

**RENAULT**  
Passion for life

# Renault MEGANE

Hatch and Sport Tourer

## Shot of adrenalin

Elegant forms, classy lines, uncompromising choices, Renault Mégane has a daring expressive design and assertive style. Inspired, strengthened by a unique lighting signature, Renault Mégane invites you to get behind the wheel and rediscover real sensations. Adrenalin guaranteed.

## The power of choice

Inside, the key words are quality and harmony. Generous cockpit, perfect finish, pleasure also involves the comfort of choice. You choose and Mégane adapts: "Eco", "Comfort", "Neutral", "Sport", "Personal", the MULTI-SENSE system configures your vehicle to meet your current desires. It controls both technical configurations (engine response, gear changes, variation in steering wheel effort, engine sound and on-board environment (tone of interior lighting, information displayed, colour of instruments). Is your mood sporty? Calm? Relaxed? Move from one driving experience to another. MULTI-SENSE, it's a bit like having several Méganes in one!

## Intuitive technology

Central to the Mégane technology is an 8.7" portrait touchscreen\* - one of the largest in its class. It's a capacitive touchscreen, which means it's easy to use. Simply drag, pinch, or swipe to navigate the same way you would a tablet or smartphone. After all, good technology makes life simpler, not more complicated.

The Mégane allows you to customise a home screen by choosing the size and position of the maps, radio, favourite contacts, navigation and more. Voice control activated from the steering wheel provides even greater ease of use and safety while driving.

Take advantage of compatibility with Android Auto™ and Apple CarPlay™. You can now access selected smartphone apps^ from the touchscreen multimedia system.

And when you have created the interior ambience to match your mood, thanks to the MULTI-SENSE system†, engage the rich, acoustic experience delivered via the BOSE® premium sound audio system‡.

7 high-performance speakers‡ create your own personal concert hall. High notes are crystal clear and the deep bass is delivered without distortion. It's a complete, immersive experience controlled via the touchscreen tablet or steering wheel controls.

\* Standard on GT Line

† Standard from Iconic

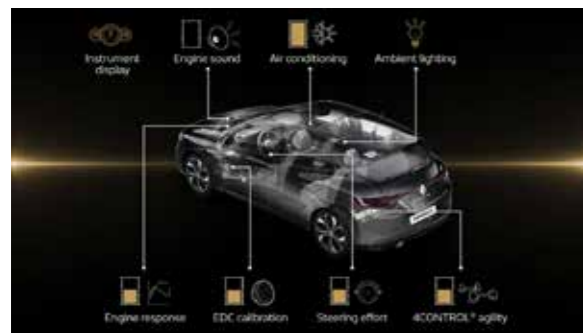

‡ Optional from Iconic

^ **Compatibility:** An Android phone running Android 5.0 (Lollipop), an iPhone no earlier than iPhone 5 & iOS 7.1. Connecting a smartphone to access Android Auto™ and Apple CarPlay™ should only be done when the vehicle is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of the law. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

# Explore the pleasure of MULTI-SENSE

Exclusively fitted with the MULTI-SENSE system†, Renault Mégane adapts the behaviour of your vehicle to your mood. Five modes for five unique driving experiences.

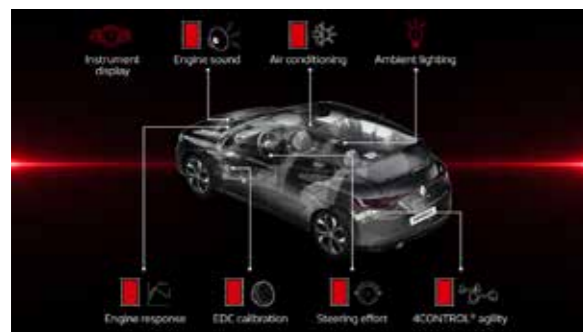

In **Neutral Mode**, Mégane adapts to a more relaxing atmosphere and allows you to enjoy the air conditioning at its full capacity.

