All-New

Renault SCENIC & GRAND SCENIC

All-New SCENIC and GRAND SCENIC: the MPV reinvented

A world of opportunity. All-New SCENIC and GRAND SCENIC are packed with innovation to help you make the most of every moment. Clever design has created beautiful proportions whilst maximising space to stay true to the "Multi-Purpose Vehicle" concept. Furthermore, innovations in modularity make All-New SCENIC and GRAND SCENIC a flexible vehicle to live with every day. Top that with the latest safety and in-car technology and All-New SCENIC and GRAND SCENIC are ready for what life will bring.

Beautiful & clever design

Beautiful design with clever innovations are at the heart of All-New SCENIC and GRAND SCENIC. The unique 20" alloy wheels were inspired by the R-SPACE concept car and have been designed with a specific profile to provide low rolling resistance and promote fuel efficiency.

A striking two-tone paint finish† accentuates the sweeping roofline and windscreen of All-New SCENIC and GRAND SCENIC. Full LED headlights with Pure Vision* technology combine with highly distinctive C-shaped LED daytime running lights (DRLs) to give the vehicle a bold on road presence. To finish, Edge Light technology gives the tail lights a 3D effect, all for a truly recognisable lighting signature.

†Standard on Dynamique S Nav and Signature Nav versions. *Standard on Signature Nav.

Family room

Created to maximise the well-being of passengers and driver alike, All-New SCENIC and GRAND SCENIC take the monospace concept to new levels. The passenger compartments are bathed in light thanks to a huge panoramic glass sunroof† to form a natural living space. Clever innovations make daily life easier, including One-Touch Folding*, which makes it possible to lower the rear seats to obtain a flat floor by simply pressing the Renault R-LINK 2* touch screen (or using the boot controls). The rear bench seat (60:40 split), with its supportive seats, slides for optimal use of the passenger compartment.

Image shown is with 8.7" touchscreen - optional on Dynamique Nav, standard on Dynamique S Nav and Signature Nav versions.

†Standard on Dynamique S Nav and Signature Nav versions.

*Standard from Dynamique Nav and above.

A world of freedom

Comfortable, spacious, and configurable to your needs, the All-New GRAND SCENIC provides added flexible space. Its seven seats make it easy to travel as a family. The 60:40 split sliding bench seat in the second row and two seats in the third row are foldable using the One-Touch folding* control. With the second and third rows of seats folded flat, All-New GRAND SCENIC transforms to offer a cavernous load space.

*Standard from Dynamique Nav and above.

Shared space

A clever sliding centre console* makes it possible to choose your own interior configuration: in the forward position the driver sits in a cockpit-type setup, or positioned further back a shared space for the entire family is created. For the front passengers, the sliding centre console is used as an armrest, whilst for rear passengers, a storage bin, two USB ports and a 12-volt socket make powering tablets easy – great for longer journeys!

*Standard from Dynamique Nav and above.

Useful technology

Welcome to the cockpit of the All-New SCENIC and GRAND SCENIC. The new multimedia R-LINK 2 system* is the centre point of the dashboard with its huge 8.7" screen**. Intuitive and responsive, it provides access to functions such as navigation, phone and MULTI-SENSE* (which offers a choice of five different driving modes and ambient lighting settings). A colour head-up display** completes the cockpit, updating the driver with key information such as speed and directions. And with your eyes on the road for longer, the colour head-up display promotes safer driving.

*Standard from Dynamique Nav and above. **Standard from Dynamique S Nav and above.

On-board intelligence

True pleasure requires peace of mind. All-New SCENIC and GRAND SCENIC offer the latest driver assistance technology because the safety of you and your family is paramount. Active Emergency Braking System (AEBS) with pedestrian detection, is a standard feature across the range. This system will apply the vehicle's brakes if a collision with a vehicle or pedestrian is detected (subject to certain parameters). The Fatigue Alert* monitors your driving inputs and notifies you when it is time to take a break. Lane-Keeping Assist (LKA)** corrects the steering if your vehicle makes an unplanned move out of lane.

*Standard from Dynamique Nav. **Optional as part of the Safety Pack and Safety Pack Premium.

Driver assistance

All-New SCENIC and GRAND SCENIC feature useful technology as standard that can be enjoyed everyday. Hill Start Assist makes pulling away on an incline much easier. The Visio system packs in automatic high/low beam, traffic sign recognition plus lane departure warning. The technologies below are offered to further enhance your All-New SCENIC and GRAND SCENIC.

