ŠKODA Ireland has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

The specified fuel consumption and emission values are the official figures obtained in accordance with Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (l/100km) and CO₂ emissions and are correct at the time of print. The above values reflect the worldwide standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. You can discover more about the WLTP at www.skoda-auto.com/services/wltp.
