Renault MEGANE Grand Coupé

Every effort has been made to ensure that this publication is accurate and up to date at the time of going to print. This document has been created based on pilot products and prototypes. As part of our ongoing product improvement policy, Renault reserves the right to modify the specifications, vehicles and accessories described and shown at any time. Any such modifications will be communicated to Renault dealers as quickly as possible. Depending on the country of sale, versions may differ and certain equipment may be unavailable (as standard features, options, or accessories). Please contact your nearest Renault dealer for the latest information. For printing reasons, the colours that appear in this document may differ slightly from the actual paint and upholstery colours. All rights reserved. The reproduction in any format and by any means of all or part of this publication without prior written recommends authorisation from Renault is prohibited.

Spirit of conquest

Bold and commanding, MEGANE Grand Coupé brings new energy to the city. Its lines – solid, dynamic and highlighted with chromium – quickly dominate the scene. Broad shoulders, sculpted sides and a ribbed bonnet radiate confidence. Inspired and statutory, MEGANE Grand Coupé pushes the limits.

Distinctive signs

Its light signature is the first thing people notice. On both sides of the assertive chrome grill, LED PURE VISION lighting equipment is framed by C-shaped LED daytime running lamps that provide a 3D effect and give depth to the vehicle's steely gaze. At the rear, the new lighting signature traces an intense, dark-red horizontal line. Proudly supporting its chrome diamond, MEGANE Grand Coupé affirms its ambition and dominates the road.

Connected universe

Settle into the MEGANE Grand Coupé cockpit and discover its universe of connected technology. At your fingertips, bringing harmony to the dashboard, the R-LINK 2 system and its large touch screen make total control of the vehicle only a touch away. Use Bluetooth® to connect your smartphone and to manage your calls and multimedia content. Choose the MULTI-SENSE driving mode according to your mood for a unique experience. On board, you are the master.

Exclusive advantages

At the wheel of MEGANE Grand Coupé, the driving experience is enriched with driving technologies unique in the sector. Driving bends to your wishes with the MULTI-SENSE system*. The meter, with its seven-inch TFT screen, lets you personalize your driving information display, while the R-LINK 2 connected tablet provides you with numerous functions including navigation, call management and multimedia content reading. Adapted to the distinctive acoustics of Renault MEGANE Grand Coupé, the Arkamys® sound system invites you to enjoy a new musical experience. You'll feel your emotions on a whole new level.

* Available from Iconic

Attention to detail

To illuminate your journeys and bring light into the passenger compartment, New MEGANE Grand Coupé expands your horizons with its glass sunroof. All around you, the richly-furnished interior shows its appeal with its high-end comfort, brushed chrome inserts and refined finishing touches. The customizable ambient lighting highlights the central console and door panels, creating an atmosphere in the passenger compartment to match your mood. On board MEGANE Grand Coupé, experience unrivalled pleasure.

Shared high standards

Your MEGANE Grand Coupé recognises you from afar. As you approach, the headlamps and rear lamps light up, the wing mirrors open up and the interior lights turn on. MEGANE Grand Coupé welcomes drivers and passengers alike with the same high standards for hospitality. In front, the width at the shoulders and elbows is very generous. Particular attention has been paid to the numerous storage spaces distributed throughout the passenger compartment. With all the legroom, you have considerable freedom of movement. Now you're seated—enjoy the trip!

High-Tech Experience

Control over your trip in an innovative and safe vehicle: that is the promise of MEGANE Grand Coupé. While driving assistance technology reassures you, the large R-LINK 2 touch screen puts various functionalities at your fingertips, such as the MULTI-SENSE system and connected services. Your Megane Grand Coupé is a partner in your success.

R-LINK 2: the centralised control system

The R-LINK 2 multimedia system is a veritable intuitive and connected control centre. Use voice control to access navigation or the telephone, find your musical content, manage driving assistance technology, and access various services with nothing more than a touch of the fingers. Customise the display, save your seat and air conditioning settings, and configure up to six different profiles.

Control and peace of mind

A new era of modernity, comfort and safety awaits, thanks to the driver assistance technologies that Renault has installed in MEGANE Grand Coupé. It analyses every situation and instantly activates the appropriate technological solution to protect, warn, or assist its driver.

