

ALL-NEW KORANDO

HIGH-TECH
CROSSOVER
FOR URBAN LIFE

COZY

DYNAMIC

DRIVE SHIFT

The stylish and capable all-new KORANDO is a true crossover combining the best features of an SUV and sedan to provide a perfect balance of practicality and comfort. Handling is precise and responsive making it a pure pleasure to drive. Most important of all, you'll feel safer and more confident behind the wheel of the all-new KORANDO knowing that the all-new KORANDO protects you with cutting edge safety technologies.

DISTINCTIVE STYLING

Never a follower, the all-new KORANDO has an independent style that projects smart and modern values. Strong and unique - that's the appeal of the all-new KORANDO.

With its low, wide stance and LED lighting technology, the all-new KORANDO projects authority from every angle.

Full LED headlights (LED DRL, LED blinkers, LED low beams/high beams)

LED fog lights

LED rear combination lights (LED brake lights, LED taillights)
19-inch diamond-cut alloy wheels

BLAZE COCKPIT

No ordinary seat, this driver seat makes you feel like you are in command of a cockpit and moving into the future, ahead of everyone else. The instrument panel incorporates the latest display technologies and navigational aids as well as full connectivity with smartphones to maximize driver convenience while minimizing distraction.

9" HD Navigation with Smart Mirroring (EU only)

8" Smart mirroring multimedia

Google Android Auto and Apple CarPlay

Comfortable
8-way power seats
(1st row)

4-way power
lumbar support
(driver seat only)

A STIRRING SPACE

All-new KORANDO's spacious cabin is appointed with premium materials that pamper and isolate you from the hustle and bustle of the outside world. From the top-of-the-line seat amenities to the 34-colour infinity mood lighting, every meticulously crafted detail contributes toward the premium ambience. Whether your journey is long or short, the all-new KORANDO guarantees pure traveling delight.

Infinity mood lamps

Spacious glove box

Heated seats (1st & 2nd rows)

Luxurious 3-stage ventilated seats (1st row)

Smart tailgate
Stand behind the vehicle with your smart key and without pressing any button the tailgate will open automatically within 3 seconds.

551L of luggage space

Just about everything will fit inside because the all-new KORANDO leads its segment with highest-in-class luggage space.

With magic tray

With magic tray removed

IMPRESSIVE FLEXIBILITY

Whether you're following the daily routine or loading up for a weekend outing in the countryside, the all-new KORANDO demonstrates an amazing ability to adapt to the needs of the moment thanks to 551 litres of luggage space. The smart tailgate and two-level magic tray combine the strengths of a sedan and SUV to make life a lot easier.

2nd row fully folded

2nd row 40% folded

2nd row 60% folded

EXCITING DRIVING DYNAMICS

From the moment you settle into the driver's seat, press the start button and shift into gear, you instantly sense the all-new KORANDO's responsiveness and impressive power. Press down on the throttle and its outstanding driving dynamics come to life. The all-new KORANDO delivers a comfortable ride with superb stability and remains impressively quiet even at high speeds. Experience the joy of dynamic driving that only the all-new KORANDO can provide.

CLASS-LEADING PERFORMANCE

1.5 GDI-Turbo engine with improved low-speed torque performance and superior start/overtaking acceleration in the maximum torque classification, for a more exciting driving experience. The downsized, eco-friendly 1.6 diesel engine delivers best-in-class performance under any driving condition.

**1.5
GDI-Turbo engine**

| | |
|--------------------------|--------------------------|
| Max Power | Max Torque |
| 163 _{ps} | 280 _{Nm} |

**1.6
Diesel engine**

| | |
|--------------------------|-------------------------------|
| Max Power | Max Torque |
| 136 _{ps} | 324 _{Nm(A/T)} |

AWD SYSTEM

AWD optimizes power distribution between the front and rear axles to suit road and weather conditions thus ensuring optimal traction, directional stability and peak dynamic performance.

AISIN 6-speed automatic transmission

Fitted on some of the finest cars in the world, the tested and proven AISIN 6-speed automatic offers smooth and quiet gear shifting with maximum fuel efficiency.

6-speed manual transmission

The 6-speed manual gearbox delivers a fun driving experience with maximum driver engagement. Optimized gear ratios ensure smooth, and precise gear shifts, improved fuel efficiency and a quieter ride.

Drive Mode System

Selectable drive modes (Normal/Sport/Winter) optimize traction distribution and the gear shift schedule to suit driver preferences and road conditions.

DEEP CONTROL

DEEP CONTROL technologies bring the goal of perfect safety closer than ever. Whether driving around town or taking long-haul cross-country trips, DEEP CONTROL promotes peace of mind and elevates driving confidence to a whole new level.