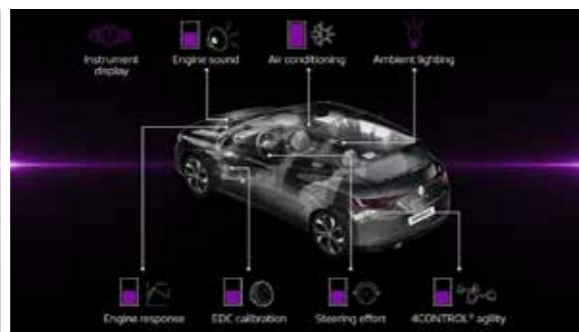

In **Eco Mode**, you can make use of the energy-saving eco mode which reduces the steering wheel effort, the engine response, the EDC calibration and the air conditioning capacity.

In **Comfort Mode**, the steering effort is still low but the engine response is improved. You can use the air conditioning at its full capacity and the engine sound is enhanced.

In **Sport Mode**, you use all the features at their full capacity for a sportiest driving experience. The acceleration of the vehicle is quicker, the EDC gear-box ratios are reduced and generates a sensational sporting responsiveness for increased agility or stability. The steering gets heavier for more precise control.

In **Perso Mode**, you are free to choose the level of each feature to configure your vehicle to meet your current desires.

Enjoy this immersive light experience, whether in blue, red, green, sepia or purple, with the customisable digital dashboard featuring the most relevant driving information.

†Available from Iconic

# Increased safety

Drive with peace of mind! Renault Mégane is equipped with several driving assistance systems. Using intuitive and intelligent technologies, they support you on all your journeys, giving you day-to-day peace of mind.

**Traffic sign recognition <sup>(1)</sup>**  
There are more and more road signs. It's not easy to catch every sign; let the camera handle it for you. If you exceed the authorised speed limit, a warning appears on the dashboard. All you have to do is adapt your driving.

**Hands free parking <sup>(3)</sup>**  
Parallel parking with a flick of the wrist! Hands free parking helps you to identify the parking space configuration (parallel, diagonal or perpendicular), measures the available space and handles the manoeuvre. All you have to do is control the accelerator, brakes and gears. A genuine co-pilot by your side!

**Active emergency braking system: <sup>(2)</sup>**  
This system alerts the driver if there is a risk of collision with the vehicle in front. If the driver reacts insufficiently or not at all, the brakes are activated to prevent or mitigate a collision.

**Lane departure warning: <sup>(1)</sup>**  
This system detects the lane in front of the vehicle with a camera and warns the driver audibly if they drift into another lane .

**Blind spot warning <sup>(3)</sup>**  
Expand your vision! New Renault Mégane is equipped with a system which detects the presence of any vehicle in the zone that your wing mirrors do not allow you to see. Active between 19 mph and 87 mph, the system alerts you straight away with a warning light.

**Adaptive cruise control <sup>(3)</sup>**  
Easily maintain the appropriate safe following distance between you and the vehicle in front. In order to adapt your speed, the adaptive cruise control is activated at between 50 km/h and 140 km/h. The system acts on the brakes when the distance is too short and on the accelerator when the road is clear again.

**Auto high/low beam: <sup>(1)</sup>**  
High beam automatically switches to low beam when the front camera detects other vehicles around and automatically switches back to high beam when nothing is detected around.

**Safe distance warning: <sup>(2)</sup>**  
This system warns the driver about potential collision with another vehicle in front, if the distance between the vehicles is not safe.

(1) Available from Iconic (2) Available with the Safety pack (3) Optional

# Engines

Renault capitalises on know-how forged in competition to improve further the engines of Renault Mégane.

## **Blue dCi 115** **The highest level of efficiency**

The Blue dCi 115 engine guarantees the lowest carbon footprint in the entire range. Its technological innovations, such as Stop & Start or the use of steel pistons, offer CO<sub>2</sub> emissions and fuel economy which are amongst the lowest in the segment: 119 - 127g/km\* of CO<sub>2</sub>!

## **EDC Dual - Clutch gearbox**

Full of technology, the EDC automatic gearbox with dual clutch transmission combines the comfort of an automatic gearbox with the responsiveness and fuel economy of a manual gearbox. With its 7 gears, it offers you flexibility, dynamism and reduced fuel consumption. What more could you ask?