Lane departure warning and over speed alert. There are more and more road signs. It's not easy to catch every sign; let the camera handle it for you. If you exceed the authorised speed limit, a warning appears on the dashboard. All you have to do is adapt your driving. If you unexpectedly leave your lane, you receive an automatic sound signal.

Adaptive cruise control. The adaptive cruise control automatically adjusts the regulated speed to maintain the proper following distance from the vehicle in front of you or to adapt to speed limits.

Active emergency braking system. This system alerts the driver if there is a risk of collision with the vehicle in front. If the driver reacts insufficiently or not at all, the brakes are activated to prevent or mitigate a collision.

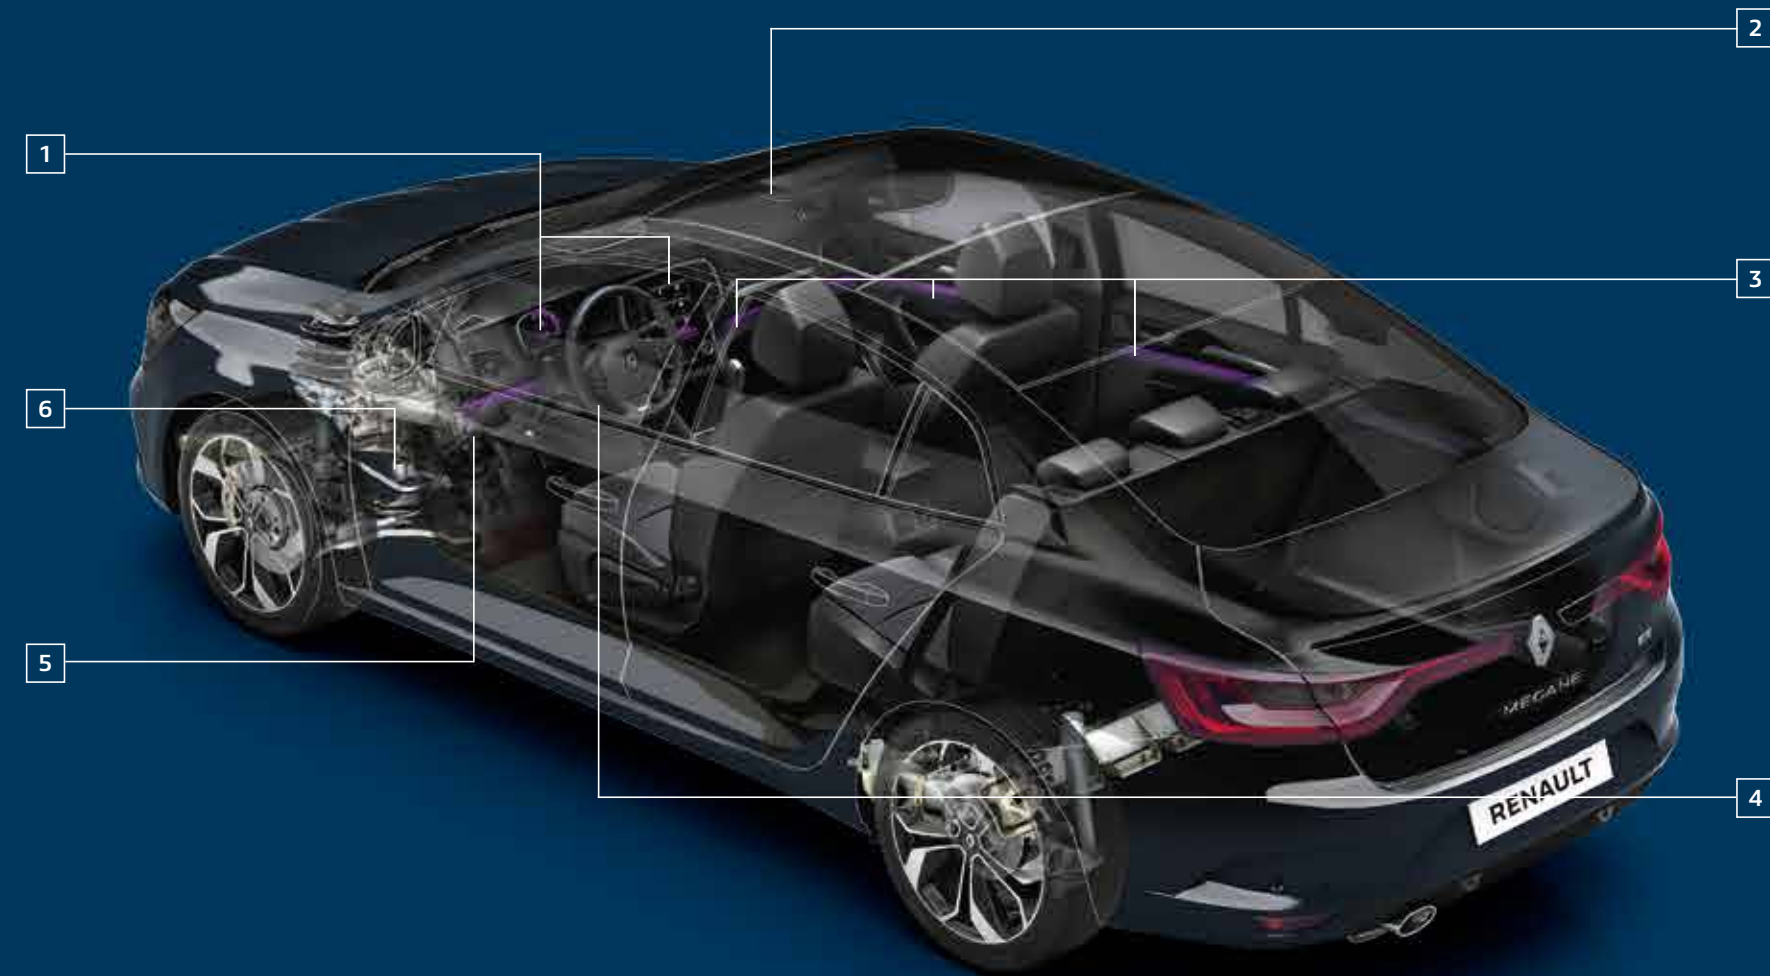

Easy Park Assist. Parallel parking with a flick of the wrist! Hands free parking helps you to identify the parking space configuration (parallel, diagonal or perpendicular), measures the available space and handles the manoeuvre. All you have to do is control the accelerator, brakes and gears. A genuine co-pilot by your side!

A multitude of sensations

Choose between the five driving modes offered by the exclusive MULTI-SENSE system*. The ambient lighting and the dashboard configuration adapt instantly. Increase the responsiveness of your engine with Sport mode, relax the steering and enjoy the road in Comfort mode, choose fuel economy with Eco mode, stay in Neutral mode, or configure Personal mode according to your wishes.

* Available from Iconic

1. Instrumentation display. Each mode comes with its own display style and information. **2. Automatic dual zone air-conditioning.** Use Eco mode to control interior temperature and fuel economy. **3. Ambient lighting.** Experience multi-sensory pleasure in green, blue, sepia, red or purple. **4. Steering wheel effort.