Intelligent Adaptive Cruise Control (IACC)

IACC employs radar and cameras to maintain a safe speed and distance from the vehicle ahead. IACC works in tandem with the Lane Center Following Assist which can be used not only on highways but also on city streets and also for when the brake pedal is released.

Exit Assist Function (EAF)

When exiting a parking space while another vehicle is approaching from the rear, EAF sounds an alarm and displays a warning icon on the cluster.

Safety Distance Alert (SDA)

By continuously monitoring speed and distance, SDA will sound a warning whenever a safe braking distance is not maintained from the car ahead.

Front Vehicle Start Alert (FVSA)

While stopped and the car in front has started to move, FVSA will issue a visual pop-up alert and audible alarm.

Rear Cross Traffic Alert Intervention (RCTA-i_A/T only)

When reversing and an approaching vehicle is detected in the path, RCTA sounds an alarm and automatically applies the brakes to stop the vehicle and reduce the risk of a collision.

Autonomous Emergency Braking System (AEBS)

On detecting a pedestrian or another vehicle within the intended path, AEBS will automatically deactivate the throttle and will apply the brakes to reduce the risk of a serious collision.

Lane Keeping Assist System (LKAS)

LKAS uses a front camera to monitor the painted lane markers. On detecting an attempt to change lanes without prior signaling, it automatically corrects the electrical power steering system to keep the vehicle within the intended lane.

Lane Change Assist (LCA)

If attempting a lane change while a vehicle is within 70m in the rear and is approaching at high speeds, LCA flashes a warning using the outside mirror lamps and sounds an alarm.

Blind Spot Detection (BSD)

BSD detects the presence of another vehicle in the blind spot and flashes a warning using lamps built into the outside mirror housing.

High Beam Assist (HBA)

By monitoring the headlights of oncoming vehicles and the rear combination lamps of the vehicles ahead, HBA analyzes ambient light levels to automatically switch between high and low beams.

Driver Attention Alert (DAA)

Driving patterns are continuously monitored and as soon as a pattern of drowsy driving is detected, DAA sounds an alert and advises the driver to take a break.

74% High Tensile-Strength Steel

To ensure uncompromising rigidity and safety, premium grade-HTSS accounts for 74% of the all-new KORANDO structure - more than any other vehicle in its class. The all-new KORANDO also features some of the most advanced N.V.H. (Noise Vibration Harshness) technologies to realize a whisper-quiet ride.

7 Airbag system

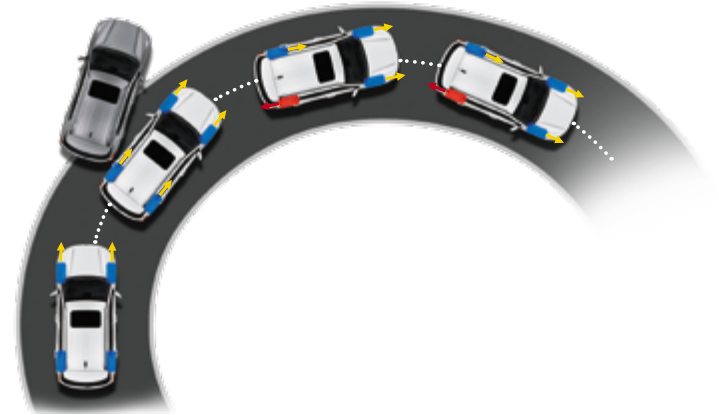

- ① Driver seat airbag
- ② Driver seat knee airbag
- ③ Passenger seat airbag
- ④⑤ Front-seat side airbag (left/right)
- ⑥⑦ Curtain airbag (left/right)

PERFECT SAFETY

Electronic Stability Program (ESP)

ESP employs a combination of throttle intervention and braking of individual wheels to help maintain directional stability over all types of road surfaces and in adverse weather conditions.

Anti-Rollover Protection (ARP)

ARP adjusts the amount of engine output and braking power delivered to each individual wheel while driving around sharp turns at high speeds to prevent the vehicle from rolling over.

Brake Assist System (BAS)

On detecting a panic braking situation, BAS boosts braking pressure to its maximum thus reducing the braking distance and the risk of a serious accident.

Emergency Stop Signal (ESS)

During hard braking, ESS automatically activates the emergency flashers thus warning the vehicles behind.

Hill Descent Control (HDC)

On extremely steep hills, activating the HDC function will automatically shift the vehicle into low gear and begin pumping the brakes to maintain a safe and slow descent.