Fatigue detection alert¹

With its trajectory analysis system, the All-New Renault SCENIC detects any anomaly linked to fatigue and informs you so that you know when it is time to take a break.

Hands Free Parking²

Parallel, perpendicular, and angled parking will all be fun from now on! With its 360 degree sensors, the Hands Free Parking system measures the available space before providing steering guidance during manoeuvres.

Adaptive Cruise Control (ACC)³

Keep a safe distance from the vehicle in front of you. The adaptive cruise control automatically adjusts the set speed to maintain a safe distance.

Blind Spot Warning⁴

Sensors mounted in the front and rear bumpers help to detect vehicles in your blind spot. If a vehicle is detected, an orange light will appear in the door mirror.

1. Standard from Dynamique Nav and above. 2. Part of Parking Pack Premium, available as an option from Dynamique S Nav and above. 3. Available as part of the Safety Pack Premium. Optional on Dynamique Nav and above (not available on petrol versions). 4. Part of Parking Pack Premium, available as an option from Dynamique S Nav and above.

Storage space

All-New SCENIC and GRAND SCENIC feature handy storage throughout the cabin - 56.9* litres to be exact!
With everything you need ready to hand, you'll always be prepared.

*Standard from Dynamique Nav and above.

Driving sensations

You want your car to match your mood, one day feeling sporty and the next hoping to be relaxed. With the MULTI-SENSE* driving mode selector and ambient lighting you can change the All-New SCENIC's setup to match your mood. By pressing the MULTI-SENSE* button on the central console, access a choice of five different modes: Neutral, Sport, Comfort, Perso and Eco. MULTI-SENSE* modifies engine response, accelerator sensitivity, the speed of gear changes, steering weight, air conditioning power, engine sound, and ambient lighting! From sepia to red or blue through to purple, or green, the ambient lighting accents door armrests (Dynamique S Nav and Signature Nav versions only), the instrument panel and the R-LINK 2* screen beautifully. And with the Perso mode choose a setup which you configure.

Bose® Surround sound*

Bose® and Renault engineers worked together to create custom surround sound for All-New SCENIC and GRAND SCENIC. 11 high-performance speakers, ideally positioned in the passenger compartment, transform All-New SCENIC and GRAND SCENIC into a huge theatre. With the front central speaker, voices and instruments are crisp and clear. The Bose® Surround technology gives the sound experience a totally unique and immersive dimension.

*Part of BOSE® Pack, optional for Dynamique S Nav and Signature Nav versions. Standard with dCi 160 Auto EDC variants.

Modular

True champions of smart storage, All-New SCENIC and GRAND SCENIC offer many practical spaces. For example, the sliding centre console[^] and under-floor compartment let you discreetly store items out of sight. Then there's the One-Touch folding[^] that lets you fold the rear seats into a flat floor to make large loads easy.

[^]Standard from Dynamique Nav and above.

A diverse selection

TCe 115 petrol engine

Flexible and responsive from low speeds, the TCe 115 offers fuel efficiency and driving pleasure.

ENERGY dCi 110

Flexible, efficient and refined. The dCi 110 diesel engine is a great choice for fuel efficient everyday motoring.

dCi 130

A great blend of performance and fuel economy. With 320Nm torque, the dCi 130 has plenty of pulling power for driving pleasure, yet is efficient for day to day driving.

dCi 160 Auto EDC

Responsiveness, power, and refinement are key characteristics of the Twin Turbo 160hp engine. The dual-clutch, six-speed Auto EDC transmission optimises driving pleasure. The driving sensation is dynamic, fluid, and efficient.