## **TCe 140 GPF** **Absolute performance and comfort**

Capable of 140 hp at 5,000 rpm and 240Nm from 1,600 rpm, the TCe 140 GPF engine offers you the same performance as a 2 litre atmospheric engine! Its direct injection and integrated turbocharger give it exceptional flexibility and responsiveness. Its capacity to operate at high speed without running out of energy gives you comfort and driving pleasure that are second-to-none. It is very quiet, and can be distinguished by its soft-edged sound.

\*WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO<sub>2</sub> figures however for 2019 the vehicle tax calculation is still based on the outgoing (NEDC) test cycle. The NEDC back translated CO<sub>2</sub> figures are available at your local dealer. WLTP emissions and consumption values shown are for a standard vehicle with no options. Most Renault cars are fitted with an optional spare wheel at no extra cost, which will typically increase the WLTP CO<sub>2</sub> emissions by 1 g/km. Your dealer will be able to confirm the CO<sub>2</sub> emissions of your selected car with its specified options.

# Standard features

## PLAY

DAKOTA - 16" alloy wheels

Midnight Black Cloth upholstery

### SAFETY & SECURITY

- ABS with EBD (Electronic Brake Distribution) and Emergency Brake Assist
- Airbag - front passenger deactivation facility
- Airbags - driver and front passenger two stage auto-adaptive
- Anti-drill door locks and ignition barrel
- Cruise Control and Speed limiter
- Deadlocking & immobiliser
- Eco mode
- ESP (Electronic Stability Programme) with ASR (Anti-Skid Regulation) and ULC (understeer logic control)
- Front fog lights
- Hill start assist
- Headrests - Front - Two height adjustable headrests
- Headrests - Rear - Three height adjustable headrests
- ISOFIX points on outer rear seats
- LED DRL - Daytime running lights

- Manual hand brake
- R.A.I.D. (Renault Anti Intruder Device) - Automatic locking of the doors & boot over 6mph
- Rear Parking Sensors
- Spare wheel or Tyre Inflation Kit
- Tyre Pressure Monitor

### EXTERIOR

- DAKOTA - 16" alloy wheels
- Door handles - body coloured
- Door mirrors - Body coloured shell

### INTERIOR

- Carbon Black cloth upholstery
- Central rear armrest with cup holder
- Front centre armrest with storage
- Heated rear screen
- Seats - 3-seat rear bench
- Seats - rear 60:40 split folding
- Tinted windows

### COMFORT AND CONVENIENCE

- Automatic Dual Zone Climate Control
- Bluetooth Connectivity
- Fingertip audio system remote control
- Electric front & rear windows
- Exterior temperature indicator
- Hands free keycard
- Halogen headlights
- Lights - boot, front footwell and rear door lighting
- Seat - Driver - height and lumbar adjustable
- Seat - Passenger - height and lumbar adjustable
- Socket - Front - 12v socket
- Steering wheel - power assisted, height, rake and reach adjustable

### CONNECTIVITY & SOUND SYSTEM

- 7" touchscreen, FM/AM/DAB tuner, Bluetooth®\* audio streaming and hands-free calls, USB and AUX sockets, voice control, vehicle applications
- Compatible with Apple CarPlay™ & Android Auto™ ^

# Standard features

## ICONIC (additional equipment to Play)

FLORIDA - 17" diamond cut alloy wheels

Carbon Black cloth upholstery

### SAFETY & SECURITY

- Automatic headlights and windscreen wipers
- Electronic parking brake

# New Renault MEGANE R.S.

## Pure performance

Combining efficiency, agility and stability, New Mégane R.S chassis is jam-packed with motorsports cutting-edge technology: 4CONTROL system, independent pivot front-axle and suspension with hydraulic compression stops.

Ever more efficient, New Mégane R.S benefits from the know-how of Renault Sport in adapting motorsports technologies to deliver spectacular results and give you full control, as all generations of Mégane R.S.

Suitable for all enthusiasts, New Mégane R.S. comes in four versions, all mingling 6 speed gearbox choices (manual and EDC with steering wheel paddles) and two chassis types (Sport and Cup).