** Smart power steering. The steering wheel resistance takes the selected driving mode into account. **5. EDC transmission gear selection.** Flexible or quicker gear changes to give you the feeling you are looking for. **6. Engine response and sound.** Acceleration responses depend on the mode selected and make it feel as if you are actually changing vehicle.

Efficiency, performance, and sensations

The ENERGY engine product line brings new, efficient technology on board to significantly reduce CO₂ consumption and emissions, all the while guaranteeing driving pleasure and high standards for quality at every level. The engines are all equipped with Stop & Start and energy recovery during braking.

Blue dCi 115

The Diesel Blue dCi 115 is a model of efficiency. With its six-speed manual gearbox, it provides a perfect combination of fuel economy and performance. The automatic EDC dual-clutch gearbox, also available, adds flexibility and driving comfort with CO₂ emissions and consumption at the same level as the manual gearbox.

TCe 140 GPF

Capable of 140 hp at 5,000 rpm and 240 Nm from 1,600 rpm, the 140 GPF engine offers you the same performance as a 2 litre atmospheric engine! Its direct injection and integrated turbocharger give it exceptional flexibility and responsiveness. Its capacity to operate at high speed without running out of energy gives you comfort and driving pleasure that are second-to-none. It is very quiet, and can be distinguished by its soft-edged sound.

EDC gearbox

Full of technology, the EDC automatic gearbox with dual clutch transmission combines the comfort of an automatic gearbox with the responsiveness and fuel economy of a manual gearbox. With its six or seven gears, depending on the engine chosen, it offers you flexibility, dynamism, and reduced consumption. What more could you ask?