Standard features

EXPRESSION+

20" Silverstone alloy wheels

Dark Carbon cloth upholstery

SAFETY AND SECURITY

- ABS with EBD (Electronic Brake Distribution) and Emergency Brake Assist
- AEBS with pedestrian detection
- Airbag - front passenger deactivation facility
- Airbags - driver and front passenger
- Airbags - front and rear curtain
- Airbags - front lateral
- Child locks
- Cruise Control and Speed limiter
- Immobiliser
- ECO mode
- ESP (Electronic Stability Programme) with understeer control
- Front and rear towing rings
- Headrests - Front - Two height and adjustable headrests
- Headrests - Rear - Three height adjustable headrests
- Hill Start Assist
- Indicators with side repeaters
- ISOFIX child seat anchorage points on rear outer seats and front passenger seat
- Protective rear brake disc

- R.A.I.D. (Renault Anti Intruder Device) - Automatic locking of the doors and boot over 10 km/h
- Seat belts - Front - Three-point seatbelts with double pretensioners and load limiters
- Seat belts - Rear - Three 3-point seatbelts with load limiters
- Seat belts - seat belts not fastened alert
- Tyre Pressure Monitor
- Electronic parking brake
- LED indicators in door mirrors

EXTERIOR

- 20" SILVERSTONE alloy wheels
- Body side moulding with chrome insert
- Chrome detailing (side window line)
- Door handles - body coloured with chrome inserts
- Door mirrors - Body coloured
- Front fog lights
- LED DRLs - Daytime running lights
- LED tail lights
- Roof rails - longitudinal (Grand Scénic only)

INTERIOR

- Synthetic leather steering wheel
- 2nd row seating - 60:40 split folding seats, ISOFIX on outer seats, 3 point seat belts with load limiters
- 3rd row seating (2 seats, foldable into boot floor) with 3 point seat belts, cupholders and reading lights (Grand Scénic only)
- Centre console - fixed
- Display - Digital speedometer (7" TFT screen)
- Driver - height and lumbar adjustable seat
- Driver and front passenger reading lights and central light
- Driver and front passenger seat with rear mounted storage pockets
- Driver and front passenger sunvisors with vanity mirror and light
- Gear knob - leather
- Passenger - height adjustable seat
- Reading lights for 2nd row passengers
- Rearview mirror - standard
- Seats - fold flat
- Tinted windows
- Upholstery - Dark Carbon Cloth

COMFORT AND CONVENIENCE

- Automatic Dual Zone climate control with Air Quality Sensor
- Automatic headlights and windscreen wipers
- Door mirrors - Electrically adjustable, heated and folding
- Electric front windows with one-touch function
- Electric rear windows
- Keycard - hands free with walkaway lock function
- Multi position boot floor
- Visio System (lane departure warning, traffic sign recognition, automatic high/low beam)

CONNECTIVITY AND SOUND SYSTEM

- 7" touchscreen, FM/AM/DAB tuner, Bluetooth®† audio streaming and hands-free calls

Standard features

DYNAMIQUE NAV (additional equipment to Expression+)

20" Exception alloy wheels

Synthetic leather and Dark Carbon cloth upholstery

SAFETY AND SECURITY

- Fatigue alert
- Front and rear parking sensors

EXTERIOR

- 20" EXCEPTION alloy wheels
- Chrome detailing (side window line, tailgate, front grille)

INTERIOR

- Extra comfort front headrests
- MULTI-SENSE - ambient lighting (lower dashboard only) and driving mode selector
- Sunblinds - on 2nd row rear windows
- 3rd row seating (2 seats, foldable into boot floor) with 3 point seat belts, cupholders and LED reading lights (Grand Scénic only)
- Centre console - sliding, with 2 x USB ports, 1 x 12v socket, AUX input for rear passengers (all rear mounted) and 2 x 500ml bottle holders for front passengers
- Driver and front passenger LED reading lights and central LED light
- Driver and front passenger seat with rear mounted storage pockets and aviation tables
- Gear knob - leather and satin chrome
- LED reading lights for 2nd row passengers
- Upholstery - Synthetic leather and Dark Carbon cloth

COMFORT AND CONVENIENCE

- Connections - front - 12v socket, 2 x USB and AUX
- Keycard - hands free with walkaway lock function and welcome function
- One-touch folding 2nd row seats (+ 3rd row - Grand Scénic only)
- Puddle lighting in door mirrors

CONNECTIVITY AND SOUND SYSTEM

- Arkamys Auditorium 3D Sound system with 6 speakers
- Fleet management
- R-Link 2 multimedia system: 7" touchscreen, TomTom® LIVE services with Western European mapping, FM/AM/DAB tuner, Bluetooth®† audio streaming and hands-free calls, voice control, vehicle applications

Standard features

DYNAMIQUE S NAV (additional equipment to Dynamique Nav)

20" Exception alloy wheels

Synthetic leather and Dark Carbon cloth upholstery

SAFETY AND SECURITY

- Head up display (colour) - with adjustable brightness
- Rear parking camera with front and rear parking sensors