Hill Start Assist (HSA)

When the driver lifts his foot off the brake while starting on a steep hill, HSA will momentarily maintain braking pressure until the throttle is applied so that the car does not roll backwards.

EXTERIOR

Projection headlamps with bulb-type turn signal lamps
LED side repeaters and puddle lamps
Fashionable silver roof rails

Chromed intake grille
Sporty rear skid plate
LED high mounted stop lamp

High-gloss intake grille
Parking aid system (Front & Rear)
Sporty air spoiler

Headlight escort
Rear fog and back-up lamps
Roof pole antenna

Aero-type wipers
Power side-view mirrors
Auto-locking system

Tinted windshield with noise-control glass
Heated side-view mirrors
Tyre pressure monitoring system (TPMS)

17" alloy wheels with
225/60R tyres

18" alloy wheels with
235/55R tyres - diamond cut

19" alloy wheels with
235/50R tyres - diamond cut

Rain sensor
Safety power windows
Tyre repair kit

Smart key system & Folding key
Safety sunroof
Urea tank filler cap (w/Euro6d-T only)

INTERIOR

Supervision cluster (3.5" mono LCD)
Start button
Hands-free audio switch / Cruise control switch

MP3 audio
Paddle shifters with A/T
Auto light control

Dual-Zone full auto A/C
Tilt & telescoping steering wheel
Multi-switch

Manual A/C
Electronic parking brake (EPB with Auto hold)
Multi-hooks

Sun visor extender
LED interior lights
Power tailgate switch

Illuminated vanity mirror
Stainless door scuff (1st row)
Large capacity door map pocket

12V power socket (front/rear)
Sliding-type centre storage console
Luggage net

115V/220V Inverter
Wireless charger
Luggage cover

CAPTIVATING VALUE

It's a design that is a sure conversation starter. Radiating power and energy, The all-new KORANDO delivers superb driving dynamics that will definitely surpass your expectations.

And made even better with DEEP CONTROL, a suite of advanced safety technologies that bring the era of autonomous driving closer than ever.

The all-new KORANDO: It's a package of unsurpassed style and value that will transform ordinary days into truly extraordinary ones.

FEATURES LIST

| MECHANICAL |
|---|
| 1.6 diesel engine with SCR (Euro 6d-T) |
| 1.6 diesel engine with CDPF (Euro 5) |
| 1.5 GDI-Turbo petrol engine (Euro 4/5/6d-T) |
| 2.0 MPI petrol engine (Euro 4/5) |
| Active AWD with lock mode |
| 6-speed manual transmission with gear shift indicator |
| 6-speed AISIN automatic transmission with paddle shift |
| MacPherson strut front suspension with coil springs |
| Multi-link rear suspension with coil springs |
| Electric power steering (EPS) |
| Electronic parking brake with auto-hold function |
| Fuel tank - 47 litre capacity (1.5 GDI-T engine with Euro6d-temp. : 50 litre) |
| Driving mode system (Normal, Winter, and Sport Mode) |
| Idle, stop & go (ISG) system |
| Voltage stabilizer (Europe and regulation region only) |

| APPEARANCE |
|---|
| Chromed intake grille |
| Black air intake grille |
| Sporty rear skid plate |
| Tinted with noise controlled glass in windshield |
| Solar controlled front door glass |
| Privacy glass in rear door windows and tailgate window to keep interior cool and add the look of luxury |
| Heated windshield glass (Windshield De-Icer) |
| Fashionable silver roof rails |
| Sporty air spoiler with LED high mounted stop lamp |
| Acoustic engine cover to dampen noise |
| 19” alloy wheels with 235/50R tyres - diamond cut |
| 18” alloy wheels with 235/55R tyres - diamond cut |
| 17” alloy wheels with 225/60R tyres |
| Tyre repair kit |
| Full-size spare tyre |
| Luxurious leather steering wheel trim |
| Urethane steering wheel trim |
| Leather-wrapped gear knob |
| Urethane gear knob |
| Floor mats |
| Clean sill side doors |
| Welcoming light to illuminate the ground area |
| Level adjustable projection headlamps with bulb-type turn signal lamps |
| Level adjustable LED headlamps with LED turn signal lamps |
| LED daytime running light system |

| |
|---|
| Rear combination lamp with LED light guide |
| LED side repeater and puddle lamp on exterior mirror |
| Body-coloured exterior door handles |
| Sliding-type centre console |
| Electrically adjustable, folding and heated outside mirror |
| Hybrid blade wipers (Front) |
| Intermittent wiper (rear) |
| Stainless steel front door scuff (option) |
| PVC front and rear door scuff |
| Infinity-type mood lights on instrument panel and door trim |