* Fuel consumption and emissions certified in accordance with applicable regulations.

Welcome aboard

MEGANE Grand Coupé is waiting for you! With your hands-free card, unlocking and locking of doors is automatic. The luggage compartment opens when your foot is detected under the rear bumper or nearby by a support on your hands-free card. Enjoy the expansive 503-dm³ storage space above the floor. To adapt to any situation, the rear bench seat has a 1/3-2/3 split-folding design, to free up to 987 dm³ of loading space over 1.9 m.

SAFETY & SECURITY

- ABS with EBD (Electronic Brake Distribution) and Emergency Brake Assist
- Airbag - front passenger deactivation facility
- Airbags - driver and front passenger two stage auto-adaptive
- Anti-drill door locks and ignition barrel
- Automatic headlights and windscreen wipers
- Cruise Control and Speed limiter
- Electric parking brake
- ESP (Electronic Stability Programme) with ASR (Anti-Skid Regulation) and ULC (understeer logic control)
- Front fog lights
- Hill start assist
- Headrests - Front - Two height adjustable headrests
- Headrests - Rear - Three height adjustable headrests
- ISOFIX points on outer rear seats
- LED DRL - Daytime running lights
- R.A.I.D. (Renault Anti Intruder Device) - Automatic locking of the doors & boot over 10mph
- Rear Parking sensors
- Tyre Pressure Monitor
- Visio system (lane departure warning, traffic sign recognition, automatic high/ low beam)

EXTERIOR

- DAKOTA - 16" alloy wheels
- Door handles - body coloured
- Door mirrors - Body coloured shell
- Door mirrors - Electrically adjustable, heated and folding

INTERIOR

- Carbon Black cloth upholstery
- Central rear armrest with cup holder
- Front centre armrest with storage
- Heated rear screen
- Seats - 3-seat rear bench
- Seats - rear 60:40 split folding
- Tinted windows

COMFORT AND CONVENIENCE

- Automatic Dual Zone Climate control
- Bluetooth Connectivity
- Fingertip audio system remote control
- Electric front windows
- Exterior temperature indicator
- Halogen headlights
- Hands free keycard
- Seat - Driver - height and lumbar adjustable
- Seat - Passenger - height and lumbar adjustable

- Socket - Front - 12v socket
- Steering wheel - power assisted, height, rake and reach adjustable
- Sun visor with illuminating mirror

CONNECTIVITY & SOUND SYSTEM*

- 7" touchscreen, FM/AM tuner, Bluetooth® audio streaming and hands-free calls, USB and AUX sockets, voice control, vehicle applications
- Compatible with Apple CarPlay™ & Android Auto™

*For compatible devices, please refer to <https://www.renault.ie/services/multimedia/bluetooth-compatibility.html>

Accessories

Leisure

1. Towbar-mounted bike rack. Safely and easily carries two to four bicycles. Depending on the model, it can be folded or:ttled for easy access to the boot. **2. Roof cargo carrier.** Combining style, comfort, safety and utility, Renault offers a wide range of roof cargo carriers for optimised loading capacity. **3. Boot liner.** Ideal for easily transporting various items while keeping your vehicle's interior clean. Effectively protects and preserves the boot carpet. Designed for a perfect fit. **4. Textile floor mats.** Renault floor mats are custom-designed to perfectly match your vehicle's interior in order to protect and preserve the original carpet. **5. Focal Music Premium.** Sets the standard for vehicle audio systems. Make your vehicle a powerful sound experience.

Style

1. Lit door sill. Protects your door entrance from minor impacts while adding a touch of elegance and originality. **2. Chrome rearview-mirror covers** enhance and protect the rearview mirrors. **3. Sport pedal unit.** Adds a sporty touch to the driver's side. Non-slip coating provides the necessary grip. **4. 17" alloy wheels.** Dynamic and refined.

*WLTP figures shown are for comparability purposes; only compare figures with vehicle tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessoried fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however for 2019 the CO₂ figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration available in your local dealer. WLTP emissions and consumption values shown are for a standard vehicle with no options. Most Renault cars are fitted with an optional spare wheel at no extra cost, which will typically increase the WLTP CO₂ emissions by 1 g/km. Your dealer will be able to confirm the CO₂ emissions of your selected car with its specified options.