EXTERIOR

- Contrasting roof and door mirror colour
- Panoramic fixed glass sunroof with electric sunblind

INTERIOR

- Dashboard and upper door panels with stitch detailing
- MULTI-SENSE ambient lighting (lower dashboard and door armrests) and driving mode selector
- Rearview mirror - electrochrome
- Windows - extra tinted rear and tailgate

COMFORT AND CONVENIENCE

- R-Link 2 multimedia system: 8.7" touchscreen, TomTom® LIVE services with Western European mapping, FM/AM/DAB tuner, Bluetooth®† audio streaming and hands-free calls, voice control, vehicle applications and 3D navigation
- BOSE® Pack - BOSE® Sound system: 11 speakers with a digital amplifier + 1 Subwoofer (dCi 160 Auto EDC versions only)

† For compatible devices, please refer to <https://www.renault.ie/services/multimedia/bluetooth-compatibility.html>

Standard features

SIGNATURE NAV (additional equipment to Dynamique S Nav)

20" Quartz alloy wheels

Leather (carbon black) upholstery

EXTERIOR

- 20" QUARTZ alloy wheels
- Front fog lights with cornering function
- Full LED headlights with "See me home" function

INTERIOR

- Nappa leather steering wheel
- Driver and front passenger seats - with electric height and lumbar adjustment, rear mounted aviation tables and rear storage pockets
- Driver and passenger seats with courtesy, massage and easy access function
- Driver seat with memory function
- Upholstery - leather (carbon black)

Accessories

Style

1. Holiday Pack: Roof bars and Urban Loader roof box (extendable from 300 to 500 litres). **2. Urban loader roof box (extendable from 300 to 500 litres):** Practical and essential for your journeys, it allows you to adjust your loading capacity according to your needs. The intuitive fixing system enables quick installation. **3. QuickFix Aluminium roof bars:** Quick and easy to install with the innovative QuickFix system. Allow for the attachment of a roof box, increasing your All-New Scenic's loading capacity. **4. Standard boot liner:** Ideal for easily transporting even dirty items, it effectively protects the original carpet, and is perfectly adapted to the shape of your Renault's boot. **5. Boot net:** Adapted to the dimensions of your All-New Scenic, it ensures items are perfectly stored during transport.

Comfort

1. Child seat (from 9 month to 4 year old child): Ensures optimum safety and protection for children aged 9 months to 4 years. Very comfortable, it can be adjusted to three positions including a sleeping position. ISOFIX attachment system.

2. Tablet holder: Easily attached to the headrest, allowing your rear passengers to comfortably view video content on touchscreen tablets between seven and ten inches.

3. Boot mat: high quality and easy to clean (not available on All-New Grand Scénic).

4. All-in-one boot liner: Essential for protecting the boot of your Renault, it can be folded and unfolded with ease and adapts perfectly to the position of the rear seats while covering the full surface area of the boot and the back of the rear seats. Highly practical, both for daily use and for leisure activities.

* Official fuel consumption figures are produced for comparison purposes and are measured according to the European Regulation 692/2008 and may not reflect real life driving results. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption.

Service Intervals	25,000 km or 1 year whichever is the sooner	25,000 km or 1 year whichever is the sooner	25,000 km or 1 year whichever is the sooner	20,000 km or 1 year whichever is the sooner	

*Official Fuel consumption figures are produced for comparison purpose and are measured according to the EU Directive and Regulation 692/2008. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption.

Renault Services

RENAULT BANK

We Bank. You Drive.

Renault Bank, choose the finance solution that best suits your needs.

At **Renault Bank**, we pride ourselves on being:

- **Flexible.** We have flexible payment plans. We can tailor the term, the deposit or the repayment to meet your needs.
- **Competitive.** We offer competitive rates and attractive financial packages you will not find anywhere else.
- **Simple.** We provide an easy application process, quick decision and minimum paperwork, all at your Local Dealer.
- **Creditable.** We are part of one of Europe's largest motor finance companies and offers financial services to millions of customers everyday.

Renault Bank is a trading name of RCI Banque Branch Ireland, a wholly owned subsidiary of the Renault Group. RCI Banque is regulated by the French banking authority and is supervised by the Central Bank of Ireland for conduct of business purposes.