## Technical Specification

**280 HP**

Power

**390 NM**

Torque

**5,8 S**

0-100 km/h

For more details see [www.renault.ie](http://www.renault.ie)

# New Renault MEGANE R.S. TROPHY

## More powerful

Trophy versions are known for their thoroughbred efficiency combining performance and accuracy.

Look forward to even greater performance and a sportier design from the newest Renault Mégane R.S. Trophy offered with the choice of a manual or dual-clutch EDC gearbox, and equipped with a new version of the 1.8-litre turbo engine, power is increased to 300hp through superior upgrades to the turbo and exhaust system.

As standard, New Mégane R.S. Trophy comes with a Cup chassis, bi-material brake discs and 19-inch wheels fitted with high-grip Bridgestone tyres.

And for the best possible feeling in the car, new Recaro front seats covered with Alcantara® upholstery are available as an option.

# Accessory Packs

Experience your Mégane to the max with our accessory packages\*

## ROOF BOX URBAN LOADER (500L)

## STANDARD BOOT LINER

## STYLING PACK (CARBON LOOK)\*\*

Includes front and rear spoilers, side skirts, fog light add-ons.

## SEPARATION GRILLE

## RETRACTABLE TOW BAR\*\*\*

## DASHCAM

## ALL-IN-ONE BOOT LINER

## ROOF BARS

## ILLUMINATED DOOR SILLS

## SPORT PEDALS

The Kenwood DRV-410 Dash Cam is a great addition for your added security and reassurance on the road. The on-board camera automatically starts recording as soon as the vehicle ignition is switched on. As video footage is now widely accepted and used for insurance claims, the dashcam is designed to give drivers peace of mind. The pack includes a GPS integrated dashboard camera with advanced driver assistance systems (ADAS) built-in and has full HD recording at 27 frames/sec.

## INDIVIDUAL ACCESSORIES

All-In One Boot Liner  
Front parking sensors  
Illuminated door sills

Mud flaps  
Retractable tow bar  
Rim bands

Roof bars  
Rubber mats  
Sport pedals

Standard Boot Liner  
Wind deflectors  
Swan neck tow bar

## ACCESSORY PACK

Pet Pack (Partition Grille, All-in-One Bootliner, Dog Water Bottle)  
Elegance Pack (Illuminated door sills, sport pedals)

<b>SERVICING INTERVALS</b>					
Service Intervals			30,000 km or 1 year whichever comes sooner		

\*Figures are produced for comparison purposes in accordance with European legislation and may not reflect real life driving results. NEDC value obtained from WLTP figures, aiming to reflect a closer representation of the real-world fuel consumption and CO<sub>2</sub> figures. Real World fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption.

\*WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO<sub>2</sub> figures however for 2019 the vehicle tax calculation is still based on the outgoing (NEDC) test cycle. The NEDC back translated CO<sub>2</sub> figures are available at your local dealer. WLTP emissions and consumption values shown are for a standard vehicle with no options. Most Renault cars are fitted with an optional spare wheel at no extra cost, which will typically increase the WLTP CO<sub>2</sub> emissions by 1 g/km. Your dealer will be able to confirm the CO<sub>2</sub> emissions of your selected car with its specified options

# Renault Services

**RENAULT BANK**  
We Bank. You Drive.

Renault Bank, choose the finance solution that best suits your needs.

At Renault Bank, we pride ourselves on being:

- **Flexible.** We have flexible payment plans. We can tailor the term, the deposit or the repayment to meet your needs.
- **Competitive.** We offer competitive rates and attractive financial packages you will not find anywhere else.
- **Simple.** We provide an easy application process, quick decision and minimum paperwork, all at your Local Dealer.
- **Creditable.** We are part of one of Europe's largest motor finance companies and offers financial services to millions of customers everyday.

Renault Bank is a trading name of RCI Banque Branch Ireland, a wholly owned subsidiary of the Renault Group. RCI Banque is regulated by the French banking authority and is supervised by the Central Bank of Ireland for conduct of business purposes.

## Renault Warranty

Renault Mégane comes with a 5 year / 200,000km Renault manufacturer warranty. For further details please visit [www.renault.ie/services/renault-warranty](http://www.renault.ie/services/renault-warranty)

\*5 year / 200,000 km Renault manufacturer warranty.