| SEATS |
|--|
| 8-way power adjustable driver and front passenger seats |
| 4-way adjustable power lumbar support for driver seat |
| Height adjustable driver seat |
| 60:40 split folding 2nd row seats with folding centre armrest |
| Premium brown-coloured leather upholstery |
| Grey-coloured leather seat upholstery |
| Black-coloured leather seat upholstery |
| Thermoplastic polyurethane (TPU) and cloth combination upholstery (Black & grey) |
| Appealing woven cloth seat upholstery (Black & grey) |
| Ventilated front seat |
| Heated front and 2nd row seats |
| Front sliding seat headrests |

| CLIMATE CONTROL |
|--|
| Fully automatic air conditioning with dual zone temperature sensor and digital display |
| Manual air conditioning with maximum air conditioning function |
| Cluster Ionizer |
| Auto defog function |
| Positive temperature coefficient (PTC) heater with diesel engine |

| CONVENIENCE |
|--|
| 4" LCD display with MP3 player and iPod / iPhone connector (with RDS) |
| 8” smart audio system with link to rear view camera and smart phone |
| 9” HD navigation system with link to rear view camera and smart phone (EU region only) |
| Car connectivity (Apple CarPlay & Google Android Auto) |
| 3.5” mono TFT-LCD trip computer |
| 10.25” full color LCD trip computer |
| Bluetooth hands-free |
| Pole antenna on the rear roof |

| |
|--|
| Rain sensing wipers and automatic headlight activation |
| One-touch triple signal indicators |
| Heated tailgate window with timer to defrost before vehicle starting |
| Safety power sunroof that slides or tilts, with roof blind to keep the interior cool |
| Safety power windows |
| Dual folding key-type remote keyless entry system with panic alarm (standard) |
| Dual smart key with electronic steering column lock and auto locking system |
| Smart power tailgate |
| Six speakers |
| Dual spray washer nozzles |
| Outside mirrors that can be electrically adjusted, folded and heated |
| Dual gas filled tailgate struts |
| Grip on the inside of the tailgate to facilitate closing |
| Cup holders in the front and rear |
| Sun visors with extension & illuminated vanity mirror |
| Luggage cover and net |
| Useful toolbox in the load area |
| Electronic tailgate opening release switch |
| Manual tilt and telescopic steering wheel |
| Heated steering wheel |
| Luggage tray |
| 12V DC power outlets & USB charger |
| 220V/115V power inverter |
| Wireless charger |
| Keyhole illumination |

| SAFETY |
|---|
| Autonomous Emergency Braking (AEB) |
| Forward Collision Warning (FCW) |
| Lane Departure Warning (LDW) |
| Lane Keeping Assist (LKA) |
| High Beam Assist (HBA) |
| Traffic Sign Recognition (TSR) : EU region only |
| Safety Distance Alert (SDA) |
| Driver Attention Alert (DAA) |
| Intelligent Adaptive Cruise Control (IACC) |
| Front Vehicle Start Alert (FVSA) |
| Rear Cross Traffic Alert (RCTA) |
| Rear Cross Traffic Alert Intervention (RCTA-i_A/T only) |
| Blind Spot Detection (BSD) |
| Exit Assist Function (EAF) |

| |
|---|
| Lane Change Assist (LCA) |
| 4-channel Anti-lock Braking System |
| Electronic Stability Program (ESP) with Emergency Brake Assist, Hill Start Assist (HSA), Hill Descent Control (HDC), Active Roll-over Protection (ARP), Emergency Stop Signal (ESS) and Automatic Vehicle Hold (AVH) with EPB & Auto hold |
| Reinforced monocoque body structure |
| Door impact beams for optimal protection from side impact |
| Front seatbelt load limiters and pre-tensioners with clamping locking tongue (CLT) |
| Front airbags for driver and passenger |
| Side airbags for first row |
| Curtain airbags front and rear |
| Knee airbag for driver |
| Airbag On / Off switch for front passenger |
| Front parking aid system with 4 sensors |
| Rear parking aid system with 4 sensors |
| Ventilated front disc brakes |
| Rear disc brakes |
| LED front fog lamps |
| Rear fog lamp |
| Door-mounted courtesy lights |
| Immobiliser anti-theft system |
| Intermittent rear window wiper and washer |
| Automatic speed-sensing door locks |
| Height-adjustable safety belt (front) |
| Reminder alarm with speed-sensing feature for front and rear safety belts |
| 3-point central rear safety belt |
| ISO-FIX and tether anchorage for child seat |
| Tyre pressure monitoring system (TPMS) |
| Visual VIN |
