.

ENERGY TCe90 Stop & Start
Efficient driving
This efficient Stop & Start petrol engine is mated with a manual 5-speed gearbox and delivers a responsive drive whilst keeping the fuel consumption at a frugal level.

ENERGY dCi110 Stop & Start
Flexibility and comfort
Efficient and responsive, this diesel engine is designed for those looking for economy and driving pleasure. Developing 110hp, it offers up to 260Nm torque thanks to a powerful turbo and is mated with a manual 6-speed transmission.

ENERGY dCi90 Stop & Start ECO
Driving pleasure and frugality
Combined with ultra-low resistance tyres, this diesel engine delivers lower CO2 emissions whilst not compromising on driving pleasure: with generous torque of 220Nm available even at low engine speeds, you will enjoy a comfortable drive and lively pick-up every time.

EDC Automatic gearbox
The 6-speed dual-clutch EDC automatic gearbox is available with the dCi90 diesel engine. Upshifting is fast and smooth, with no jerking or loss in acceleration. Fuel consumption is comparable to that of a manual gearbox.
Stay connected on the move

MediaNav

Renault’s on-board touch screen tablet MediaNav (standard on Dynamique Nav and Dynamique S Nav) provides access to useful and practical features including: navigation, media from multiple sources, hands free telephone using Bluetooth® technology and Eco driving giving you advice to reduce your daily fuel consumption. Enjoy stress free travel with Renault MediaNav.

Main menu with 6 icons

Navigation

Provided by Navteq with vocal guidance.

Phone

Provided by Bluetooth® technology, allowing you to make and receive calls on the move.

R&GO

Is an application that turns your smartphone into a touchscreen for your dashboard (standard on Expression). The fitted universal smartphone cradle mounts your phone to the dashboard and the app presents the features in an intuitive menu with large buttons.

Phone: Digital keypad, call history and contacts, phone calendar
Media: Select the input source for the stereo (including USB and AUX socket) and control the FM/AM/DAB radio, play music from the phone, access internet radio (uses phone's data)
Vehicle: Eco driving score, fuel consumption information and trip computer
Navigation: On top of the “Find my car” feature where the phone automatically saves the location of your car and gives pedestrian navigation back to it, there are 2 options for navigation:
- SD vehicle navigation provided by CoPilot (in-app purchase) where maps are downloaded onto the phone (does not use phone's data)
- or your own navigation app (uses phone's data)

Optional R-Link

Integrated 7" touchscreen multimedia system (with navigation). In addition to its many built-in features shown below, there are also applications to download from the R-Link Store. You can control it from the screen, steering wheel controls or even voice command.

R-Link is available with the Techno Pack which also includes front and rear parking sensors and a reverse parking camera (optional on Dynamique S Nav).

Main menu with 6 icons

Multimedia

FM/AM/DAB tuner, connect devices via USB and AUX sockets or Bluetooth®.

Voice control

Set your destination, call a contact or launch an application with voice control.

Vehicle information

The fun “Eco Driving” coach gives you handy tips to improve your driving style and reduce your fuel consumption.

Reverse parking camera system

Front and rear parking sensors with reverse parking camera, which displays the image on the navigation system screen alongside guidance aids.

Touchscreen navigation system

Provided by TomTom® (12 month subscription to LIVE services from delivery).

Get ready for an intense musical experience thanks to the optional BOSE® Premium sound system (optional on Dynamique S Nav). With its exclusive 6-speaker system and subwoofer* throughout the passenger compartment, you don’t just hear the music; it transports you to the centre of a live concert. This adventure in sound, with clear treble and deep bass, will ignite your senses.

*Subwoofer in boot reduces storage space from 300L to 230L.

BOSE® Premium Sound System: pure sound
Manoeuvring has never been such fun

Renault innovation makes your trips endlessly more enjoyable. The driving aid technologies offered by the New Renault Clio make your manoeuvres easier. You benefit from an enhanced safety for a comfortable drive.

Hands free parking (with R-Link)
Tight spots have never been so easy to handle as with the optional hands free parking (on Dynamique S Nav). The system assesses the available space and defines the trajectory. Let it take control of the steering whilst you simply control the speed for hassles-free parking.

The hands free parking system has 12 sensors placed on the front, rear and sides to detect a spot with adequate dimensions to park your vehicle.

Reverse parking camera system
Front and rear parking sensors with reverse parking camera (optional on Dynamique S Nav), which displays the image on the navigation system screen alongside guidance aids.

Hill Start Assist (HSA)
When starting the vehicle on a hill, the brake pressure is automatically maintained for two seconds, giving the driver time to manoeuvre.

### Real world fuel (actual) consumption

Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. The official fuel consumption figures are produced for comparison purposes and are measured according to the European regulation 692/2008. These figures are specific for a vehicle type and not for a single car. For prices, please refer to the Renault Car Price Guide available on www.renault.ie
